Extracts of D.I.P.'s order in the file 320 of '47

We may ask for 6 copies each of the reports of
D.R.B.Narayanaswami Naidu and Sir N. Gopalaswami Ayyangar from
the S.G.P for our office use.

In fact, it will be useful if we get about 6 copies
of all the publications (priced as well as unpriced) printed at
Government Press.

G.V.H.
31/1/47.

A reference to the Secretariat Library and the
Library of the Madras Legislature has revealed that
there is no official report on 'Co-operation' by
Sir N.Gopalaswami Iyengar. Evidently it might be
a private publication. The S.G.P. may be referred
to on this point. Draft below may issue.
2. As regards the observation of the D.I.P. at M
above, the E & P.H. may see for remarks. The intention
is that all publications relating to Government
schemes and activities brought out at the Government
press should be available to the D.I.P. for ready
reference, and for being made available to the
publicity assistants and journalists for producing
publicity materials.

It is not known why I am not
getting all the ^{official} publications published
by the S.G.P. and why we
must ask for each publication after it is known that
it is published.

E.P.H. can probably arrange
that I get all the Government reports
and publications ^{immediately} after they are
printed and published.
