Please see the Leg. Assembly Question in the of.
The D.P.S who was asked to furnish the information
required says that there has been no case of
small pox in the Queen Mary's College hostel.
It is presumed that the all-I.A. also means the
hostel. ^{Since he has mentioned the college in the question} For there can be no case of small pox
in the college. If a day scholar contracts the
disease she will not be attending the college
and it will be a case of small pox in the
locality in which she lives. A draft answer
is subd. The file may be circulated to H. M. (Fin and Edu)
