No. 3195-1/47 dated 11 December 1947.

Sir,

Sub: Museums Association - Meeting at Bombay -
Permission to attend - Sanction of Travelling
Allowance - requested.

I have been requested by Dr. R.E. Mortimer
Wheeler, Director General of Archaeology in India in his
capacity as President of the Museums Association of India,
to attend the annual meeting of the Museums Association
of India on 28th and 29th December 1947, at Bombay, and
also to give a paper or lead a discussion. I have
accepted this invitation subject to Government approval
and their sanctioning the necessary Travelling Allowance.

During the last week of December 1947, the
Indian History Congress and the Numismatic Society of India
are also meeting at Bombay. This Museum being an insti-
tutional member of both the Museums Association and the
Numismatic Society it will be possible for me to get
valuable contacts at Bombay during the sessions of these
three important conferences. Government in 1937 permitted
Dr. Gravelly to attend the Museums Conference at New Delhi
(G.O. No. Ms. 2729 Education and Public Health dated 23rd
November 1937). This conference of museum workers in
Bombay is likely to be more important than the Delhi
conference in 1937 in view of the large-scale museum

development which the Ministry of Education of the Dominion Government is undertaking. I have the honour, therefore, to request that Government will be pleased to permit me to attend the Annual Meeting of the Museums Association of India at Bombay on the 28th & 29th December 47 and to sanction Travelling Allowance for this purpose, which will be met from the grant under this head.

I have the honour to be,
Sir,
Your most obedient servant

A. Aiyappan
Superintendent.
