SIR,

SUBJECT:

SCHOOLS - Appointment of an additional L.T.
Assistant in certain Government Training -
Schools for Masters - Proposals - SUBMITTED.

REF: G.O. MS. No. 756 Education dated 16..4..1947.

@@@@@

I have the honour to submit herewith a statement showing the particulars called for in the G.O. cited above and to recommend that for the reasons stated in my letter R.C.No. 1113-K-3/46 dated 4.11.1946, Government may be pleased to sanction the employment of a L.T. Assistant in each of the Government Training School for Masters mentioned below with effect from the school year 1948-1949.

- 1) Govt. Training School for Masters, Chicacole.
- 2) " " Bimilipatam.
- 3) " " Vizagapatam.
- 4) " " Guntur.
- 5) " " Chittoor.
- 6) " " Tanjore.
- 7) " " Badagara.

The employment of a L.T. Assistant, for the Government Training School for Masters, Cuddalore is not necessary as the Junior Training classes of the school is to be transferred to some other place in the District consequent on the opening of a Basic Training school at Cuddalore.

The particulars furnished in the statement relate to the year 1946-47. Owing to the non existence of senior secondary sections during the current school year the number of sections in this Department will be less in the Training Schools, having secondary training during the current school year and will approximately come up to the number in 1946-47 or more during the school year - 1948-49. When the present junior sections will become the Senior sections and when there will be fresh admissions in the junior sections as shown below:-

/P.T.O.

Hence I recommend the employment of an additional L.T. Assistant with effect from the school year 1948-49. The employment of a L.T. Assistant in the schools mentioned above is in my opinion, necessary to give relief to the Headmaster. For as it stands, the Headmaster has no time for supervision and organisation of work as much of his time is taken away in clerical work and he has to strain himself on account of class work. In the circumstances I request that Government may be pleased to approve my proposal.

3. The financial effect of the proposal will be
 Rs. 85 x 7 x 9 = 5355 in 1948-49 and Rs. (137 x 12 x 7)
 11508 ultimately.

I am including the necessary provision in Part II of my budget estimate for 1948-49.

C. 743 92 C/47. Schools - Appointment of add. L.T. Asst. in certain govt. Trg. Schools for Masters - Proposals - Part II Scheme.

pp 1-3 of Frodo the A.P.D. No. 1113-K-3/46 D 4.9.47.

In November 1946, the A.P.D. proposed that an add. L.T. Assistant may be appointed in each of the 11 larger govt. Trg. Schools for Masters which have more than 6 trg. sections attached to

cp. p 7 of ① them. The scheme was placed before the Standing Finance Committee and it agreed

Amplifying ① that the proposal might be raised for 1947-48, but desired that the Finance Dept. and examine whether all the L.T. Assts. asked for were required. The Finance

p 6 of ① Dept. agreed to the appt. of an add. L.T. Asst. in each of the Trg. Schools at Malappuram, Calicut and Cannanore, and suggested that the case in respect of the other eight schools may be reviewed after obtaining the necessary particulars from the Director.

p 3 of ① The Director has now furnished the particulars and renewed his proposal for the appt. of an add. L.T. Asst. in each of the other seven larger Trg. schools for Masters, and reports that an add. L.T. Asst. is not neeq. in the case of the 8.

p 5 of ① for Masters, (Cuddalore) for which he proposed an add. L.T. Asst. last year. The no. of training sections in each of these schools is reported to be more than 6 during the current year and more than 7 during the next school year. The Director

para 2 p 2 of ① has again emphasized the need for the appt. of these L.T. Assts. The cost involved in the proposal ^{will} be Rs 5355/- during 1948-49 and Rs. 11,508/- ultimately.

The D.P.I. has proposed the employment of a L.T. Assistant ~~in~~ in each of the 7 schools mentioned by him. He has stated that now the Headmaster has no time for supervision and organisation of work as much of his time is taken away in clerical work and he has to strain himself on account of class work. E.P.H support the proppsal.

P.5 N.F. of P

While examining the same proposal last year, this Dept. pointed out that the Cabinet Salaries Committee which recently considered the question of revision of salaries was inclined to view that the number of working hours of the teaching staff in Govt. Colleges and institutions was small and that steps should be taken to give them more work. It would seem that on an average an Assistant can be expected to work 25 periods a week and ^a Head Master 15 periods a week without detriment to his other official work. In the cases of Chicacole, Vizagapatam and Guntur, the number of sections in 1946-7 will be increased by one in 1948-9. Even with an additional section, the work in the Govt. Training School, Chicacole and Vizagapatam can be so redistributed that the headmasters are given a few more periods because they now work only 10 and ¹² periods respectively on an average and the number ^{of} sections in the model school is only 5. When the anticipated additional section comes into existence ⁱⁿ the Govt. Training School, Guntur, the Assistants can be asked to ~~take~~ take up some more periods because they ~~are~~ are now doing only 22 periods on an average ^{as} a post ~~was~~ not filled in. It would therefore seem that there is no strong case for sanctioning an additional L.T. Assistant for any of the schools mentioned by the D.P.I. The scheme does

not also seem to fall under the purview ^{of the} ~~at~~ ~~and~~ criteria mentioned in G.O. 577 Finance dated 1-8-47

In the circumstances stated above, this Department may advise against the proposals.
