SEARE COPIES _____

I have the honour to state that I have been occasionally permitting the admission of pupils into the VIII Std. direct and permitting such pupils to take the Examination. I feel that candidates without any previous study may be permitted to take the VIII Std. Examination privately.

2) The training and teaching given in most of the higher elementary schools are not of a high order and if a child is able to take the Examination without attending a school, the attainments may not be inferior. The nine months course in a school may not make much difference if a child is able to reach the required standard by private study. No pupils of Stds. VI and VII of a Higher Elementary School and no pupils of a secondary school will be permitted to take the examination privately. Also no pupil who left the school within a year of the date of application will be permitted to appear privately. This would be a very great encouragement to over-age pupils and others who will find it difficult to join a Higher Elementary School and study for a year or two. A minimum age will be prescribed for these types of candidates and unlike in the S.S.L.C. Examination, no relaxation will be permitted.

3) English is an optional for this Examination and those who take the Examination with this Optional and pass, are admitted into IV Form direct. In the case of private candidates, optional English may not be permitted so that it may not be considered as a short-cut to admission into Form IV. The concession that I am suggesting will only help three classes of pupils -

(i) Those who like to join a Training School for being trained as teachers.

(ii) Those posts and courses for which VIII Std. or III Form is prescribed as a qualification for admission;

(iii) Those who wish to have a certificate of having passed a Government Examination.

The Government approve the proposals of the Director of Public Instruction that candidates without previous study in any school may be permitted to appear privately for the VIII Standard Public Examination and that in the case of these private candidates a fee of Rs. 4/- each may be levied for the examn. Subject to the condition that the orders in para 1 above will not apply to the following classes of private candidates:--
viz, (1) pupils of Standards VI and VII of a Higher Ele. School and pupils of a secondary school.
(2) pupils who left the school within a year

Examinations - E.S.L.C. - VIII Standard Public Exam. - Permission to appear for candidates coming from private study -

The D.P.D. has proposed

(1) that candidates without previous study in any school may be permitted to appear privately for the public examination held at the end of the VIII standard in Higher Elementary Schools, and

(2) that an examination fee of Rs. 4/- may be levied in the case of such private candidates.

The proposals are examined below:-

Proposal (1) above.

The scheme of holding a public exam. at the end of the VIII standard course of Higher Elementary Schools was sanctioned in 1940 and the first exam. was held in April 1942. The scheme is being tried as an experimental measure. In S.O. No. 1535 Edn. dated 18-10-44 Govt. have sanctioned the continuance of the exam. for a period of three years from 1945 and the D.P.D. has been asked to submit a report on the working of the scheme as soon as possible after April 1947. The subjects in which the exam. is held are (a) First language (b) Mathematics (c) History and Geography including Civics and (d) English. The first three subjects

are compulsory subjects. The last subject (English) is optional and this was added in 1945 so as to arrest the tendency on the part of pupils from areas where there are secondary schools to change over to the secondary schools from standard VII and thereby gain a year by direct entrance to form III and thence to form IV. The C.S.E. has separately stated that the institution of this public exam. has improved considerably the standard of work in Higher Elementary Schools.

The Director's present proposal is to permit ~~the~~ candidates to take this public exam. without ^{any} ~~at all~~ ^{previous study} ~~at all~~ in any Higher Elementary School. The proposal is intended to ^{give} encouragement to over-age pupils and others who find it difficult to join and ~~at~~ study for a year or two in Higher Elementary schools to appear for the Govt Exam and will, it is stated, benefit only the three classes of pupils mentioned on page 1 c2. ^{They will not be allowed to take English optional.} It does not appear that with the conditions and safeguards proposed in paras 2 and 3 of the Director's letter on page 1 c2, the number of candidates ~~who will~~ appearing ~~for~~ ^{privately} for the exam from private study would be so large as to result in any appreciable diminution in the strength of pupils in Higher Elementary Schools. ^{remains} In the circumstances, it ~~is~~ ^{is} for orders whether the Director's proposal may be approved.

Proposal (2) on page 1 ante.

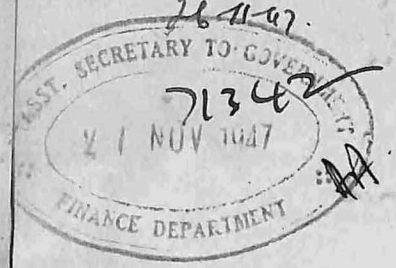

In the case of pupils from Higher Elementary Schools a fee of Rs. 2/- is levied whether the candidates apply for only the three compulsory subjects or for four subjects including English. The D.P.D. proposes that in the case

of private candidates who will be allowed to take only the three compulsory subjects a fee of Rs. 4/- may be levied. The enhanced rate is ^{presumably} ~~apparently~~ in view of the fact that these private candidates have ^{been saved} ~~not had~~ the expenses of studying in a school for a year or two. The rate proposed by the D.P.D. may be approved.

Finance may see the case w.o. for remarks.

'B' alone

The D. P. D. has suggested that in the case of private candidates a fee of Rs 4/- instead of Rs 2/-, as at present, may be levied for the Examination. E and P. H. propose to approve the rate suggested by the D. P. D. It is stated that the enhanced rate is presumably in view of the fact that these private candidates have been saved the expenses of studying in a school for a year or two. If that be the case, the rate suggested seems to be too low. As these candidates do not incur any expenses of studying in a school, there seems to be a case to charge them something more as fees for the Examination.

Finance agree to the proposal to permit
Candidates without previous study in any school
to appear privately for the VIII Standard Exam

They suggest that the fee for the exam in the case of these private students may be Rs 6 each against Rs 4 proposed by the D. P. T. It is for orders whether the suggestion of finance may be agreed to. It does not seem necessary to consult the D. P. T. regarding this.

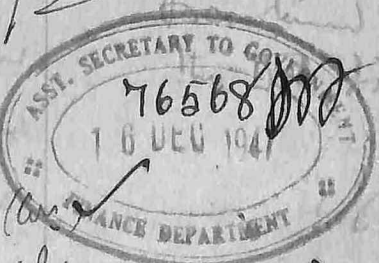

The file may be circulated for orders along

4.12.47) As regards A above it will be difficult to introduce the proposal during the current year and give effect to it as the last date fixed for receipt of applications for the G.S. H.C. examination is 15.12.47.
So the proposal may take effect from the examination for 1948.
