Elementary Education Fund - Budget Estimate for 1947-48 - Municipal Council, Dharapuram.

Submitted.

2. Revised Estimate for 1946-47: The total expenditure under "ordinary" has been wrongly struck down. The correct total is Rs.45000/-

3. Budget Estimate for 1947-48: The credit taken for Government grant under Sec.37 of the Madras Elementary Education Act is liable to revision with reference to the actual amount of education tax realised and adjusted to the fund during 1946-47.

4. The total expenditure under "ordinary" has been wrongly struck down. The correct total is Rs.47300/-

5. The budget closes with a large deficit

6. The boys' school is held in an unsuitable and inadequate building. Accommodation is insufficient for 2 girls schools. The council should take steps to house these schools in better buildings.

7. It is reported that the headmaster of the West Balijawan St. School has 9 teachers is only a Higher Elementary T.T.C. No exemption has been obtained on his behalf. A secondary grade teacher should be appointed as the Headmaster of the school.

NOTE TO THE COUNCIL.

Budget Estimate for the year 1947-'48 and Revised estimate for the year 1946-'47.

I submit the Budget Estimate for the year 1947-'48 and the Revised estimate for the year 1946-'47.

Obligatory charges

Provision is made in the Budget for all obligatory charges and other commitments.

Closing balance under several accounts

The Balance under "A" General Account both under Revised Estimate and Budget Estimate 47-'48 exceeds fairly the minimum working balance; The lighting account as usual closes with a deficit of Rs. 1313 under Revised Estimate and Rs. 8633 in the budget year. The closing balance under Elementary Education under the Revised Estimate closes with a deficit of Rs. 16/- only. This can be wiped off in actuals. However, this account closes with a large deficit Rs. 24874/- in the budget year.

X X X X

C. Elementary Education Account.

The revised estimate is expected to close with a deficit of Rs. 16. A grant of Rs. 19975/- from the arrears of additional toll compensation is expected to be drawn during the current year. The budget estimate is expected to close with a deficit of Rs. 24874/- A sum of Rs. 5000/- has only been provided under capital account for the construction of the West Balijawar Street building for which land has already been acquired. To avoid the anticipated large deficit the following measures are suggested for the kind consideration of the council. A lump sum provision of Rs. 8000/- has been made for the following in addition to the proposed expenditure of Rs. 19000/-

- 1) Conversion of Chittravuthanpalayam Boys and Girls School into a middle school.
- 2) Opening of a new girl's School in Labbai Street.
- 3) Opening of a middle school.

As the account is already working in deficit the above proposals may be deferred for the present and the additional expenditure of Rs. 8000/- may thus be saved. The contribution of Rs. 11900/- from the general account may be increased to Rs. 25474/- This can avert the deficit of Rs. 19574/- The education tax may further be enhanced by 20% per annum which will fetch an additional receipt of Rs. 5400/- Only then the account can be balanced. The very large diversions from the General account curtails the capital ventures of this Council. By the proposed increase in the Education tax the position of the account even the normal years will be self-supporting and the statutory contribution of nearly Rs. 11900/- can be maintained throughout. The Council may be pleased to consider this aspect of this question earnestly.

Richard
Commissioner.
