Sir,

Sub: Subsidy - Local Bodies - Maintenance of Secondary
Schools - 1946-47 - Distribution of second instalment.

Ref: G.O. No. 859, Education, dated 11-6-1942.

I have the honour to submit herewith for the sanction of Government a statement showing the distribution of the 2nd instalment of subsidies to local bodies towards the maintenance of secondary schools under their management in the current year. The balance of subsidy payable to them is indicated in column 7 of the statement. The subsidy payable on account of Hindustani teachers is not included in this statement and the question is being dealt with separately as usual.

Subsidy upto the date of transfer of management from District Board to the private donor in respect of the Board Secondary School, Kaniyur has been included with reference to G.O. No. 1478 Edn., dated 19-9-45. In G.O. No. Ms. 690, Education, dated 1-4-46 a sum of Rs. 5526 was sanctioned for the new Municipal Muslim School, Bellary. Half grant for this school was not originally included while recommending the payment of 1st instalment of subsidies to local bodies as the question of provision of separate accommodation and suitable equipment and staff for the Muslim High School was under correspondence. The full amount of Rs. 5526/- sanctioned in the G.O. is included in this statement.

3. The expenditure in the case of the schools in the ordinary areas will be met from the appropriation under "37 h - Education - Secondary - Grants to Local Bodies for Secondary Education - A. Ordinary areas - 1. Teaching Authorised" and in the case of those in partially excluded areas i.e. Agency Tracts, from out of the appropriation under "37 h - Education - Secondary - Grants to Local Bodies for Secondary Education - B.
