Municipal Council, Tanjore.

Submitted.

2. The amounts shown against "Collection charges" on the receipts side both in the Revised Estimate for 46-47 and Budget Estimate for 47-48 should be transferred to the expenditure side and shown against "Education tax-collection charges" under "1.Staff."

3. Budget Estimate for 47-48. The credit taken for Government grant under Section 37 of the Madras Elementary Education Act is liable to revision with reference to the actual amount of education tax realised and adjusted to the fund during 1946-47.

4. The total expenditure under "ordinary" has been wrongly struck down. The correct total is Rs.48290/4.

5. The one single teacher Boy's School should be developed into a plural teacher school at an early date.

6. The accommodation^{provided} for 2 boys' schools is inadequate and unsuitable. Four girls' schools are housed in buildings defective in one way or another. The Council should take steps to house these schools in better buildings.

7. Most of the boys' schools are in need of additional equipment.

8. The usual summary and the establishment schedule have not been sent.

9. Leave salary and dearness allowance are paid.

B.E. - 1947-48 - E.E. fund - Ill. cl. Tanjore.
From the D.P.I. R.O.P. No. 68 B3/46-47, d/29.12.46.
The R.E. for 1946-47 and the B.E. for 1947-48 of the E.E. fund of the Ill. cl. Tanjore, call for the following remarks.

2. R.E. for 1946-47. (i) While passing orders on the E.E. fund budget of the cl. for the current year, the cl. was asked to adjust a sum of Rs. 1,565 from the A.T.C. Grant in order to avoid a deficit in the E.E. fund. No credit had been taken under this head in the R.E. This is because the R.E. is able to close with a surplus even without taking credit for this amount. (ii) Provision has been made for the payment of the arrears of dearness allowance to the E.E. staff.

(iii) The R.E. is expected to close with a balance of Rs. 15,457.

3. B.E. for 1947-48. (i) The credit taken under the head "Contributions from the Gb. funds" is Rs. 7,000 as against Rs. 22,500 the amount provided in the sanctioned budget for 1942-43. The D.P.I. has stated that the accommodation provided for two schools is inadequate and that four schools are in housed in defective buildings. Most of the schools are reported to be in need of additional equipment. He had also pointed out the need for the appointment of additional teachers. To meet these items of additional expenditure, the cl. may be asked to increase the contribution from the Gb. funds from Rs. 7,000 to Rs. 22,500, the usual contribution. L.A. may see.

(ii) Provision has been made for a sum of Rs. 5,000 under the head "Capital expenditure". The need for this expenditure has been stated in para 4 of the Commr's letter on p 3 c.f. The provision made may be allowed to stand.

(iii) Referred with reference to the

el Bud II

suggestion on plants, the B.E. is expected to close with a balance of Rs. 15,657.

p. 70

4. The cl. was not granted any subsidy for the payment of the dearness allowance to the E.E. staff either during the current year or in the previous year.

5. A draft order is submitted. R.A. may see before issue.

2. Portion marked A. on p. 1 above. The contribution from the general Account to the Ed. Edu Act can be increased by only Rs 5576. If this is done the General Act for 47-48 even after adjusting the entire ^{Av. T. C.} will close with just the prescribed min. balance. The EXP. H. Deptt may be requested not to insist on the further increase in the contribution from the General Act to the Ed. Edu Act in view of the position of the General Act explained above and in view of the fact that with the proposed contribution the Ed. Edu Act for 47-48 will close with a balance of Rs 5733. With these remarks the file may be returned to EXP. H. Deptt.
