Sub: Elementary Education Fund - Budget Estimate for 1947-48 -
 Municipal Council, Tiruvannamalai.

Submitted.

2. Revised Estimate for 1946-47: It is not clear what the sum of Rs.4750/- shown against "Contribution" represents. If it represents Government grant under Section 37 of the Madras Elementary Education Act it may be raised to Rs.4920/- with reference to G.O.Nos.Ms.952 Edn. dated 3-5-46 and Ms.1056 Edn., dated 29-5-46.

3. All totals have been ~~xxx~~ wrongly struck down.

4. Budget Estimate for 1947-48: As remarked in para 2 supra if the credit taken against "contribution" represents Government grant under Section 37 of the Madras Elementary Education Act then it is liable to revision with reference to the actual amount of education tax realised and adjusted to the fund during 1946-47.

5. The accommodation provides for 2 girls schools is inadequate. It should be taken to improve the accommodation for these schools.

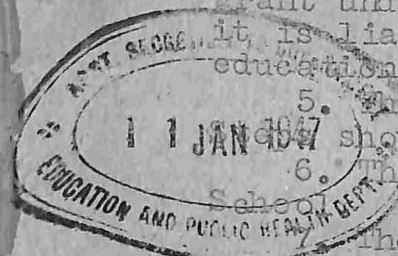

6. Three additional teachers are required for the Muslim Girls' School.

The provision made under "equipment" may be utilised in consultation with the Inspecting Officers. Two boys' Schools and the girls' schools are in need of additional equipment.

8. Leave salary and dearness allowance are paid.

OFFICE NOTE TO THE COUNCIL ON THE
BUDGET ESTIMATE.

Elementary Education:-

Coming now to elementary education, this is another serious problem to face. The no. of boys and girls of school age yet to be brought under instruction is considerable and the Government in the review of the Administration report for 45-46 have strongly recommended the introduction of compulsory education. Even as it is, in spite of the levy of a 4 per cent tax, the council has to provide a sum of Rs. 6,220/- by way of contribution from general funds to keep the department going and that too by encroaching upon the closing balance of Rs. 2,570/-. This sum of Rs. 6,220/- only has been provided as the financial position of the General Fund Account does not warrant a larger contribution and as the elementary education fund account also does not necessitate the same. The question of providing more buildings by the council for housing the schools cannot even be thought of at present.

General financial position:-

If the B.E. for 1947-8 is taken as the standard, it will be seen that the Council's annual Ordinary receipts under the General Account will fall short of the Ordinary expenditure under the account by Rs. 29,940. When once the arrear toll compensation is paid up, this Council will find itself absolutely unable to make both ends meet. It levies property tax at 19% p.a. and it has so far taken no heed of the Commissioner's advice for the improvement of its finances. If the rate of scavenging tax is raised by 1% as stated above, the total rate will come to 20%. In view of the bad financial position of the Council and of the need to find funds for payment of salaries at revised rates, Government may have to raise the rate of tax compulsorily still further. But that question may be taken up as soon as the extra cost of the revision of the scales of pay is known.

Tiruvannamalai

C. No. 22650/99 From the D.P.T., R.O.P.M. 58 B3/46-47, d/6.1.47

The R.E. for 1946-47 and the B.E. for 1947-48 of the E.E. fund of the M. cl., Tiruvannamalai, call for the following remarks.

2. R.E. for 1946-47. (i) Provision has been made for the payment of the arrears of dearness allowance to the E.E. staff.

(ii) No provision has been made under the head "Education tax - Collection charges". A provision of Rs. 1500 may be made for the purpose.

3. B.E. for 1947-48. (i) The credit taken under the head "Govt. grant under Sec. 37 of the E.E. Act" may be raised from Rs. 4,750 to Rs. 4,990, with reference to the credit taken for the Education tax in the R.E. for 1946-47.

(ii) As no provision has been made under the head "Edn. tax - Collection charges", the cl. may be asked to make provision for a sum of Rs. 1500 for the purpose.

(iii) The credit taken under the head "Contributions from the gl. funds" is Rs. 6,220 as against Rs. 12,220 the amount provided in the sanctioned budget for 1942-43. In their note on the gl. fund budget of the cl., the L.A. deptt have suggested that the contributions of Rs. 6,220 may be accepted. The E.E. fund account is expected to close with a deficit of Rs. 2,560. This deptt may suggest that the contributions from the gl. funds may be raised by a sum of Rs. 2,560.

4. The cl. was not paid any sum towards the grant of dearness allowance to the E.E. staff either during the current year or in 1945-46.

5. L.A. may see for remarks.

Exp. H. Dept. on page 2 at B :-

The General fund budget of the Council as revised by this Dept. closes with an uncovered deficit of Rs. 2,880 even after debiting the entire provision made for Capital expenditure from ordinary funds and after adjusting the entire arrears of Compensation of Rs. 24,920 likely to be sanctioned in 1947-48. If the contribution from the General to the E.E. fund is raised by Rs. 2560 as suggested by Exp. H. Dept. then a grant will have to be paid to the Council to meet the deficit in the General account. The Council has been asked to raise Rs. 2560 in the E.E. fund above the contribution. The Exp. H. Dept. may be requested to accept the contribution of Rs. 2560 only from General funds in 1947-48 as a special case. And give a grant for wiping off the deficit in the E.E. account in 1947-48.

The file may be returned to Exp. H. with their remarks.

20.2.47.

The B.E. for 1947-48 of the E.E. fund the Mr. C. Tiruvannamalai, is expected to close with a deficit of Rs. 2,580. The L.A. Dept. have stated that the G.L. funds, even after adjusting the entire A.T.C. grant to that account, cannot afford to make any additional contribution to the E.E. fund. The total rate of ed. tax that will be levied in the City on 1.4.47 is 20 p.c. while the rate considered suitable for municipalities of this type is 20 p.c. As there is no scope for raising the rate of the ed. tax, the C. will have to be paid a subsidy from Provincial funds to avoid a deficit in the E.E. fund, next year. This
