No. C1 - 1206 of 47 dated 20th January 1947.

Sir,

Sub:--Buildings--Rent free buildings--Repairs--Maximum
limit--Enhancement of--orders--solicited.

Ref:--G.O.No.1149, Education dated 24-6-1940.

G.O.No.2205, Education dated 29-12-45.

In G.O.No.2205, Edn dated 29-12-45 the Government
permitted an increase in the limit of expenditure on each of
the rent free buildings temporarily. But the conditions viz.,
the increase in the price of materials and labour charges
have worsened, very little could be done by way of repairs
even up to the increased limit.

Further the rent free buildings in this district
have become too rickety especially after the recent heavy
rains necessitating the immediate execution of extensive
repairs to several buildings. The estimates received from
the Engineering section so far reveal that a minimum amount
of Rs.300/- is required to execute necessary repairs on
each of the rent-free buildings.

P.T.O.

- 2 -

I, therefore, request that the government be pleased to permit to incur an expenditure of Rs.300/- on each rent free building till normal conditions set in. Otherwise the buildings in question may become unfit for further use involving withdrawal of recognition by the Inspecting officers.

Necessary provision has been made both in the revised estimate as well as in the Budget estimate for 1947-48 for the execution of repairs at the enhanced rates which are in urgent need of repairs.

Very early orders are solicited.

Through
Sir,

Subject:-Elementary--Education-Local Bodies-Rent free buildings-Repairs maximum limit-enhancement-requested.

[Handwritten: 1/1-20/1 @] In their order No.2205 E. dated 29-12-45 the Government were pleased to increase the maximum limit for the repairs of the rent free buildings where Elementary schools are located to Rs.200/- per annum temporarily in view of the increase in the price of materials and enhanced labour charges and the time limit was fixed for one year. Now the price of materials and the labour charges have increased further and it is found very difficult to carry out repairs to rent-free buildings even with Rs.200/- for a building and it is also equally difficult to secure rented buildings for locating the schools. Unusually there were heavy rains in this district in this season and many school buildings have become leaky and the walls have fallen down in some schools. An estimate for Rs.400/- for the repairs to the Maduvakkulam Board Boys school which is a rent free building has been received from the District Engineer and I am unable to order the carrying out of the entire repairs because of the limit prescribed in the above Government Order.

In these circumstances I request that the Government may be pleased to increase the maximum limit for the repair charges and extend the time limit till the conditions return to normal.
