Station Madras, Dated the 22nd August 1946.From (Name) Dr. S.R.U. Saviour, M.A., D.Sc., I.E.S.,(Designation) Director of Public Instruction,
Madras.

To The Secretary to the Government of Madras,

Education and Public Health Department.
Fort St. George, Madras.

Sir,

In G.O.No. 2210(Education) dated 31st December 1945 as modified by G.O.No. 21988-A2/45-2(Education) dated 11.5.1946, Government had accorded sanction to the under-mentioned items of non-recurring expenditure during 1946-47 in connection with the opening of Natural Science group under Part III of the Intermediate course in Government College, Kumbakonam.

1. Apparatus and materials	Rs. 7,000/-	Rs. 12,600/-
2. Furniture and fittings	5,200/-	
3. Books	400/-	

The entire allotment for furniture has been spent. Orders for the supply of apparatus and materials and books to the full extent of existing sanction have been placed, and they will be received shortly.

2. The Principal reports that in view of the great rise in the cost of furniture, apparatuses and materials since the submission of the original estimates, it is not now possible to obtain with the above allotment even the minimum requirements of the Natural Science department. Gas, electric and water supply fittings, construction of a well and water sinks for conducting practical classes in Zoology and some more essential items of furniture, books and laboratory equipment for which orders could not be placed for lack of funds, are urgently needed to make the Natural Science department function in accordance with University requirements. An additional expenditure of Rs. 11,500/- is required for the purpose in this year.

3. The University has accorded only provisional affiliation for the Natural Science group under Part III of the Intermediate course. To confirm the affiliation, an Inspection Commission will be visiting the college shortly to report on buildings and equipment. The buildings are coming up and will be ready very soon, but the equipment provided for the department falls short of actual requirements. I therefore request that in order to equip the department adequately, Government may be pleased to sanction an additional expenditure of Rs. 11,500/- on the following items:

(i) Furniture, fittings and constructions ..	Rs. 6,200/-
(ii) Apparatus and materials ..	4,800/-
(iii) Books ..	500/-
Total ..	Rs. 11,500/-

4. The entire additional expenditure cannot be met from the funds placed at my disposal though some savings is anticipated under 'Laboratory charges'. I will apply for the necessary additional funds in due course.

5. I request the favour of early orders.

I have the honour to be,
Sir,
Your most obedient servant,

For Director of Public Instruction.

Roc. 908 A2/46 dated 28-9-1946.

Sir,

Sub: College - Government, Kumbakonam - Opening of
Natural Science group - Additional expenditure
on furniture, equipment etc.

Ref: Government Memo No. 48963-A/46-1 Edn., dated
3-9-1946.

The details of furniture, laboratory equipment and books required for the Natural Science Group in the Government College, Kumbakonam are furnished in the statements enclosed. The Principal has now slightly modified as shown below the distribution of expenditure on these items:

(i) Furniture.	Rs. 2,900
(ii) Laboratory equipment.	7,300
(iii) Books	500
Incidental charges and provision for price fluctuations.	10,700
Total.	800
	11,500

2. The details of the above items of expenditure are summarised below:-

(i) Furniture.

(a) Improvements to furniture already received.

Rs.
288

(b) Additional furniture not included in the original estimate.

2,603 (List I.B)
2,891 or Rs. 2,900

(ii) Laboratory equipment.

(a) Cost of 4 microscopes not included in the original estimate.

2,790

(b) Fresh items of apparatus not previously provided for.

2,021 (List III)

(c) Sinks, Water and gas fittings.

2,500
7,311 or 7,300.

(iii) Books - List. IV.

500

3. The Principal reports that the additional allotment of Rs.11,500/- is needed not to cover variations in prices but for items of expenditure none of which was provided for in the original sanction of Rs.13,800/- which amount has already been exhausted. The original estimates were framed roughly without expert advice long before the Assistant Lecturer in Natural Science joined duty in the College in July 1946. When he joined, he found the provision made for teaching the subject inadequate and it is to correct this deficiency that an additional allotment of Rs.11,500/- has become immediately necessary.

4. I request the early sanction of Government so that the Natural Science Laboratory may be adequately equipped before the second term.

My dear Subramaniam,

Ref: Government Memorandum No.48963 A/46-1 Edn.
dated 3--9--46.

Please see my letters Rc.908 A2/46 dated 22-8-46 and 28-9-46 asking for sanction to incur an additional expenditure of Rs.11,500/- on books, furniture, fittings and Laboratory equipment required for the Natural Science Department of the Government College, Kumbakonam. The several items of equipment proposed 3 months ago are indispensable for the department to function in accordance with the University requirements. The College suffers for want of equipment. The Principal reports that orders for the supply of some very essential items of equipment to the value of Rs.4,900/- have been placed in anticipation of the sanction of Government as the University Inspection Commission was to visit the College this term. The other items are also needed urgently. I would therefore request you to accord immediate sanction to the proposal and to approve the Principal's action in having placed orders in anticipation of sanction.

Yours sincerely,

S.P.K. Sivaraj
