Submitted.

2. The budget is explained by the Commissioner in his covering letter to the budget.

3. Expenditure under "ordinary" in the Revised Estimate for 1946-47 is in excess of the sanctioned budget. Sanction of Government is necessary for the increased expenditure.

4. Budget Estimate for 1947-48. The credit taken under "Government grant under section 37 of the Madras Elementary Education Act" is liable to revision with reference to the actual amount of Education Tax realised and adjusted to the fund during 1946-47.

5. Expenditure is in excess of the receipts and hence the budget closes with a deficit.

6. The accommodation provided for the 2 girls' schools is inadequate. The Higher Elementary Girls' school requires some urgent repairs. This was pointed out even last year, but no action seems to have been taken by the management.

7. One more Secondary grade woman Teacher is required for the Higher Elementary Girls' school.

8. Some additional equipment is required for the 2 girls' schools.

9. Leave salary and dearness allowance are paid.

Consequently the opening and closing balances of the Revised Estimate for 1946-47 and the Budget Estimate for 1947-48 are anticipated to be as follows:-

With reference to Government Memorandum No.77862-C-1/46-1 Edn. dated the 18th December 1946 necessary provision has separately been made for payment of arrears of dearness allowance sanctioned as per G.O.No.1552 L.A., dated 19-9-46 in the revised estimate for 1946-47 that is Rs.1000/- was provided under Mr Masters salaries and Rs.140/- under

to close with a deficit of Rs. 5,990. It is seen from the note of the L.A. Dept. that the Gl. funds even after adjusting the entire A.T.C. grant to that account will not be able to make any additional contribution to the E.E. fund. A subsidy will have to be paid to the cl. next year also as there is no hope for raising the rate of the Education tax. This may be examined further after the actual balance in the E.E. fund on 1.4.47 is known. L.A. and Finance may see

Para 2 (i) + (ii) of E+PH Dept. note on p1 ante.

The Credit Labour in the R.E. for 1946-47 for an arrears toll compensation of Rs 2066 should be deleted as the General acct. for 1946-47 closes with a deficit of Rs 24740 and the entire arrears toll compensation of Rs 20586 sanctioned in the current year has been ordered to be adjusted to the fund. and the deficit in the General acct. in 1946-47. A grant of Rs 4154 has also been given to this Council in the current year to avoid the uncarried deficit. The deficit in the E.E. acct in 1946-47 will therefore be (Rs 2066 + 464) Rs 2530 instead of Rs 464 and a grant of Rs 2530 will have to be given to this Council to avoid a deficit in the E.E. acct in the current year.

2 Para 3 (ii) + (iii) of E+PH Dept. on p1 ante. The reduced contribution in 1947-48 has been agreed to. No remarks are called for. A grant will have to be paid to the Council in 1947-48 as suggested by E+PH Dept.

6) My letters No.B1-2105-46 dated 17-1-47, 3-2-47 and 10-3-47
to the Secretary to Government, L.A., Department.

In G.O.No.Ps.1552 L.A., dated 19-9-1946, the Government were
pleased to permit local bodies to pay dearness allowance to their other
employees (other than conservancy menials) at the rates sanctioned in
G.O.No.1873 L. A., dated 28-5-1945 with effect from 1st July 1944 instead
of from 1st January 1945, Provided they could make the payments from
their own funds without a grant from Government. It was also laid down
in the said Government order that the expenditure on the payment of arrears
of dearness allowance to the staff other than conservancy menials should
not be taken into account for purposes of grants for wiping off their
deficit either under the general account or under the Elementary Education
Account.

2) In its resolution No.193 dated 15-10-46, the municipal
Council, Walajapet, sanctioned the payment of the arrears of dearness
allowance to all classes of employees including the elementary education
staff and resolved that the extra expenditure might be met from the
opening balance. But I have not so far disbursed the arrears of dear-
ness allowance either to the general fund establishment or the elemen-
tary education fund establishment since this council depends on grants
from the Government for wiping off the deficit under the general as well
as the elementary education fund account. Further, in their Memo.No.
58483-C-1-46-1, Edn., dated 9-10-46, the Government definitely informed
the Executive Authorities of all municipal councils that the arrears
of dearness allowance should not be disbursed to the elementary education
staff if the councils had to depend on a subsidy from Provincial funds
to cover a consequential deficit in the elementary education fund accounts
in the current year, as no such subsidy would be given.

3) I submit that with reference to Government Memo.No.40364-
46-1-C dated 9-12-46, a sum of Rs.1,140/- was provided in the revised
estimate for the year 1946-47 for the payment of arrears of dearness
allowance to the elementary education staff. But in G.O.No.Ms.473 Edn.
dated 12-3-47 passing orders on the elementary education budget of this
municipality, the Government have deleted the said provision and have been
pleased to sanction a subsidy of Rs.2,530/- to wipe off the deficit in the
revised budget for the year 1946-47 as modified by the Government.

4) I wish to submit in this connection that the Municipal

Municipal staff including the elementary education staff have for the past some time, been agitating for the payment of the arrear dearness allowance and this Municipal Council is also anxious to pay them the arrears of dearness allowance. I have addressed the Secretary to Government, Local Administration Department, for sanction to disburse the arrear dearness allowance to the General fund establishment, and his orders are awaited. I beg to state that will really be a great hardship to the elementary education staff if they are denied the arrears of dearness allowance when all the other staff are paid. I therefore request that the Government may be pleased to sanction as a very special case the payment of the arrears of dearness allowance to the elementary education staff of this Municipality taking into consideration the fact that this will be only a single payment and not a recurring expenditure. I further submit that the amount of Rs.1,140/- required for this purpose will be met out of the savings under the elementary education fund accounts for the year 1946-47 as anticipated on this date (Please vide separate statement enclosed), and that no further grant or subsidy will have to be paid by the Government for this purpose. I request the favour of the very early orders of Government so that the arrear dearness allowance may be disbursed to the ~~member~~ members of the elementary education staff by the 31st March, 1947.
