Sir,

REF: Government Telephonic Message dated 1.2.47.

I have the honour to state that the posts of Assistant Lecturer in Natural Science, Demonstrator and Attender were sanctioned in connection with the opening of the Natural Science Course under Part III of the Intermediate course in the College. The Natural Science course is still continued in the college and it is therefore necessary to continue the above posts. The post of Assistant Lecturer in English was sanctioned consequent on the increased admissions in the college due to the opening of the Natural Science course. I furnish here under the strength of the College during the last 3 years.

The opening of the Natural Science and B.Sc. courses in the College have increased the strength of the College and it is necessary to continue the temporary post of Assistant Lecturer in English. With regard to the Library Attender, the Principal reports that the Library of the College has expanded considerably and it is therefore essential to continue the post of attender. (7)
