From

Director of Public Instruction,

The Secretary to Government,
Education & Public Health Department,

SUBJECT: WAR - Further Education and Training of demobilised personnel - Staff for the Further Education Board - Sanction requested.

56871

In their Order No.1167, Education, dated 12--6--46, the Government have sanctioned a scheme for the Further Education and Training of demobilized personnel and have also proposed to constitute a Further Education Board for this Province, for the award of concessions to demobilized persons. The Director has been requested to submit, in consultation with other Heads of Departments, proposals for the constitution of a Further Education Board. The other Heads of Departments have been addressed in the matter and necessary proposals will be submitted as soon as all the replies are received.

2. The work relating to the above scheme is being dealt with in the War Section consisting of one Superintendent (on Rs.100-150) and two Upper Division clerks (on Rs.55-100). As the hands of the existing two upper division clerks in the section are already full, the Government were requested to sanction the post of an additional upper division clerk for the additional work involved in the above scheme. The Government have accordingly in their order No.1607, Education, dated 19-8-46 sanctioned the employment temporarily for a period of one year from the date of appointment of an additional upper division clerk on Rs.55-100.

In this connection, I may bring to your kind notice that the work of the War Section has increased with the sanction of the scheme for Further Education and Training of demobilized personnel. The constitution and working of the Further Education Board involved in the scheme is bound to increase the work still further as the Director has to scrutinize and sanction applications received from all parts of the Province for payment of maintenance allowance. Further, the section will have to determine the amount of maintenance grants, in consultation with the other heads of departments even in respect of applications received from institutions under their control. The work mentioned above will naturally be of a more responsible character and will have to be personally attended to by the Superintendent of the Section in addition to his normal work. As has already been pointed out in paragraph 2 of my letter R.O.C. No.2003 W/46 dated 5-7-46, the work of the War Section which was till 1-12-45 shared between the two upper division clerks and the Assistant to the Superintendent of the War Section has, since the abolition of the post of Assistant to the Superintendent, been shared between the two upper division clerks only, although there is no decrease in work, but on the other hand a slight increase justifying the strengthening of the establishment. The upper division clerk now sanctioned in G.O.No.1607, Education, dated 19-8-46 is in addition to his work regarding the Further Education Scheme, given some other general work also connected with the War.

3. The work of the Superintendent of the War Section and of the Upper Division clerk dealing with the Further Education Scheme is, therefore, heavy, responsible and onerous. They deserve a higher salary commensurate with the nature of work and duties involved. I, therefore, request that the Government may be pleased to sanction the post of a Superintendent for the War Section on a fixed pay of Rs.175/- per mensem and a clerk on a fixed pay of Rs.100/- per mensem in lieu of the existing posts of one Superintendent -

P.T.O.

(Rs.100-150) and one upper division clerk (Rs.55-100), as the position is analogous to the one in which the Government sanctioned the posts of the above category in their Orders No.G.O.307 (P.W.D.) dated 16-2-43 and 1470 (P.W.D.) dated 23-5-44. I may also in this connection bring to the kind notice of the Government that the Government of Bombay have sanctioned the following posts for working out the Further Education Scheme alone - please see the papers forwarded with Education & Public Health U.O. No.40136 C.1/46-1 dated 25-7-46:-

- (i) One Secretary (Gazetted scale) on Rs.170-325 with Dearness Allowance of Rs.50/- per mensem.
- (ii) One clerk (80-95) with dearness allowance of Rs.26/- per mensem.
- (iii) One peon on Rs.17/- per mensem with Dearness Allowance of Rs.24/- per mensem.

4. According to the scheme of the Government of Bombay, it is observed that the Government of India is sharing one half of the extra expenditure with the Provincial Governments. The extra expenditure involved by the above proposal to the Government of Madras will therefore be practically nil. On the other hand the proposal will result in some savings as detailed below:-

Present cost.

1 Superintendent and one upper division clerk	
Scale	Average cost.
100-150	131½
55-100	81½
	212½

Proposed cost.

1 Superintendent on	Rs.175
1 Clerk on	100
	275
One-half of the cost debitable to the Government of Madras.	137½
Savings to the Government of Madras by the proposal.	212½ - 137½
	= 75½ per mensem.

I have the honour to be,
Sir,
Your most obedient servant,

SRK Savon

Director of Public Instruction,
Madras.

ps ante

The number of currents received in the War Section of my
office as a result of giving effect to the Further Education
Scheme sanctioned in G.O.No.1167, Education, dated 12-6-46,
from the date of the issue of the G.O. to the end of October 1946
is about 420. The number of currents received in the War Section
from July 1946 to October 1946 is 3045, i.e., on an average
760 papers per month. Previously, I informed the Government
in my letter R.C.No.2003 W/46 dated 5-7-46 disposed of in G.O.
No.Ms.1607, Education, dated 19-8-46 that the number of currents
received in the War Section during the four months March 1946 to
June 1946 was 2118, i.e., on an average 530 papers per month.
It will be seen from the above figures that there has since been
an appreciable increase in the volume of work turned out by the
War Section and that the number of currents relating to the
Further Education Scheme is sufficiently large. Proposals are
being submitted separately for the constitution of the Further
Education Board under the scheme and with its constitution, the
work of the War Section is not only bound to increase but the
Section will have also to turn out more onerous work and shoulder
additional responsibility.

2. While submitting the proposals contained in paragraph 3
of my letter R.C.No.151 W1/46 dated 26-9-46 for the sanction of
the Government I have offered full justification therefor. The
particulars furnished in para 1 supra will, I submit, all the
more justify my proposals. I may also point out that I have not
asked for an additional staff of one Superintendent on Rs.175/-
and a clerk on Rs.100/- to augment the existing staff of the War
Section but to sanction the posts in lieu of the existing posts of
one Superintendent (on Rs.100 - 150) and one clerk (on Rs.55 -
100) which would result in some savings to the local Government
as has already been pointed out. The cost of the above staff
inclusive of the cost of the scheme relating to Further Education
and Training of demobilised personnel will be shared equally by
the Government of India and the Provincial Government. In this
connection, I may once again bring to the kind notice of the
Government that the Bombay Government have sanctioned a Secretary
in the Gazetted ranks (Rs.170 - 325), one clerk (Rs.80 - 95)
and a peon on Rs.17 with a high rate of Dearness Allowance,
exclusively for work connected with the Further Education Board.

Establishment - Office of the D.P.S. - Staff
for the further education and training
scheme.

The work relating to the Further Education
and Training scheme for demobilised soldiers
is being dealt with in the war section of the
D.P.S. office. The war section consisted of one
Supt (Rs 100-150) and two u.d clerks (Rs 55-100).

1 of (t) In May last the D.P.S. reported that the work in
the section was very heavy and requested that
an addl u.d clerk may be sanctioned. The Govt.
accepted the need for strengthening the section and
(t) sanctioned an addl u.d clerk in No: 1607 Edn &
19. 8. 46 for a period of one year. So the war section
N now consists of one Supt (Rs 100-150) and 3 u.d
clerks (Rs 55-100).

H-1-2 of The D.P.S. now proposes that the pay of
the Supt and the addl u.d clerk may be
fixed at Rs 175 and Rs 100 p.m. respectively. The
reasons adduced by the Director in support
of the proposal are as follows: -

(1) The work of the Supt and the u.d clerk
is heavy, responsible and onerous

(2) the Govt. sanctioned similar salaries to the
Supt and one of his posts during the period
of the war and the present position is analogous
to the ~~positions~~ ^{that} during the war.

(3) the Govt. of Bombay have sanctioned the following
posts for work connected with the further education
scheme: -
