Typewriters - Addl requirements for 1946-47 -

Sanction for.

In respect of the typewriter requirements of the Govt for 1946-47, sanction was accorded to the placing of an indent by the Sgt on the C.P.O., India, for 185 typewriters consisting of 125 F'cap size, 40 Portables, 10 Brief size and 10 Policy size. When this supply was exhausted, sanction was accorded to the placing of a supplemental indent on the controller for an additional 185 typewriters consisting of 125 F'cap size, 20 Brief size and 40 Portables. The Sgt has again addressed Govt for placing another supplemental indent on the controller for 150 typewriters consisting of 100 F'cap size, 20 Brief size, and 10 Policy size and 20 Portables for use during the remaining period of the cy year. The Sgt may be permitted to place another supplemental indent for 150 typewriters with the controller though the need for it is not apparent now that the Typewriter Control Order 1943 has lapsed on 1.10.46. The Govt, Dept of Works, Mines and Power have however stated that the requirements of typewriters of Orissa and Indian states Govts will continue to be met as at present, and the Sgt may be asked to ascertain from the controller whether an indent should be placed with him as formerly even after the lapse of the Typewriter Control Order and whether supply could not be obtained direct from the firms.

2. The Sgt requests sanction for the purchase of 9 Royal portable typewriters "A" model at Rs 360/- each and one new Royal Magic margin brief size typewriter with metal case and base board at Rs 785/- from Messrs. Addisons Co Ltd Madras as the typewriters are required urgently for supply to Officers. The prices quoted by the firm

In view of the urgency to get the machines for meeting the demands of officers and the likelihood of delay involved in getting the supply from the Controller, the proposal of the Sgo to purchase 9 Royal portable typewriters 4 model at Rs 360/- each and one new Royal Magic margin brief size typewriter with metal cover and base board at Rs 785/- from Messrs Addison & Co Ltd Madras may be accepted.

It does not appear that the Govt. should now order the purchase of Royal Portable typewriters 'A' model at Rs 360 and 1 new Royal Magic margin brief size typewriter for Rs 785 in view of their high cost.
