Roc.No.4356-E3/46 dated 17-9-1946.

Sir,

Scholarships - B.O.L. Women Students.

Ref: G.O.No.Ms.1602 Edn., dated 19-8-1946.

I have the honour to state that the G.O. requires
revision for two reasons: --

(1) The only graduate course mentioned in the G.O.
is the B.O.L. Languages are studied in Hons.courses and
in B.A. (Part III languages) also. So these courses also
should be included. As a matter of fact the Andhra University
has no B.O.L. of the Madras type and has only Hons. courses.
The same is the case with Annamalai University also. For this
reason also these courses will have to be included as well.

p.t.o.

: 2 :

(ii) It is presumed that by "Andhras, Tamils, Malayalees and Kanarese" what is meant is that these scholarships are to be awarded to the extent stated in the G.O. for the study of Telugu, Tamil, Malayalam and Kannada. In that case Urdu also will have to be provided. As a consequence the number of scholarships may be increased by one or two in each group. (Inter and graduate) .

² Might I suggest also that if there are no suitable candidates in any one category in one year, the vacant scholarship or scholarships may be awarded during that year to candidates from other language groups. Such awards will be only for the year and will not be liable to be renewed in the following year.

I have the honour to be, Sir,
Your most obedient servant,

Order Ms. No. 405, Education, dated 4-3-47.

In G.O. No.1602, Education, dated 19-8-46, the Government sanctioned ~~10~~ ^{ten} scholarships tenable by women students taking language groups in each of the Intermediate classes which lead to B.O.L. Degree and the B.O.L. Pass or Honours classes. They also directed that ^{the} scholarships should be distributed as shown in the margin. The Director of Public Instruction brings to notice that languages are studied in the B.A.(Hons) courses and in B.A. Part III (Language) courses of the University of Madras and the B.A.(Hons.) courses of the Andhra and ^{the} Annamalai Universities and that if ~~Tamil~~ ^{Tamil, Telugu, Malayalam and Kanarese} ^{languages} are meant, provision should be made for the grant of scholarships for the study of Urdu also.

2. The Government direct that B.A. Part III (Language) and B.A.(Hons.) courses of the Madras University and B.A.(Hons.) courses in Tamil and Telugu of the Annamalai and the Andhra Universities also be included in the scheme for the award of scholarships sanctioned in the order referred to in paragraph 1 above. //The distribution of the scholarships sanctioned in the G.O. was not with reference to ~~several~~ ^{the different} languages, but with reference to the linguistic areas. ~~The~~ ^{also} Scholarships to Urdu students may also be ^{granted} sanctioned if they belong to one of the linguistic areas. The Government do not ~~preclude~~ consider it necessary to sanction additional scholarships specially for Urdu students.

3. The Government approve the proposal of the Director that if ~~any~~ ^{are} suitable candidates in any one category ^{year} is not available in an area, the scholarship or

Please see Lys No: 1602 Edu 8/19.8.46 and the D.P.S's letter in the ef.

Para 1 (i) of the letter.

In the circumstances stated the amendment proposed may be accepted.

Para 1 (ii) of the letter.

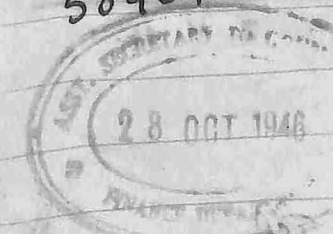

The distribution of the scholarships among Andhras, Tamils, Malayalis and Kanarese was made in accordance with the Prime Minister's orders on page 8 of the Lys. It does not seem that the Prime Minister's intention was that the scholarships should be restricted to those who are studying Telugu, Tamil, Malayalam and Kanarese languages. The Prime Minister probably meant that the scholarships should be awarded to students belonging to the language areas in a certain proportion. Students taking Urdu can belong only to one of these language areas in this view it is open to the D.P.S to sanction the scholarships to Urdu students also and there is no need to sanction additional scholarships. For orders.

Para 2 of the letter

The suggestion may be accepted.
