3. Revised Estimate for 1946-47.

15710

A sum of Rs.2,700 sanctioned by Government in G.O.No.8 dated 4-1-1947 towards dearness allowance has not been accounted for by the Commissioner in the budget.

p22 c/61 (R)

p.9 infra

4. The expenditure under "Ordinary" in the Revised Estimate for 1946-47, is in excess of the sanctioned budget. Sanction of Government is necessary for the increased expenditure.

Budget Estimate for 1947-48.

p.7 infra

5. The credit taken under Government grant under section 37 of the Madras Elementary Education Act is liable to revision with reference to the actual amount of Education Tax realised and adjusted to the fund during 1946-47.

6. Accommodation. In spite of repeated remarks, some of the classes of the Municipal High School are continued to be held in the Pattamangalam elementary Boys' School. A five year plan proposed by the Co~~mmissioner~~uncil will not solve the problem of accommodation of this school immediately. Urgent action is absolutely necessary and the space should be made available for the elementary school. Elementary Education should be the primary concern of any Municipality and its needs must be taken up in right earnest. One Boys and 5 girls schools are held in inadequate buildings. One Boys school requires garden and play space. The play grounds for 2 other boys schools are inadequate. The five girls' Schools are without any play-grounds.

7. Equipment.

The amount provided for the purchase of equipment should be utlised in consultation with the Inspecting Officers. Most of the Boys Schools need additional equipment.

8. Staff: Secondary Grade Teachers are reported to be necessary for the girls' schools.

9. Leave salary and dearness allowance are paid.

MAYAVARAM MUNICIPALITY.

Note to the Council on the Elementary Education Fund Budget.

::

pp21-22 c/f of (R)

The year 46-47 opened with a nil balance. In accordance with the approved budget in G.O. No. Ms. 398, Edn., dated 25-2-46 the total receipts was Rs.39,617/- (Thirty nine thousand and six hundred and seventeen only) and the expenditure was Rs.43,752/-. According to the revised estimate now prepared the receipts under Elementary Education Fund is Rs.46,380/- and the expenditure is also Rs.46,380/-. The excess expenditure over the approved budget is on account of the payment of the arrear Dearness Allowance for the period from 1-7-44 to 31-12-44 and this was met from the excess contribution from General Fund and to Elementary Education Fund without any further grant for the same from Government. Necessary provision is also made for the payment of Dearness Allowance to the Elementary Education staff, during the year 47-48. A sum of Rs. 4,135 has been taken credit as subsidy under Elementary Education as the Government in their order No. Ms. 398, Education, dated 25-2-46 have stated that the question of sanctioning a subsidy from Provincial Funds to cover the deficit will be considered. The Government have also been addressed for the same in this Office R.c. No. 6775/46 B.1. dated 28-9-46 and 26-11-46. A sum of Rs.12,549 was only contributed from General Fund to Elementary Education Fund in the Budget year 47-48. No further contribution from General Fund to Elementary Education Fund is possible as the General Fund is already in deficit by Rs.22,528/-. Number of schools are located in rented buildings. Even the Municipal Buildings could not be maintained in a satisfactory condition for want of funds. There are no adequate furniture in many schools. Maps are not at all supplied to the schools. If such a state of affairs are allowed to continue recognition of the schools may be withdrawn by the Educational authorities. The Educational authorities are recommending the appointment of additional teachers.

pp21-22 c/f of (R)

X I therefore suggest to the Council to increase the Education tax at least by 1/2 % per half year so that the minimum requirements of the schools may be met with.

A five year building plan may also be drawn up for housing the Elementary Schools with its own building and necessary amount may be obtained as loan and grant from the Government.

Recommendations of the Concerned departmental heads of Elementary Educational Institutions.

1. Shifting of high school lower forms from Pattamangalam Elementary School.
2. Sanitary provisions are unsatisfactory in all schools
3. Equipment in the case of elementary schools is very inadequate (Maps teaching aids and furniture).
4. Construction of buildings with playgrounds for girls schools need immediate attention.
5. Appointment of music mistress in all schools.
6. Appointment of Secondary Grade teachers.
7. Extension of sithakadu Boys' School building for accommodation.
8. Appointment of an additional teacher for Pattamangalam Elementary School.

Sir,

I submit herewith a copy of the Revised Estimate for the year 1946-47 and Budget Estimate 47-48 of the Elementary Education Fund of this Municipal Council with a copy of the resolution of the council sanctioning the budget estimates. The deficit for this year 46-47 is Rs.4,135. This was taken as credit under receipt side of the Revised Estimate of the Elementary Education Fund for the year 46-47 as subsidy expected from Government to make good the deficit. The Government in their order G.O. No. Ms. 8, Edn., dated 4-1-47 have been pleased to sanction Rs.2700/- (Rs. Two thousand seven hundred only) for the year 1946-47 to make good the deficit. There is still a deficit of Rs.1435/- for the year 1946-47. The General Fund 1946-47 closes with a deficit of Rs.5,707/- on account of the payment of Arrear dearness allowance for all the staff including Public Health menials and Elementary Education staff for the period from 1-7-44 to 31-12-44. Therefore it is not possible to contribute more amount from the General Fund which is already under deficit.xx The Elementary Education Budget for the year 1947-48 closes with a deficit of Rs.10,800/-. I therefore request that the Government may be pleased to sanction the balance of Rs.1,435/- for the year 46-47 and Rs.10,800/- for the year 47-48 as subsidy to this council to make good the deficit.
