With a view to developing effectively the Physical Education programme in Elementary Schools, where the foundation for physical education should be truly laid, it has been decided to hold for the present refresher courses in Physical Training to pupils teachers undergoing training in Secondary and Higher Elementary Training schools lasting for 4 weeks or at the most six weeks. Accordingly the Regional Inspectors of Physical Education are conducting the refresher courses in various centres in their jurisdiction. With ref. to Rule 38(1) of the M.T.A.Rules, Government servants on tour are eligible only for 3/4th of the daily allowance for stay in one place in excess of 10 days. The Regional Inspectors of Physical Education have represented to me that such a restriction of the daily allowance is a great hardship to them especially in these difficult days. I am convinced that the hardship is real and that in view of the fact that the overstaying of the Govt. servant in the interest of Public Service, and is unavoidable it is not fair to restrict his daily allowance to 3/4th rates. I consider that some distinction should be made between

: 2 :
 overstayed of an officer in a place i.e. for more than 10 days, when he goes on normal inspection duty and that made on special duty which cannot be finished within 10 days. I have therefore the honour to request that the period spent by the Regional Inspectors of Physical Education for conducting refresher courses may be exempted from the operation of Rule 33(1) of the Madras Travelling Allowance Rules just as the period of duty of some officers of the other departments. (Vide annexure IV of the M.T.A. rules) so that they may draw full daily allowance for all the days.

B. S. Srinivas
 for Director of Public Instruction.

CF C-79000/16 from the D.P.I. No. 13136 F.1/46 dt 19.12.46.

For the reasons stated in his letter at pp 1-2 CF, the A.P.S recommends that the Regional Inspectors of Phy. Edw. may be exempted from the operation of rule 38 of the M.T.A. rules, while conducting the Refresher courses for Secy and High Sch. Trg. Schools, so that they may draw full daily allowance for the duration of the ^{Course}. The proposal seems reasonable and it may be supported in this dept. The file may sent to the Fin. dept. u.o.

Please see the reference from the D.P.I and the F.P.H Dept. note above. The D.P.I. recommends full D.A. to the Regional Inspectors for the whole period of their stay ~~for~~ of 4 to 6 weeks in connection with refresher courses conducted by them. The proposal has been supported by F.P.H.

p 28 of P.A. No 116

p 29 ibid

Under Rule 39(a) of the M.T.A. Rules, after a continuous halt of 10 days duration, the halting place shall be regarded as the Govt. servant's temporary headquarters and under rule 33(1) a daily allowance may not be drawn for a continuous halt of more than ten days at any one place provided the head of the Department may grant

under certain circumstances, the allowance at rates not exceeding three-fourths of the ordinary rates for the period in excess of 10 days up to 30 days. This rule has been relaxed recently in certain cases. On representation made, the Chief Auditor, State Trading Scheme, was permitted in G.O. 6 Food dated 4-1-47 to allow his staff to draw D.A. at full rates for the first 30 days and at 3/4 rates for the remaining period in excess of 30 days. Following the above precedent the Regional Inspectors of Physical Education may be allowed D.A. at full rates for the first 30 days and at 3/4 rates for the remaining period exceeding 30 days.
