

SCHOOLS - Secondary - Local Bodies - Grant of advance increments to teachers in revised scales - Instructions issued.

Order/Ms.No. 2756 Edn. dated 27.12.47

C. No. 10003781/47

(Z)

In G.Os.No.975 Edn. dated 10th May 1947 and No.1154 Edn. dated 5th June 1947 the Government sanctioned the introduction of revised scales of pay for teachers in secondary schools under local bodies as from 1st January 1947. It was ordered that the pay of each of the existing incumbents should be fixed in the revised scales at the stage next above the aggregate of his pay in the existing scale of pay and his temporary additional pay or personal pay, if any, whether such aggregate represents a stage in the revised scale or not and if such aggregate is less than the minimum of the revised scale, his pay should be fixed at such minimum. These orders have not benefitted appreciably teachers who have put in long service under local bodies.

2 Representations have been made by teachers in secondary schools that they should also be given weightage for their service in the scale existing prior to 1st January 1947 as has been done in respect of other employees under local bodies paid from general funds. The question whether the extra expenditure involved in the grant of advance increments to teachers in secondary schools should be taken into account for purposes of assessment of teaching grants to those schools every year is under the consideration of Government and it may take some time for arriving ^{before} at a final decision ^{is reached in the question} in the matter. In the meantime, the Government ^{also} consider that teachers in secondary schools should be allowed ~~the~~ concession if the local bodies concerned ~~can afford to meet the entire cost involved from their general funds~~ ^{without any expenditure of grant from the Govt and if} Special officers of District and Executive Authorities of Municipalities ^{are}

(X) Employees under ^{local} bodies have been given such weightage.

and also are accordingly requested to arrange for the grant of advance increments to teachers in secondary schools and refix their pay in the revised scales with effect from 1st January 1947 in accordance with the following provisions if the entire cost on account of the grant of the concession can be met from the general funds of the local bodies and report the fact of having done so to Government.

The additional expenditure to the local body in giving weightage for service of teachers will not be taken into account while assessing the amount of grant payable for the institution and no subsidy will be paid by Government towards the deficit, if any, which may be caused by the grant of advance increments.

SECRETARY, E.& P.H.

I understand that in many Municipalities and District Boards while weightage for services have been given to other Municipal and Dt.Board servants, they have not been given to teachers in the secondary schools under those local boards and municipalities. This matter is separately under consideration of the Standing Finance Committee but it may take a considerable time before it comes for the meeting. In the meantime, we may issue directions that such of those district boards and municipalities who can afford to give weightage for ~~their~~ the services of teachers serving ~~under~~ in the secondary schools may be allowed to do so. The matter of paying half cost upon this expenditure will be considered by Government separately. Orders may be issued to this effect

H.M.Education.

I understand that H.M. L.A. has gone out on tour. I have no doubt that he will agree with this proposal. Now, the Secretary, Local Adminis-

come into effect from 1.1.48 instead of from 1.1.47. As the year 1948 will commence before orders are issued in this case, it is for consideration whether such of the local bodies which can afford to do so, should be permitted to grant advance increments from 1.1.47. Subject to orders on this point, a draft order is submitted below for approval. Finance may see prior to circulation.

Sir,
Sub:- Establishment - Tinnevelly District Board - Secondary Schools -
Grant of advance increments to teachers in revised scales.

Ref:- G.O. No.2756, Edn. dated 27-12-47.

The Government have in their order cited above, permitted the grant of advance increments to teachers in Secondary Schools under local bodies, if the local bodies concerned can afford to meet the entire cost involved from their general funds without any expectation of grant from the Government and if other employees under their control have been given such weightage. This District Board has got sufficient funds and can afford to meet the additional expenditure in giving advance increments to teachers in Secondary Schools under the Board. Necessary provision has also been made in the Revised Budget for 1947-48. All other employees under this Board have already been granted advance increments.

2. As all the conditions specified in G.O. No.2756, Edn. dated 27-12-47 have been satisfied, I have sanctioned advance increments to teachers in Secondary Schools under this District Board.
