Education and Public Health Department.

Sir,

Ref: Government Memorandum No.47276-C/45-1 Edn and Public Health Department dated 1st November 1945.

The W.A.C.(I)s after demobilisation could be fitt into the scheme of training of young wives and widows of soldiers sanctioned in Government Memorandum No.30658-C/45-6 Education and Public Health dated 13-11-1945 if they are available immediately and their probable number known; otherwise they could be fitted into the general scheme of training of teachers in connection with the post-war development plan. The W.A.C.(T) personnel may be granted the special concessions authorised in G.O.No.Ms.1284 Edn and Public Health dated 22-8-45. It does not seem necessa to grant them residential scholarships as in the case of young wives and widows of soldiers.

needlework and tailoring and of music. A training centre in each of these subjects will have to be started to each language area. Her suggestions deserve support especially as teachers qualified in these subjects will be required to staff schools introducing such vocational courses under the bifurcated secondary school course. The minimum general educational qualification for training should be the possession of a degree (B.A. or B.Sc.) as these teachers are to teach these subjects in Forms V and VI of a Secondary School. Details in regard to bifurcated courses are being worked out in consultation with the managements and they will be submitted to Government ~~with the~~ for sanction in due course. Extract of letter No.SRM/6A dated 4th October 1945 from the Services Resettlement Liaison Officer, Rutland House, Spur Tank Road, Egmore, Madras to the Deputy Secretary (Public).

Ex-service WAC(I)s - preference in appointments as telephone operators, clerks, stenographers, inspectresses of schools, etc.

...

Ref:-G.O.s.Nos1070, dated 27-5-40, No.777 dated 7-3-44, No.3139 dated 23-10-44, No.265, dated 26-1-45 and No.106, dated 11-1-45

...

As discussed with the Chief Adviser at a meeting this morning at which you were present, the subject of availability of appointments under the PWR schemes of the Madras Government for ex-service WAC(I)s is veryimportant. I have during the last three days, addressed the whole of the WAC(I)s at present stationed in Madras, approx.450 in number, and their queries fall under the following two headings:-

(a) Training for civil employment, and
(b) Types of civil employment available for them.

A | 2. As regards (a) they were interested in domestic science and economy, dressmaking, journalism etc.

3. As regards (b) they wanted to know whether Government would give preferences in reserved vacancies similar to those enjoyed by men of the Services,

3. The Chief Adviser took a note about this subject, and promised that he would look into it and furnish me with a reply. I therefore request that the whole subject be examined with sympathetic consideration in view of the fact that, out of the large number of women in India, these girls had come forward to aid the war effort. The G.Os cited would be very helpful if preference was given to the WAC(I)s. Similarly other posts might be made available, if some sort of a directive was given as to whether they could be fitted in without upsetting the existing fabric of Government.

Extracts of A.1's minutes from file re. P.W.R. - Measures taken so far for resettlement and re-employment of demobilised service personnel.

xx xx xx xx

Col. Travers raised two points regarding WAC(I)s. We have thrown various posts to women, for instance in G.O.No.1070 and 358. We do not seem to have stated that preference is to be given to ex-service women in filling these posts. Orders may be issued that we shall do so. Secondly Col. Travers pleaded for facilities for training in domestic science for WA.C.(I)s. This may be considered. A

D.N.S.

Pub (Coordination)

The matter for consideration in this file is
S.R.L.O's proposal and the A1's minute thereon, in
portions marked A above regarding the provision

of facilities for the training of ex-service WAC(I)s in Domestic science and economy, Dress making etc. So far, this Dept. have not prepared any specific scheme for the purpose. It may, however, be stated here that the I.W.C.C. provides instruction for its members in Domestic Science, Handicraft and needle (work) craft, etc. among its various other activities. But it is not known whether the instruction imparted at the I.W.C.C. centres is of a standard calculated to equip members of the WAC(I) for a career after demobilization which seems to be the intention of the S.R.L.O's suggestion.

Before consulting the Commandant, IWCC., as to the facilities available for the training of WAC(I)s in her organization, the D.P.I. may be requested to offer their remarks as to whether this class of persons could be fitted into any of the training schemes for women under their consideration.

The notes on pp1-2 above may be perused. There are now two training schemes under consideration in this Dept, one for the training of demobilised soldiers and the other for the training of young wives and widows of soldiers. In the latter case the proposals are for giving concessions to them (1) for training as teachers and (2) for completing courses for general education so as to make them fit to undergo teachers' training. In ~~both~~ the case of men, as the admissions to the regular courses of training in the current school year have been closed, ~~it is proposed to ask the~~ the D.P.I. has been asked to submit proposals very urgently for the opening of special training courses in Govt. Training Colleges and

Schools so as to enable these men ~~and women~~ to take up their studies in the current year itself without waiting for admission in the Training Schools next year. In the case of wives and widows of soldiers it is proposed to adopt a similar procedure.

2. The D.P.I. may be consulted as to whether the demobilised WAC(I)s could be fitted into the Training Scheme for the young wives and widows of soldiers. Draft submitted.

ES 26-10-45

The scheme referred to at A above is for the training of young wives and widows of soldiers as teachers and it is doubtful whether the WAC(I)s who want training in domestic science and economy, dress making, etc can be fitted into the scheme. The draft may issue with the addition made.

The file relates to the examination of the question of resettlement of the members of W.A.C.(I) personnel. The D.P.I. was consulted as to whether the scheme for resettlement of W.A.C.(I) personnel could be fitted into the scheme for training of young wives and widows of soldiers. It may be mentioned here that the E & P.H. Department have dropped the question of undertaking any special scheme for the training of young wives and widows of soldiers. Orders have however been issued in G.O.No.1182, Edn. dated 15-6-46 that preference should be given to young wives and widows of 'soldiers' in the matter of admission into the existing training schools for mistresses. Hence, the question of fitting the scheme for W.A.C.(I) personnel into that of the training of young wives and widows of soldiers does not arise.

2. The D.P.I. enquires whether in view of the negligible number of the W.A.C.(I) personnel that Madras will have to resettle, it is necessary to pursue the question of undertaking any special scheme. There seems to be much force in the argument

See para 2 on p 32 c.f.

put forward by the D.P.I. ~~e~~specially as a number of vacancies in Government service would be available for the W.A.C.(I) personnel. It is, therefore for consideration whether the proposal for a special training scheme for the W.A.C(I) personnel may be dropped.

3. Reference is invited to the statement furnished by the S.R.L.O. on p.38 c.f. It will be seen therein that only 24 persons desire training as teachers. It appears that no special scheme (will be necessary) for the training of 24 persons, ~~will be necessary~~. It would also appear to be sufficient to provide facilities to the members of the W.A.C.(I) personnel analogous to those provided for young wives and widows of soldiers. It is, however, submitted that the letter of the S.R.L.O. on p.36 c.f. is addressed to the D.P.I. The file may lie over to watch whether any proposals are made by the D.P.I. He may be reminded on ~~15-8-46~~ 31-8-46 if no communication is received by that date.

1. Prima facie there seems to be no case for a special training scheme for the W.A.C (I) personnel but they may be given preference in the matter of admission into the existing training schools and given stipends & scholarships. The D.P.I may be asked what action he is taking on the S.R.L.O's letter on page 36 CF. Pl. put up draft.

2. In another file Development proposes to give training in weaving, dressmaking and embroidery to young wives and widows of 'soldiers' and to pay them stipends at Rs 25 each p.m. The total number proposed to be trained is 42 per annum. Dev. may be requested to consider

Sir,

In this connection I would like to inform you that I forwarded my B.T. Training application to the Principal, Lady-Willingdon Trg: College, Triplicane, Madras, in April 1946, with a view to undergoing the same Trg: from July 1946 to March 1947, and I was likely to get a seat in July.'46, but I could N't get my Release before July.'46 and further there was no hope of getting the same before Dec.'46, and, as such, I informed the above mentioned Principal Not to Reserve a seat for me for the year 1946. Now it is definitely published that I will get my Release in Dec.'46.

In view of the above mentioned circumstances, May I request you to kindly send in my application, forwarded to you direct by the Secretary, to the Govt: of India, to the Principal, Lady Willingdon Training College, Madras, and make the necessary arrangement for the Reservation of one B.T. seat (old L.T) atleast for the year July 1947 to March 1948 and oblige.

I wish to take up only the B.T. Training in the above mentioned college and not any other training elsewhere.

I am a graduate of the University of Madras and a Govt: Servant in the Educational Department of the Madras Govt. (in the City of Madras). My mother tongue is TAMIL.

Thanking you in anticipation.

I beg to remain,

Sir,

Sub: War -W.A.C.(I) - Concessions for undergoing training as teachers.

P48 CF/

In G.O.No.317 Edn dated 24-2-1947, Government have sanctioned some concessions to demobilised members of W.A.C.(I) who are natives of this Province. Government have not prescribed any conditions under which such concessions should be granted to them. I presume that the condition prescribed in section III of the scheme for the Further Education in India of Ex-service Personnel appended to G.O.No.1167 Edn dated 12-6-46 viz. service personnel who applies for concessions should have had at least 6 months approved military service between 3-9-1939 and the date of declaration of termination of the War applies also to members of W.A.C.(I) who apply for the concessions sanctioned in G.O. No.317 dated 24-2-1947. I request you to let me know whether ~~any~~ my presumption is correct.

A very early reply is requested.

The presumption raised by the D.P.I. in his letter ~~at page nnn~~ overleaf ~~is correct. The G.O. p.II~~ should be held as correct, for the condition referred to at 'A' overleaf appears to be necessary. The D.P.I. may be informed that the condition referred to by him may be imposed. Public and Finance may see.
