P.O.C. B.4 No. 4742/46 dated 5-8-1946.

Sir,
Schools - Municipal High School, Ootacamund - deputation of
a teacher who is not an approved probationer for training as
Physical Training Instructor.

Reference:- G.O. No. 1176 Education and Public Health dated
14th June 1946.

One of the posts of Physical Training Instructors in the Municipal High School, Ootacamund, having fallen vacant permanently, the post was advertised more than once but it was not found possible to secure the services of a qualified candidate for it. On the representation of the Headmaster of the school that the physical education of the boys suffered for want of another Physical Training Instructor, one of the teachers in the elementary schools under the management of the Municipality who is not qualified in Physical Training was posted as Physical Training Instructor as a temporary measure with the approval of the District Educational Officer, Coimbatore and the Nilgiris, Coimbatore.

After some time, the post was again advertised, but no candidate applied for the post. As it is not desirable to continue the services of one who is not qualified in Physical Training, the Municipal Council decided to depute him for training at the Y.M.C.A. College of Physical Education and sanctioned an expenditure of Rs 900/- on his training.

On his being selected for training for the Lower Grade certificate on the recommendation of the Chief Inspector of Physical Education, Madras, he was allowed to join the Y.M.C.A. College, during July 1946.

P.T.O.

The teacher is not an approved probationer to the post, and as stated above he has been appointed purely as a temporary measure, as the post is one which is reserved for a War service candidate. If a War service candidate becomes available the post will be given to him in which case the teacher will be re-appointed to his original post in the elementary schools after the completion of his training.

In view of the facts stated above, I request that the Government will be pleased to ratify the action of the Council in deputing him for training in the circumstances stated above.

H. B. Davis
Commissioner.

Sir,

Sub:- Physical Education - Municipal High School, Ootacamund
Deputation of a candidate who is not an approved probationer for training as a Physical Training Instructor - Employment after training in vacancies reserved for war service candidates.

Ref:- From the Commissioner, Ootacamund Municipality Roc.
B.4.No.4742/46, dated 5-8-46.

In For submitting herewith the above reference I have the honour to state that the Government in their order No.1626 Edn. (p) dated 1-11-44 have permitted Local Bodies to meet expenditure on the candidates deputed for training as Physical Training Instructor etc. after getting a bond signed by the candidates binding themselves to serve the Local Body concerned as a teacher in the relevant capacity for a period of three years after completing the training. At the same time the Government have in their order No.3107 L.A. dated 1-11-43 ordered that all vacancies under Local Bodies that arose after 20-7-43 should be reserved for war service candidates. In his letter referred to above the Commissioner, Ootacamund Municipality states that he has deputed a candidate who is not an approved probationer for training as Physical Training Instructor and that this candidate is to be appointed, after completing the training course to a post which is reserved for war service candidate. Hence when a war service candidate becomes available within the above period the candidate, deputed will not be able to fulfil the terms of the bond. So the Commissioner requests the Government to ratify the action of the Municipality.

I am however of the opinion that if and when a war service candidate becomes available for the post the deputed

candidate may be exempted from the terms of the bond.
