The undermentioned 20 orphanages have been in receipt

2. Out of the 20 orphanages listed above, 2 orphanages run by
the Danish Mission at Tiruvannamalai and Melpattambakkam
(i.e. S.Nos. 3 and 11) have resumed receiving their usual
remittances from abroad.

3. The Correspondent St. Theresa's Orphanage, Tranque-
bar (S.No.12) reports that he has received an amount of
Rs.1000/- from France for the year 1945 but states that
this sum is very meagre and that he has still to make a
loan of Rs.8100/- to meet the expenses for the year. He
therefore requests that the special aid may be continued.
The Correspondent of the B.E.M. Orphanage, Udipi (S.No.8)
reports that so far, the Mission has received Rs.1,40,000/-
from abroad for the year 1946 but he states that it is only
a portion of what they used to get previously which amounted
to Rs.2,70,696 per annum during the pre-war years. The
correspondent of this orphanage also requests for the
continuance of the special aid.

4. In these circumstances I recommend that special
aid may be stopped to the two D.M. Orphanages referred to
in para 2 above and Government may be pleased to pass
such orders as they deem fit in respect of the
orphanages mentioned in para 3. With re-
maining 16 orphanages special aid may
is reported that their usual re-

have not begun to come in.

POST COPY OF TELEPHONIC MESSAGE DATED 19TH NOVEMBER, 1946.

From The Director of Public Instruction, Madras.
To The Assistant Secretary to Government,
Education and Public Health Department.

REF: Telephonic message dated 30-10-46 regarding the continuance of Special aid to Indian Boarding Homes and Orphanages affected by war.

In G.O. No. MS.1257 Education dated 14-8-1941 the Government have ordered that those orphanages which have been affected by war should be sanctioned aid equal to the entire net Boarding charges subject to a maximum of Rs.5/- per mensem for each eligible inmate. The flat rate of all Boarding Homes was subsequently raised to Rs.6/- p.m. in G.O.No.698 A Education dated 3-5-44. This enhanced rate was made applicable also to the orphanages affected by War. Since the issue of this G.O. grant to these orphanages is being allowed at full net Boarding charges subject to a maximum of Rs.6/- p.m. but not Rs.5/- as referred to in the above telephonic message. The flat rate has now been raised from Rs.6/- to Rs.8/- p.m. per pupil and the question now is therefore whether this increased rate of Rs.8/- sanctioned in G.O. No. MS.1928 Education and P.H. dated 7-10-46 should be allowed to the mission Homes receiving Special aid. From a Scrutiny of the applications for this year of the several orphanages in receipt of special aid it is observed that out of 18 orphanages considered by me for continuance of special aid (Vide this Office A.O.No.5109 JI/46 dated 5-9-46) 16 would benefit if the increased flat rate of Rs.8/- is made applicable to them. These orphanages were earning grants only at the flat rates and not equal to the entire net boarding charges.

I therefore recommend that the maximum of Rs.6/- laid down in G.O.No.698 A Edn., dated 3-5-44 may kindly be raised to Rs.8/- p.m. per pupil in respect of the orphanages admitted to Special aid. also

GRANT - Boarding - Indian Orphanages affected by war -
Continuance of special aid.

From the Director of Public Instruction, R.C.No.5109-J1/46
dated the 5th September 1946.
From the Director of Public Instruction, P.C. of T.M.
dated the 19th November 1946.

Under rule 62 of the Grant-in-Aid Code the grant payable to an orphanage or boarding home for Indian destitute pupils should not exceed two thirds of the net boarding charges of the institution or Rs.3/- a month for each pupil. The grant is calculated on the assumption that a portion of the boarding charges should be met by the management of the institution. Representations were made to Government that certain Mission orphanages, which were in receipt of financial assistance from outside India, were deprived of such assistance on the outbreak of the war and were thus unable to contribute their share to support the children in their care. In G.O.No.1257 Edn., dated the 14th August 1941, the Government sanctioned the payment of the net boarding charges of the institutions in full up to a maximum of Rs.5/- for each pupil eligible for grant under rule 62 of the Code and this rate was raised to Rs.6/- per mensem in G.O.No.698 A Education, dated the 3rd May 1944. The special grant thus made was ordered to be continued until the close of the financial year in which the war ended. According to the above condition the institutions were eligible for financial assistance upto the end of 1945-46. The question whether such assistance should be continued during the current year has to be decided now.

2. The Director of Public Instruction reports that out of the twenty orphanages which have been in receipt of the special aid under the orders referred to above, two orphanages run by the Danish Mission at Tiruvannamalai and Melpattambakkam have resumed their usual remittances from abroad and that it is no longer

necessary to continue the special aid to these institutions.

His recommendation may be accepted.

3. The St. Theresa's Orphanage, Tranquebar and the B.E.M. Orphanage, Udipi, ~~have received certain remittances from abroad for the year 1946.~~ *have received certain remittances from abroad for the year 1946.*

~~and as they used to get previously from abroad.~~ The Correspondents of the orphanages have, however, applied for the continuance of the special aid during the current year, as the amounts received are not sufficient for ^{the} maintenance of the orphanages.

The latter has received a substantial sum of Rs.1.4 lakhs and it does not seem necessary to continue the special aid given to the institution. The former may, perhaps, be allowed to receive the special aid in the current year also.

4. The Director's recommendation that ^{the special aid may be continued in the current year} in the case of the remaining sixteen institutions which have not ^{yet} begun to receive aid from abroad, ~~the special aid may be continued in the current year~~, may be accepted.

5. The Government, in their order No.1928 Education, dated the 7th October 1946, raised the maximum limit of boarding grant payable to Indian and Mission orphanages and Boarding Homes from Rs.6/- to Rs.8/- per mensem. The Director of Public Instruction recommends that the ~~flat rate of~~ ^{per capita rate of} Rs.6/- fixed in G.O.No.698 A Education, dated the 3rd May 1944, in respect of the orphanages receiving aid from foreign countries, may be raised to Rs.8/- a month as in the case of other orphanages,

and that if the concession is allowed 16 orphanages would be eligible for grant at the increased rate. The Director's recommendation may be accepted as the per capita rate in respect of these orphanages managed by missions has always been equal to that allowed for other orphanages

The remarks of Finance may be invited as

Special aid may be continued during 1946-47

in respect of the orphanages mentioned on page 1 & 2

except the D.M. Orphanage at Tiruvananthapuram

and Melapattanam and the B.E.M. Orphanage Udipi (No 3, 11 & 12)

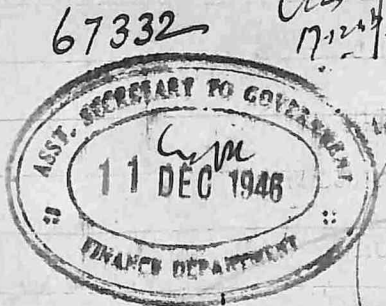

all the orphanages are receiving grants at the flat rate (not the net cost) the U.P. is recommended to allow the increased rate of Rs 8 to them may be accepted for the reasons mentioned at M on p 2 and 3
