SPARE COPIES _____

College - Aruthur Hope College of Technology,
Coimbatore - Manufacture of furniture -
Sanction of expenditure.

In submitting herewith a copy of the letter Rc.No.68/45 dated 11-12-1946 from the Principal, Arthur Hope College of Technology, Coimbatore, I request the sanction of Government to an expenditure not exceeding Rs.2,600/- (Rs.Two thousand six hundred) only on the manufacture of the furniture required for the college.

2. The College will require 28 dual desks and 5 work tables from July 1947, which cannot be easily procured from the Jails or the local market. The Principal therefore proposes to purchase 100 C'ft. of teakwood and 100 C'ft. of Junglewood from the Government Timber Depot, Pollachi and make the required articles in the College workshop by engaging the necessary labour. Details for the sum of Rs.2,600/- are given below:--

(i) Cost of wood (200 C'ft) ..	Rs. 1,800
including transport charges.	
(ii) Making charges. ..	785
Total.	2,585 or
	Rs. 2,600/-

3. The expenditure can be met from the provision allotted to the College in the current year. As the wood should be got and the furniture made by 31-3-47, I am permitting the Principal to purchase the required quantity of wood and proceed with the making of the articles in anticipation of the sanction of Government. I request that Government may kindly approve my action.

for Director of Public Instruction.

p.t.o.

Copy of the Principal's letter referred to everleaf.

I have experienced very great difficulty in obtaining furniture for the College. I have tried all the leading furniture makers in and near Coimbatore, as far as Trichur and Alwaye, but I have not been able to get any furniture maker who is capable of coping with our large orders. Even the small orders have either not been complied with at all or executed after long delay. A firm of furniture maker who claim to have dealt with furniture contract running into lakhs, have not yet complied with the small order placed with them over 6 months ago. Another firm has delayed the supply of furniture for months owing to shortage of wagon space.

The difficulties are that the furniture makers have shortage of timber and wagon space. Moreover, the furniture is becoming increasingly costly owing to the increaseing price of timber in the auctions of Military Surplus Stores, which is the chief source of supply of timber these days.

In view of the above, the only way of getting a large amount of furniture required in the College, and at the most economical price, is to make them in the College itself with timber from the Government Depot at Pollachi. The timber in the Pollachi Depot is the best available and far cheaper than the timber available in the market.

The College needs for the present, 100 c.ft. of teak wood and 100 c.ft. of jungle wood. The Government Timber Depot have agreed to supply these. The total cost of timber with transport charges will come to Rs.1800/-. I request that permission to purchase timber at a cost not exceeding Rs.1800/- may please be sanctioned at a very early date.

I may add that furniture is not made by the Coimbatore Central Jail. The jails at Salem and Cannanore have facilities for making furniture but they are so full with orders, that they cannot undertake any orders from us.
