No.52, Paramananda Mudali Street,  
Mint P.O., G.T.Madras.  
12th December 1946.

To  
The Hon'ble T.S. Avanashilingam Chettiyar,  
Minister for Education,  
Fort St. George, MADRAS.

Respected Sir,

I beg to bring the following few lines to your kind and favourable consideration. I am a retired Casting Foreman in the Madras Government Press. I was superannuated on 30th June 1945 and was re-employed for a period of one year from that time in view of my specialised knowledge of stereo-electric typing, etc., and of the difficulty in replacing me in the Press/by a person with the like qualification when my period of re-employment expired in 29th June 1946, The Superintendent of Government Press strongly recommended me for my re-employment for another year in view of the non-availability of a person with similar qualification to undertake the very delicate processes with which I am acquainted. Unfortunately Government were not pleased to sanction my further re-employment though there were exceptional circumstances attaching to my case. I beg in this connection to invite your Honour's attention to the correspondence between the Superintendent of Government Press and the Government which will be convincing.

I beg to submit that even now the post of casting foreman in Government Press is left unfilled though the Superintendent will be glad to have me if Government give the required permission. I am physically fit to serve Government for a few years more and I am a man having a big family with six children. The pension which I get is too meagre to provide hardly a meal a day

To the Secretary, E.&P.H.

Please see herewith a representation from one of the workers of the Government Press. If the representation is correct and the post is still vacant, for want of a qualified man, and if this gentleman has got the strength to do it, I do not see any reason why he should not be re-employed which will benefit the Press as well as the applicant. The matter may be examined and reported.

of 13.6.46, Govt. sanctioned the re-employment of Sri Thiraviasany Pillai for a period of one year from the date of his retirement. In June 1946, the S.G.P. brought to the notice of Govt. that it was very difficult to replace Sri Thiraviasany Pillai on account of his specialised knowledge in stereos and Electrotyping, and electric matrix making etc. But the Govt. refused to reemploy him

in view of the policy of Govt not to reemploy persons unless there are exceptional circumstances justifying such a step. Attention is in this connection invited to the notes on pp-8-9 of Memo. no 32636-7, Dn & 28.6.46 & pp 8-9 of G.O. 1292 Dn & 2.7.46.

2. As the petition states that even now the post of Casting foreman is still vacant in the Govt Press. The S.G.P. has sought the permission of Govt. to advertise the vacancy in the local daily papers. Permission has been accorded in G.O. 2378 Dn & 13.12.46. In that connection, the S.G.P. has stated that very great difficulty is being experienced by the refusal of Govt. to reemploy the petitioner.

3. For order whether in view of the minute of H.M. (20/1/47) or 1/1/47, Sri Thiraviasany Pillai may be re-employed for a period of one year subject to the condition that he is physically fit. The file may be circulated to H.M. (20/1/47), H.M. (2/1/47) & H.P.M.
