The general policy till now followed by the Govt in regard to collegiate education is that laid down in Press Communique No. 16 & 13-7-45. In the post-war Five Year Plan, no provision has been made for the opening of new Arts Colleges. There is, however, provision for opening two Engg. Colleges, one in Vizagapatam and the other in at Anantapur. ~~the Ceded Districts~~. The Govt have already sanctioned ~~sanctioned~~ the opening of the Engg. College, Vizagapatam, Vizagapatam, to be temporarily located at Cocanada while arrangements have been made to admit addl. number of students in both the Engg. College, Guindy and the A.H. College of Technology, Coimbatore, with a view to their transfer to the Anantapur Engg. College when it is eventually opened. With a view to enable more students to be admitted into Colleges, the University of Madras, at the instance of the Govt, has permitted the Principals of the Colleges to admit an ~~addl~~ fourth batch of students for the Science subjects

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—"We have received representations about the Engineering Colleges. The representations from the Ceded Districts will be looked into. We have issued specific orders that certain number of students from the Ceded Districts should be taken in the Engineering College."

SRI R. V. SWAMINATHAN:—"Will the Government consider the establishment of colleges where there is no college at all?"

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—"There is no such proposal. It is not possible under the present circumstances."

SRI S. NAGAPPA:—"Are not the Government aware of the backwardness of the Ceded Districts?"

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—"The Hon. Member knows it as well as I do."

SRI N. VENKATA SUBBAYYA:—"May I seek an assurance that he will go into the complaints that have been brought to his notice and that future admission will be strictly confined to Ceded Districts' students producing certificates?"

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—"I believe the certificate is demanded even at present and I am speaking subject to correction. If any individual students are not admitted, it is difficult for the Government to take it up. If the hon. Member suggests to me any ways by which this can be prevented, they will be considered."

SRI S. NAGAPPA:—"Will the Hon. Minister appoint a committee in order to be fair in the admission of people from all districts?"

SRI S. NAGAPPA:—"Certainly, Sir."

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—"There are other people who think otherwise."
