No. Mis/S.B.C.

Dated 24th February 1947.

Sir,

Sub:- Government Press - Temporary Staff - Sanction requested for additional work involved in the grant revised scales of pay.
Ref:- G.O.No.78 (Tin.) dated 6-2-1947.

I have the honour to state that for the purposes of fixation of pay in the Revised scales of pay and the preparation of necessary proposition statement, it is very essential to verify the extent of service in the existing scale that would count for increment in the Revised scales of pay in the case of nearly 1800 employees of the Press.

2. As the work in the Establishment Section has too abnormally increased to cope with even the routine urgent works by the existing staff, a major portion of it is inexperienced, special arrangements have to be made to verify the service of such a large number of workers and to fix their pay in the revised scale. The work connected therewith involves also assumption of great responsibilities with financial implications.

3. I request therefore that Government may be pleased to sanction with immediate effect for a period of six months the following temporary staff to enable me to make preliminary arrangements in order to obviate delay in the commencement of the regular work of fixation as soon as detailed instructions are received from the Accountant-General and to attend to all correspondence connected therewith.

One Accountant on Rs.140-5-190.

One Upper Division Clerk on Rs.80-3-95-5-125. 109.5 + 194

Government Press - Temporary staff for work connected with the grant of revised scales of pay.

C.No. 15473.

From the S.G.P. No. Mis/S.B.C. dated 24-2-1947.

Please see the letter from the S.G.P. in the c.f. in which he

applies for the employment in the Press of a temporary staff of one Accountant and one U.D. clerk, for a period of 6 months for work connected with the revised scales of pay recently sanctioned in G.O. No. 78 Fin. dated 6-2-1947. In para 6 of the G.O. the A.G. has been asked to issue instructions as to how the pay of the non-gazetted staff affected should be revised. After these instructions are issued it should not be difficult for the existing staff in the Press to fix the pay of the employees in the Press in the revised scales. As however, the S.G.P. says that the service in the existing scales of about 1,800 employees has to be verified before fixing their pay in the new scales, it is for orders whether the temporary staff asked for by the S.G.P. may be sanctioned.

The file may be sent to Finance for remarks.

On the revision of pay sanctioned in G.O. No. 78 Fin. & 6-2-47 the SGP considers that a temporary staff is necessary for the Press to work out the verify the service etc & fix the pay in the new scales for nearly 1800 employees in the Press. The temp staff needed for is

	DA	MHA	7M
1 Accountant 140-5-190	178-3	30.	25 228
1 U.D. 80-395-5-125	109-3	19	15 142

Presumably the SGP has satisfied himself that the existing staff in the Press

agents to the work & in view of the agency
expected for dealing with the reparation
of an on account of the revision the dept
may perhaps agree to the staff proposed.

The kind of employment, however, viz
Six months is obviously too long. It should
be possible to finish the work in 2 or 3 months. /P

The dept may accordingly suggest that
the above staff be employed for 3 months in the
first instance /P

With the above small the case may
be referred to E.H.
