Sir,

Sub:- Law College, Madras - Employment of a Physical Director -

I have the honour to request that Government may be pleased to sanction the employment with effect from 1-9-46 of a Physical Director in the scale of Rs.70-10/2-130 in the Law College, Madras.

2) The College had so far no playground of its own, but the Registrar, Madras High Court, has recently assigned the entire south Western corner of the High Court as a play-ground for the college. One of the conditions attached to this assignment is reported to be that the Madras xian College High School and the Y.M.C.A. should/subject to the control of the college. I am asking the Principal to accept the offer of the Registrar.

3) The Principal reports that the ground requires to be improved and properly laid out and fenced and for this he requires a special grant of Rs.5000/- I request that a sum of Rs.5000/- under "petty construction and repairs" may kindly be sanctioned.

Sir,

Sub:- Law College, Madras - Employment of a Physical Director.

Ref:- Government memorandum No.48407 A/46-1, Edn.,
dated 31-8-1946.

pp 3-4 ante

I have the honour to furnish the particulars seriatim:-

(1) As the College till now did not have a proper playground no proper arrangements have been made for games facilities for the students.

(2) a member of the staff has hitherto been in charge of supervision of the accounts relating to games which in the main consisted of tennis and participation in inter-collegiate competitions. As the college has now secured a playground it is necessary to have a qualified physical Director to organise the games activities.

2. With reference to paragraph 2 of the memorandum the Principal reports that both the Madras Christian College School and the Y.M.C.A. have expressed their inability to contribute towards the expenditure on the laying out and fencing the playground. I enclose copies of letters received from the Principal and the C. Secy.

3. In the circumstances I request that sanction may be accorded for the employment of a Physical Director and for the laying out of the playground.

I have the honour to beg,
Sir,
Your most obedient servant,

Copy of letter dated 17th September 1946 from the Head master, Christian College School, Madras, to the Principal, Law College, Madras.

"I have received your letter dated 16-9-1946. I had understood that the entire area in question has been allotted as playgrounds for the Law College and that the Y.M.C.A. and we were permitted to use the ground by special arrangements with the Law College.

We are planning to shift our school from George Town in the course of two years and therefore, it may not be worthwhile for us to share in the fencing of the playgrounds. I would add that if you would like us to take a share of the cost of fencing we shall have to request the Government to give us half grant according to the Grant-in-aid Code."

p.t.o.

Copy of letter from General Secretary, Y.M.C.A., Madras dated 17th October 1946 to the Principal, Law College, Madras.

"We have received your letter of the 16th September regarding the Y.M.C.A. meeting part of the cost of laying out the new playgrounds in the High Court compound. Our Board of Directors have considered this matter and we are sorry that we are unable to make any contribution towards this expenditure. First of all, we must inform you that we lost quite a bit of money on the old playground which the Government took away from us after we had rendered useful service for 40 years to the community in general and to our members in particular. Secondly the financial position of the Association does not permit spending any money on laying the new ground for which we cannot lay any claim. All that we are asking you for is to allow our members use your ground whenever it is not needed for your purpose.

Thanking you in anticipation,"

The proposal in the file is
 to appoint a Physical Director on 70-130 in
 the Law College, Madras and also to sanction
 an expenditure of Rs 5,000 for laying out
 and fencing of the play-ground assigned to
 the College by the High Court. Please see the
 Correspondence in the CF. The extra cost
 involved is Rs 1472 p.a recurring and Rs 5,000
 non-recurring.

2. It is proposed to implement
 the proposal in the current year. Although the
 Madras Christian College and the Y.M.C.A. are
 will have to be permitted to utilise the play ground
 assigned to the Law College, they are not
 willing to share any cost. At present

of the staff is looking after ^{accounts relating to} the games of the
 students. This may continue for some
 more time. The proposal in the file
 does not seem to be so urgent for
 introduction in the current year that its
 postponement would hamper the efficient
 running of the Law College - Vide
 the criteria fixed in P.W.Duo No 34495 BC-1
 of 2.10.46 for admission of fresh expenditure
 in the current year. This department
 may, therefore, strongly advise that the
 proposal may be deferred for the present
 but as a playground has not been secured
 it is now proposed to have it out properly at a
 cost of Rs 5000 and also to employ a Physical
 Director on 70-130. Apparently the games
 activities of the Law College were not
 well maintained only to tennis and participation

Re.No.128 A2/47., dated 15th September 1947.

Sir,

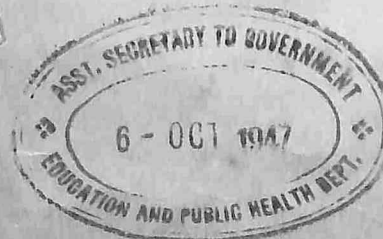

* SUB:- Law College, Madras - Laying out and fencing
the playground - Sanction of expenditure.

REF:- G.O.No.35 Edn., dated 9-1-47.

In their order No.35 Edn., dated 9-1-47 the Government sanctioned an expenditure of Rs.5000/- in 1946-47 on the laying out and fencing of the playground assigned to the Law College in the High Court Compound. As this work could be taken up only after the Physical Director had joined duty; it was not completed and paid for before 31-3-1947. The provision made for this purpose in the Budget Estimate for 1946-47 was not therefore utilized and was surrendered in my letter Rec.128 A2/47, dated 1-3-47. The Principal, Law College was permitted to proceed with the work on the Physical Director joining the College. The Physical Director has since been instructed.

2. The Principal reports that the work of laying out and fencing the playground is held up for want of sanction in this year. I therefore request that Government may kindly sanction afresh an expenditure of 5000/- (Rupees Five thousand only) in the current year for the above work. The expenditure is debitable to the head "37(d) - Edn. - University - Government Professional Colleges - A. Law College - (d) A2- Other charges - Voted".

3. There is no provision in this year's budget to meet the expenditure. I shall apply for the necessary additional funds in due course.

in inter-collegiate activities - para 1(a) in 1947. On the
leaving a proper playground it is now considered that
it should be properly equipped & Physical Director
should also be employed. The proposal was sent

directed to Mr. S. R. U. Savor, M.A., D.Sc., I.E.S.,
Physical Director, Madras. The proposal was
approved in the first instance & given
the sanction of Rs. 5000/- in the Budget Estimate for 1946-47.

I think the Law College will require 6
acres of land for the purpose. The proposal was
accepted.
