Through
(1) The Chairman, Municipal Council, Tuticorin.

(2) The Director of Public Instruction, Madras.

Sir,

Sub:- Budget Estimate for 1947-48 - Elementary Education Fund Accounts of the Tuticorin Municipality - Submitted.

Ref:- Letter from the Director of Public Instruction Madras, No.C.8658/B.3/46 dated 11-10-46.

I submit herewith 2 copies of extracts from the Budget Estimate of the Tuticorin Municipal Council relating to the Elementary Education fund account for 1947-48 together with 2 copies of the Council's resolution sanctioning the budget for favour of Government sanction. Two copies of my note dated -- 23-1-'47 on the revised estimate for 1946-47 and the budget -- estimate for 1947-48 and 2 copies of the Schedule of Establishments are also submitted herewith.

Credit for Education Tax is taken at 2% per -- annum on property rentals as in previous years. Credit is also taken for Government contribution under section 37 of the Madras Elementary Education Act for 1946-47 and 1947-48 as per G.O.No. 530 Education dated 6-4-46.

No provision has been made for the construction of additional accommodation in the Municipal Girls' School, -- Melur and the Sevandakulam Boys' School either in the Revised Estimate for 1946-47 or in the Budget estimate for 1947-48, -- since the works have been deferred as per orders in Government Memo No.57235-C.1.-/46-4 Education dated 13-12-46.

Provision is made in the Revised Estimate for 1946-47 and Budget Estimate for 1947-48 for the purchase of equipment, furniture etc., on the basis of actual requirements as well as the recommendations of the Inspecting officers.

Provision is also made in the revised estimate for 1946-47 and Budget estimate for 1947-48 for payment of -- dearness allowance at the Government rates sanctioned in G.O. 517-Finance dated 27-4-45, communicated in G.O.No.P.1173 L.A., dated 28-5-45. The amount of dearness allowance payable to the teaching staff and other members of the education staff including menials is Rs.18460/= in 1946-47 and Rs.15800/= in 1947-48 (i.e., Rs.17300/= for teachers + 1160 for menials for 1946-47 and Rs.14640/= for teachers + 1160/= for menials for 1947-48). The sum of Rs.18460/= being dearness allownace for 1946-47 includes the arrears of dearness allowance to teaching staff amounting to Rs.3000/= which has already been paid.

P.T.O.

The information called for by Government in their Memo No.77862-C.1.-46-1-Education dated 18-12-46 on this point has also been furnished separately in this office -- letter No.B.2.-18240/46 dated 29-1-47.

TUTICORIN MUNICIPALITY.

MEMORANDUM OF THE REVISED ESTIMATE OF 1946-1947 AND BUDGET ESTIMATE OF 1947-1948.

A--GENERAL ACCOUNT:

When preparing the Budget Estimate for 1946-47, the opening balance was estimated at Rs.71,510, but the actual opening balance on 1-4-46 was Rs.1,16,440. This was mainly due to increase from the following sources.

1. Property tax -- Rs.7,350/-.
2. Profession tax -- Rs.1,830/-.
3. Lapsed deposit -- Rs.1,300/-.
4. Market -- Rs.12,620/-.
5. Slaughter House -- Rs.5,230/-.
6. License fee Rs. 9,180/-.
7. Fees, fines etc. -- Rs.680/-.

Further the savings in the expenditure on capital works provided in 45-46 to the extent of Rs.5,760 is also responsible for the increase in the opening balance.

In the revised Estimate for 1946-47 all essential items of expenditure have been provided for. As sanctioned by Government in G.O.No.3019 Education and Public Health dated 22-10-46 provision has been made for 25% increase in the salaries and for payment of Provident fund bonus to Municipal scavengers with effect from 1-8-46. Under prevention of Malaria, Health Officer has requested for the entertainment of 4 Malaria coolies and one Maistry in the current year itself. This has been provided for in the Revised Estimate for 1946-47.

As for 1947-48, besides the amount required for the maintenance of the existing services, provision has been made for the following additional staff which in my opinion are the minimum required for the efficient discharge of the Municipal work. I request that the council may be pleased to approve the following proposals for the additional staff.

1. One Lower division clerk is required to attend to the maintenance of about 300 Provident fund accounts of Municipal scavengers.

2. One Lower division clerk for attending to the Vehicle and animal tax work. At present two clerks who are in charge of all work relating to tap branch are attending to Vehicle and animal tax work also. From practical experience of over one year it is found that the work in the tap section is by itself heavy and the clerks are unable to cope with it. It is no good burdening them with additional work relating to Vehicle and animal tax. Immediate relief is necessary by the appointment of a separate clerk for Vehicle and animal tax work.

3. In M.C.R. No.39 dated 6-12-46 the council has sanctioned the purchase of a road watering lorry. The lorry will be purchased this year. Provision has therefore been made in the budget estimate for 1947-48 for the appointment of one driver.

4. Destruction of dogs: The Health Officer has requested to provide for 2 dog catchers to destroy unlicensed dogs straying with in Municipal limits aa a permanent measure against prevention of rabies. Provision has

been made for this.

5. The Health Officer requests that an additional Sanitary Inspector may be sanctioned in the budget. At present there are 7 sanitary inspectors. The population of the town as per 1941 census is 75,753. Since then, population of this town has increased by leaps and bounds. The population of the town at present is estimated at 90,000. Though 2 more Sanitary Inspectors are required, Municipal Health Officer requests for one more Sanitary Inspector at least. This has been provided for and may be approved.

6. The Health Officer has reported that 3 more ward peons are required as the present number of ward peons is totally inadequate to supervise the work of menials. According to the Schedule prescribed by the Director of Public Health in his circular No.46640-E/41 dated 28-5-42 this Municipality requires 25 ward peons but only 19 peons are now working in the wards. Atleast 3 more ward peons are necessary and may be sanctioned.

7. The Council has in its resolution No.25 dated 13-9-46 decided to open 4 more parks. In pursuance of this resolution, provision has been made for 4 gardeners in the Budget Estimate for 1947-48.

8. The Council has decided in M.C.E.No.9 dated 13-12-46 that the Municipal market, V.E.Road including the Fish market may be run departmentally. The Revenue Officer has asked for the appointment of the following staff for the market in addition to the market maistry and 2 thotties now employed to look after the conservancy arrangements in the market.

STAFF:

I. One market superintendent on Rs.50-3-80 with a cycle allowance of Rs.4/= p.m.

II. Six Bill-collectors on Rs.22-40 each.

III. 2 watchmen on Rs.15/- each.

Provision has been made in the budget for the additional staff.

9. As usual provision has been made for payment of a monthly contribution of Rs.100/- to the Baby Home.

10. For Leprosy Relief the usual monthly contribution of Rs.100/- has been provided in the budget estimate but the Secretary has requested for increasing the contribution from Rs.100/- to Rs.150/- p.m. for 1947-48. This may be considered by the Council.

11. In the current year a sum of Rs.1000/- has been contributed to the Adult Education funds of the Tuticorin Municipality. A sum of Rs.1,500/- has been provided in the budget estimate for 1947-48. This may be approved. Provision has also been made for the following capital works.

E. TOWN PLANNING FUND ACCOUNT:

This account opened on 1-4-46 with a balance of Rs.230/-. In M.C.R.No.2 dated 18-10-46 the council has resolved to - request the Government to drop the Town Planning Scheme 'D' in toto as the levy of the betterment tax imposes severe - hardship on many people. The Government have been addressed in the subject and their orders are awaited. Pending receipt of orders under betterment tax has been taken in the Revised estimate for 1946-47 and Budget Estimate for 1947-48 for - Rs.25,000 and Rs.30,000 respectively. If the Government accept the proposal of the council to drop the Town Planning Scheme 'D', the expenditure under this account will have to be met by necessary contribution from general funds.

CONCULSION:

In the end I wish to point out to the Council that the financial postion of the Municipality under General Account is not sufficiently sound for undertaking schemes of Public utility. For augmenting the revenues of the Municipality I

I would suggest the following for the consideration of the council. The Government may be requested to --

1. reintroduce the system of tolls.
2. pay a portion of sales tax to ~~them~~ Municipal councils.
3. cancel the Profession Tax Limitation Act of 1942.
4. grant the surcharge on income tax collected in Municipal limits to the council.
5. terminate the license of the private company for the supply of electric energy and grant it to the council
6. permit the council to run ~~the~~ bus services,
7. permit the council to run cinema shows and open theatres.
8. permit the council to float loans and utilise the amounts for remunerative purposes.

Meanwhile I wish to bring to the notice of the council that the council on its own part may be pleased to increase the rate of taxation to meet the expenditure in connection with capital schemes of Public utility. Provision has already been made in the Revised estimate for 1946-47 and budget estimate of 1947-48 under A.General Account capital for capital schemes to an extent of Rs.50,200/= and Rs.73,100/- respectively. There are capital schemes of much importance costing about Rs.2,00,000/- for which it is not possible to make provision for want of funds.

Recently Government have revised the scales of pay of Municipal employees and the proposal has appeared in papers. But no orders from Government have yet been received. It appears from the papers that the Government have decided that the extra cost likely to be involved for giving effect to the revised scales of pay will have to be met by the local bodies themselves.

A statement showing the names of the First grade Municipalities, incidence of taxation per head of population, property tax assessment per building is put up.

Name of the Municipality.	Incidence per head of population. Rs.	As.	ps.	Property tax assessment per building. Rs.	As.	ps.
Bezwada	5	0	0	40	14	0
Madura	4	3	5	35	5	6
Calicut	2	15	8	19	6	2
Ootacamund	7	9	11	43	13	6
Salem.	3	9	3	17	14	1
Trichy	3	8	7	26	10	2
Tuticorin	3	12	1	10	0	5

From the property tax assessment per building noted above it will be seen that assessment in the case of Tuticorin is the lowest when compared to the six other I grade Municipalities.

The Deputy Inspector of Municipal councils, Trichinopoly in his inspection notes dated 1-5-46 has stated that the rates of property tax levied in this Municipality are low when - compared to the prevailing in other municipalities and the rate of tax on buildings in this municipality may therefore be -- raised to 18% per annum which itself is too low for a I grade Municipality like Tuticorin. For the reasons stated above

24

and in view of the important schemes of public utility pending consideration, sufficient funds are required to meet the growing expenditure. I suggest that the council will be pleased to raise the rate of property tax suitably on -- buildings for General purposes in the light of the facts set forth above.

LIGHTING:

It has already been explained that the Lighting account is not self-supporting. To balance the budget under this account for 1947-48 a contribution of Rs.5,000/- is proposed to be made from A. General Account.

The rate of taxation is 1¼% of the rental value of buildings per half-year. For want of funds it has not been possible at present to sanction additional lights in new places where they are absolutely necessary. With a view to balance the account under this head and also to meet the demand from the public, it is suggested that the rate of tax under this head may be raised from 1¼% to 1½% per half year.

ELEMENTARY EDUCATION ACCOUNT: No provision has been made in the estimates for contribution from general funds to the Elementary Education Account. In view of the fact that the Ele. Edn. Acct. closes with a surplus balance in the R.E. for 1946-47 as well as in the B.E. for 1947-48 it seems unnecessary to swell the Elementary Education Account by contributions from the General Account.

× × ×

Revised with reference to paras 2-4 on pp 1 and 2 ante, the R.E. of the Tuticorin Ml. Cl. under the General Acct. Ordy. closes with a balance of Rs. 1,06,900, without the aid of the arrear toll compensation sanctioned in the current year. Revised with refce. to paras 2-6 and 10 on pp. 1-3 ante, the B.E. for 1947-48 closes with a balance of Rs. 1,08,950, against the prescribed minimum balance of Rs. 22,630. The Cl. may be advised to create a conservancy fund and credit to it the arrear toll compensation sanctioned this year and the amount that may be sanctioned next year, for utliisation on conservancy improvements.

2. General financial position: The Ordinary receipts for 1947-48 under the General Account exceed the Ordinary expdre. by Rs. 80,150. The Cl. at present levies property tax (including education tax) at 17% p.a. It has resolved to increase with effect from 1--4--47 the rate of tax for general purposes by 1½% per annum and the rate of lighting tax by ½% p.a. That brings the total rate to 19% per annum. Government have decided to increase the rate of scavenging tax in all municipalities by 1% per annum from 1--4--47. The total rate of tax in this mlty. will therefore be 20% from next year. This Cl. can easily afford to introduce the revised scales of pay to its staff.
