G.O. No. 1625, Education, dated 1st November 1944.

From the Director of Public Instruction, dated 1st August 1946, Rc. No. 1384-G/46.

Order—No. 460, Education, dated 11th March 1947.

Under the existing orders teachers deputed for training as Physical training instructors or instructresses in the Y.M.C.A. College of Physical Education, Saidapet, are paid in addition to half their substantive pay or half the pay they were drawing immediately before they were deputed for the purpose, reasonable expenditure on boarding and lodging during the period of their stay at the training centre. The Director of Public Instruction has recommended that these teachers may also be allowed

to draw in full dearness allowance at the rates admissible to them as the half pay they get is insufficient to maintain their families at their headquarters. The Government accept the Director's recommendation. This order will take effect from 1st November 1944.

2. The Government direct that in cases where dearness allowance has been paid by mistake for the period prior to 1st November 1944 no recoveries need be made now and that recoveries if any already made need not be refunded.

Respected Sir,

Ref: G.O.No.1626 dated 1-11-44.

Sub: The humble representation of T. Ramamurthy,
deputed for physical training instructor's
class, recovery of D.A. waiving requested.

I beg to state that after my return from the training class, I was paid half of my substantive pay for the period of training by the Commissioner, Ongole Municipality. I had expected that the payment of the dearness allowance in connection therewith would follow automatically irrespective of the proportion of the salary paid. Excepting the persons who were on leave without allowances all the others including contingent servants were also given the benefit of D.A. On my request the commissioner was pleased to pay me the D.A. after satisfying himself, I understand, regarding its validity.

After a lapse of nearly 9 months, I understand that instructions have been received from the District Inspector, Bellare, for the recovery of the amount in view of the Government's decision that, in view of the payment already made for lodging and boarding, I am not eligible for extra dearness allowance. I am now directed to pay back the amount of Rs.153-14-0. I submit for your honour's kind consideration the following facts:

1. The Government held that the present D.A. is insufficient and hence paid all the Government servants extra remuneration in the shape of arrears dearness allowance.

2. The pay granted during this period is only half of my

Cuv B, 2381 ub

substantive pay, for the maintenance of my family. The petty amount not being sufficient for the maintenance of the family especially in these hard days, I had to incur extra expenditure for their protection.

3. If I had been in service ~~we~~ I would have got full salary besides complete dearness allowance. If I am deprived of the A.A. I would be hit hard financially in these hard days.

4. Servants drawing rupees 5 also are given the benefits of D.A. and those who are on leave on half or quarter average pay also are receiving the benefits of D.A.

Under the circumstances explained above I humbly request that payment of Dearness allowance may kindly be held to be in order and recovery now pending waived, the expenditure being treated atleast as an extraordinary one, for which act of kindness, I shall ever remain grateful.

I beg to remain,

Respected Sir,

Your most obedient servant,

D Ram an oarj

Submitted to the Secretary to the Government of Madras, ~~xxxx~~ Education and Public Health Department, Madras through the Chairman, Municipal Council, ~~xx~~ Ongole and the Inspector of Municipal Councils and Local Boards, Madras.

2. The Council in their resolution No. 112 dated 30-6-44 deputed ~~xxxx~~ R. Ramamurthy, the applicant to undergo training in Y.M.C.A. ~~as~~ per G.O. 24-G1.44 dated 31-5-44 of the Regional Physical Director, ~~and~~ ~~the~~ proceedings No. 2076-G.41 dated 16-11-43 of the Director of Public Instruction. The applicant was granted one half substantive pay during the period of training under G.O. No. 1626 Edn. dated 1-11-44. Besides half the substantive pay, the municipality also bore the expenditure of boarding and lodging of the candidate at the Y.M.C.A. training school, as per the demand made by the Principal, Y.M.C.A. Physical Training College on recommendation of the Government in G.O. No. 1626 Edn. ~~xxxx~~ dated 1-11-44. The District Inspector of Local Fund Accounts, ~~xx~~ Nellore was addressed and on his advice in his L.F. No. 546 dated 8-8-45 (copy enclosed) dearness allowance was also paid to the candidate. The District Inspector of Local Fund Account again in his letter L.F. 216 dated 10-5-46 informed that the amount of dearness allowance paid should be recovered as the Government held that such payment is irregular in view of the payment of expenses towards boarding and lodging. Orders were, therefore, issued from this office requiring the candidate to refund the amount of Rs. 159-14-0 paid to him towards dearness allowance.

3. He now requests the Government to waive the recovery of the Dearness Allowance. It is recommended that the Government will be pleased to grant the petitioner's request in view of the hardship that will be caused to the petitioner if the recovery is insisted upon.

In resubmitting herewith the Government Endorsement No. 32689-B1/46-1 Edn., dated 25-6-46 I have the honour to state that Sri T. Ramamurty, a candidate deputed by the Ongole Municipality to undergo physical Instructor's Training with reference to G.O. No. 1625 Edn., dated 1-11-44, is eligible to get his Dearness Allowance. Specific provision has been made in the G.O. for incurring expenditure on tuition fees and boarding charges when the candidate is undergoing training at the training centre. The pay allowed to him should be to meet his expenditure at home to maintain his family or for some other similar purpose. I am therefore of opinion that he should be paid his Dearness allowance just like persons who get allowance when they are on leave and get only less than their full pay. I therefore recommend that the Dearness allowance paid to him need not be recovered from him.

Subject:- Establishment - Ongole Municipal Council - Sri T. Ramamurthy - Payment of Dearness Allowance during training in the Y.M.C.A. College, Saidapet.

Reference:- Government Endorsement No. 32689/46-2 B.1 Education dated 17-8-1946.

The recovery of the dearness allowance paid for the period of training in the Y.M.C.A. College, Saidapet was suggested with reference to the orders of Government in Memorandum No. 53130-B-1 dated 12-12-1945. The contention of the applicant is that while the reasonable expenditure granted to him as boarding and lodging charges may be adequate to cover the cost of his living, half the substantive pay granted during the period of his training is insufficient to meet the expenses of living of his family at his head quarters, and that it is accordingly necessary to continue the dearness allowance which he would have drawn had he been on duty. The point raised appears to deserve consideration and is for the decision of the Government.

The papers received with the Government Endorsement are herewith returned.

Physical Education--Municipal Council--Ongole--
 Deputation of Sri T. Ramamoorthy for training in the Y.M.C.A. College, Saidapet--Payment of dearness allowance during the period of training..

C.No.32689
 Petition dated 29-5-46 from Sri T. Ramamoorthy, Teacher, Ml. H.School, Ongole.
 From the Commr. Ongole Mpty. No. 2503 B/46 dated 8-6-46.
 From the D.P.I. No.1384 G/46 dated 1-8-46.
 From the Exr. of L.F.A. No.5084 dated 2-10-46.

The petitioner, Sri T. Ramamoorthy was deputed by the Ongole Municipal Council to undergo training as Physical training instructor in the Y.M.C.A. College Saidapet. According to G.O.No. 1626 Edn. dated 1-11-1944 the candidate was entitled only to half his substantive pay during the period of training in addition to the boarding and lodging expenses. But he was paid dearness allowance amounting to Rs 159-14-0. The audit department has objected to this payment and has directed that the amount should be recovered. The petitioner requests that the recovery may be waived. He points out that while the reasonable expenditure granted to him as boarding and lodging charges may be adequate to cover the cost of his living, half the substantive pay granted during the period of training is insufficient to meet the expenses of living of his family at his headquarters and that it is therefore necessary to continue the dearness allowance. He also contends that servants on leave on half pay are paid dearness allowance and the same benefit should be allowed to the candidates deputed for the Physical instructor's training.

2. The question whether the dearness allowance should be paid in addition to half the substantive pay during the period of training or not was not considered at the time the orders in G.O.No. 1626 Edn. dated 1-11-1944. Subsequently the Examiner of Local Fund Accounts pointed out that in view of the fact that under para 5 of G.O.No. 1626 Edn. dated 1-11-44 reasonable expenditure on boarding and lodging should be met by the local body concerned there was no justification for the grant of dearness allowance in addition and the Govt.

2

have accordingly turned down the proposals for the grant of dearness allowance and have even ordered that the allowance already paid should be recovered in easy instalments. Candidates deputed for training are low paid servants and half their substantive pay which may not exceed Rs 20 generally will be insufficient to ^{maintain} their family at the headquarters in these days of high cost of living. The expenditure on boarding and lodging in Madras may be more than half the pay which the candidate deputed for training has to forego during the period of training, ^{but} in view of the necessity for training, it is for consideration whether it may be treated as equal to the other half ^{of his pay} and the payment of dearness allowance ^{in full} during the period of

training may be permitted as recommended by the D.P.I. to all the candidates deputed for training whether they are permanent teachers or probationers whether approved or not as half pay is admissible even to the latter under G.O. 1176 Education dated 14-11-46. The Examiner has no objection to the grant of the allowance and has stated that the request appears to deserve ^{consideration} and decision by Government. No retrospective effect need be given to the sanction.

3. The recovery of the allowance paid to Sri T. Ramamoorthy by the Ongole Municipal Council may be waived.

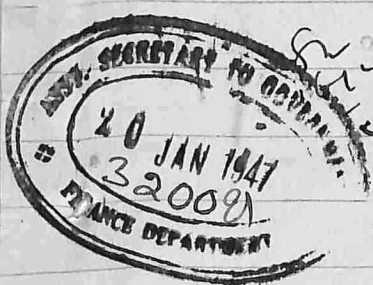

A draft order is submitted below for approval. It may be sent to L.A. and Finance U.O. for acceptance or remarks prior to circulation.

A above ^(G.O. 1626) A clerk deputed for serving training for appointment as Revenue Inspector is paid his full substantive pay besides travelling and other allowances admissible under the M.T.A. rules. The period of training is also counted as duty. In addition is allowed the dearness or war allowance admissible. In the case of the Physical Instructors deputed for training, the cost of training (details contained in G.O. 1626 dated 1.11.46) is met of the local concerned in lieu of the daily allowance payable and also half of his pay (as during the period of training the teacher is paid only half of his pay). The Physical Instructors would have been paid full pay if had not been allowed all the concessions in the case of training. On the analogy of clerk deputed for training it seems only fair that the Physical Instructors should be allowed dearness allowance at full rate because of the poor finances of local

B It should however be treated that the clerk is being paid full rate of pay for purpose of dearness allowance.

E-1 ^{CS} [⊖] ^{Noting} ^A 3
bodies the orders need not be given retrospective effect though equity requires it. L.A. may see for remarks on his part.

to him as boarding and lodging charges may be adequate to cover his cost of living, yet half his substantive pay granted to him during the period of training is insufficient to meet the expenses of living of his family at his headquarters viz. Ongole.

He also represents that while the servants on leave on half pay^{are} paid full dearness allowance, ^{the} same benefit may be allowed to him also as the candidates deputed for training are low paid servants and half their substantive pay which may not exceed Rs. 20/- generally will be insufficient to maintain their families at their headquarters in these days of high cost of living.

The E & P.H. support the proposal on the analogy of a clerk getting full Dearness allowance ^{while he is} deputed for survey training before being appointment as Revenue Inspector.

It is submitted in this connection that the analogy of persons on half pay getting full Dearness Allowance will not altogether be relevant in this case as in the case of a person who is on half pay, he has not only ^{to} maintain himself but also his family whereas in the present case, the trainee has to maintain only his family.

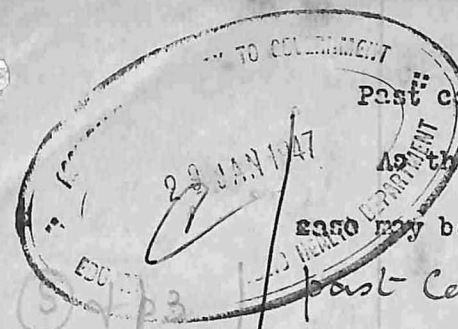

Even though the trainee may be benefited to some extent by the training given at Municipal cost yet the following points will have to be given due consideration

(1) The trainee has to maintain his family on half pay for 12 ~~long~~ ^{months} whereas in the case of a person on leave on half pay, the period of leave will not be long in most cases.

(2) Most of the persons deputed for training are low paid servants and it will be very difficult for them to maintain their families during the period of training with the half pay which may not exceed Rs. 20/- generally.

(3) As there will not be too many cases of training in each year ~~and~~ it is presumed that Government will not be burdened much by way of grants to local bodies towards Dearness Allowance.

In the above circumstances Finance may agree as a Special case to the grant of dearness at full rates for the first month and half dearness for the second and subsequent months of his stay at Y.M.C.A. college ^{at Sankapit} on the analogy of S.P. men deputed to mufassal stations - Vide para 3 of G.O. 3588, dated 16-11-46.

Past cases need not be reopened and the present case may be decided.

As this involves a deviation in the policy hitherto followed the case may be circulated to H.M. (Edn.) and H.P.M. for orders as in the past cases Govt have refused to grant D.A in such cases.

2 The case relates to the question of payment of dearness allowance to teachers deputed by Local bodies for undergoing training as Physical Training Instructors or Instructresses in the Y.M.C.A. College of Physical Education, Saidapet, during the period of training.

3 Under G.O.No. 1626 Edn. dated 1--11--1944 and 1176 dated 14--6--1946 a candidate deputed for the training should ~~be~~ in addition to half pay be paid reasonable expenses of his boarding and lodging during the period of training. It has been represented that although the expenses of the candidate are met, the half pay allowed to him is insufficient to meet the cost of maintaining his family or dependants at the headquarters and that dearness allowance should be paid in addition to half pay. The D.P.I. has recommended that

the teachers deputed for the training should be paid dearness allowance just like persons who are on leave and get only less than their full pay. This Deptt. proposed that dearness allowance should be paid in full to the teachers while undergoing this training, that retrospective effect should be given to the order permitting the payment of the allowance and that in any case payments already made need not be recovered and recoveries if any already made should be refunded. The Finance department point out that a person on leave on half pay has not only to maintain himself but also his family but a trainee has to maintain only his family and there is therefore no case for the grant of dearness allowance in full on ~~that~~ ^{the} analogy of a person on leave on half pay. As the trainees are low paid servants and the period of training is for one year, Finance agree as a special case to the grant of dearness
