Indian Mercantile Marine Training Ship "Dufferin"

1. To obtain suitable candidates from British Indian Subjects or Subjects of a Ruling Prince in India for the Indian Mercantile Marine and to train these in such a way that they may with confidence be expected to follow the sea as a career, and be fit in all respects to hold their own as good and efficient Officers, Executive or Engineering.

To attain this result, it is necessary:—

(i) To bring each Cadet up to an educational standard which will enable him to continue his own education at sea in the case of Executive Cadets, ashore and afloat in the case of Engineer Cadets, and so eventually to pass the Government Examination for Certificates of Competency as Masters and Mates or Engineers in the Mercantile Marine.

(ii) To bring each Cadet to an educational standard so that, should he elect not to follow the sea, his education on board will stand him in good stead, whatever profession he desires to follow. (See paragraphs 11 and 12 below.)

(iii) To give all Cadets a training to fit them to take their place as Officers, and to face with fortitude and endurance the hardships inseparable from life at sea; such an end to be attained by the actual life on board the Ship, by manual work, by strict discipline and by causing them, as far as possible, to take responsibility in minor matters whilst yet boys.

(iv) To give all Cadets a social training which will enable them to move in confidence in any society without embarrassment either to themselves or to others.

(v) Through the supervision and example of a carefully selected Staff to imbue all Cadets with a sense of loyalty, patriotism, manliness, devotion to duty and self-sacrificing spirit of service, together with a healthiness of mind and body such as will render them true and useful servants and citizens of India and the Empire.

2. This training is given under the direction of the Captain Superintendent who is a Captain of the Royal Indian Navy. He is assisted by 3 Executive Officers, 2 Engineer Officers, 1 Head Master and 6 Assistant Masters.

3. The course lasts three years, during which time the Cadets are in residence for eight months in the year.

4. The fees are Rs. 50 plus Rs. 10 for extras for each month of residence, and the cost of uniform on joining and upkeep. The fees are payable strictly in advance.

5. After completing the course, Executive Cadets proceed to sea as apprentices in Shipping Companies, the initial expenditure incurred at that time being about Rs. 700 to Rs. 1,000.

6. Engineer Cadets proceed to certain approved Dockyards or Workshops as apprentices for further training prior to going to sea as Engineer Officers.

7. About 31 scholarships—government and private—are available to Cadets of either branch while training on board the "Dufferin", and also about 15, while serving as apprentices in the case of Engineer ex-Cadets.

8. Three private scholarships are also available to Executive ex-Cadets during their apprenticeship at sea.

SPARE COPIES _____

Ref: Govt. E & P.H. Memorandum No. 10524 A.2 Edn., dated 14-3-1946.

With reference to the Govt. Memo cited above I have the honour to submit herewith the indemnity bond for Rs. 1218-1-0 executed by Mrs. P.P.S. Chellammal, the legal heir and widowed wife of the late Sri P.P.Subrahmanya Sastri, Professor, Presidency College, Madras. The amount specified in the bond represents the arrears of pay and allowances due to the late Professor. The Principal, Presidency College, Madras, who was requested to disburse the amount due to the legal claimant to the extent of Rs. 500/- has not done it. As Mrs. P.P.S. Chellammal herself has not objected to the execution of the indemnity bond for the whole amount due, and as the interests of the Government are safeguarded to a greater extent, I submit that the amount specified in the bond needs no alteration.

2. Though the legal claimant was requested to execute the bond with two sureties, she has executed it with only one surety. The Principal, Presidency College, Madras, states that Sri P.P.Ramabhadran, who stands surety in this case is the brother of the late Professor P.P.Subrahmanya Sastri and is a Gazetted Provincial Officer. In view of the fact that the surety is the next kin to the deceased Officer and is a responsible Gazetted Officer of a Province and as the matter has been pending for a long time, I recommend that two sureties may not be insisted upon and that the indemnity bond executed with one surety may be accepted by Government and that they may be pleased to order the disbursement of the amount due, to Mrs. P.P.S.Chellammal, the widow and legal heir of the late Sri P.P.Subrahmanya Sastri.

There cannot, it seems, be any objection to complying with the D.G.I.'s request ~~at~~ in para 3 of C.F. 1, for the following reason: The indemnity bond executed by the widow of the late Prof. P. P. S. Sastri was for Rs. 1,218-1-0. That sum represented the entire amount due to her. Out of that, Rs. 500 could have been disbursed to her, in the first instance without ^{getting} any 'security' — vide H.F.C. Article 80(b)(1) — and it would have sufficed if the indemnity bond covered only Rs. 718-1-0. The addl. sum now found to be due to the late Professor is very small (Rs. 20) & does not exceed Rs. 500. under Art. 80(b)(i) of M.F.C. Vol. I, pay etc. due and claimed on behalf of a deceased Govt. servant may be paid without the production of the usual legal authority up to a limit of Rs 500. An indemnity bond will be required only for the payment of the amount in excess of Rs 500. In the present case, the amount due to be paid to the widow of the deceased professor was found in the first instance to be Rs 1218-1-0. under Art 80(b)(2) of the M.F.C. Vol. I, it would have been sufficient if she had executed an indemnity bond for Rs 718-1-0 (ie, amount in excess of Rs 500). But she executed an indemnity bond for the entire amount of Rs 1218-1-0 and the amount was duly paid to her. As it is now found that an additional amount of Rs 20/- is still due to the late Professor, there seems to be no objection to disburse the amount to his widow without requiring her to revise the indemnity bond already executed by her.
