Public Health Department, MADRAS.

Sir,

Sub:--EDUCATION--Evacuee Student-Miss Daisy Jayapaul-Financial
Assistance for 1946-47.

I enclose an application received from the above evacuee for University allowance for the academic year 1946-47. The applicant is now studying in the III University Class in the Holy Cross College, Trichy. A sum of Rs.148/- was granted to her for the year 1945-46 when she was in the second University Class in the Government of India's letter F.19(198/45E(ii) dated 4-3-46 communicated with G.O.Ms.553 Education dated 12-3-46. The Principal has endorsed her application and the Tahsildar, Trichy has recommended the grant. The applicant's father, Mr. Jayapaul is now drawing an invalid pension of Rs.83-10-0.

While in Burma, he was an accountant in the office of the Controller of Military Accounts on a salary of Rs.250/-. He says that his premature retirement was due to evacuation and heart disease. According to G.O.Ms.1223 Education dated 20-6-46, the financial position of each individual student has to be reviewed in the light of the changed circumstances now prevailing in the Far Eastern Territories; and assistance given only in these cases where the evacuee students have not yet been able to fall back on their preevacuation resources. In this case the father of the applicant has retired after invalidation and hence he can never regain his original job or status. But he has agreed to repay the advance, if granted, in monthly instalments of Rs.5/- from his pension. If the allowance is to be granted, it might take more than two years to recover the amount and hence it is doubtful whether the allowance can be granted. I therefore solicit instructions.
