R.O.C. 12-1334/47.

Dated 7th February 1947.

Sir,

Subject:- Education- Secondary - Municipal High School,
Tirupattur - Ninth instalment of school fees -
levy of - Sanction solicited.

The cost of maintenance of the Municipal High School, Tirupattur, has risen up considerably and the income from the school including the Government grant is not sufficient for the growing expenditure. Hence the excess over the income has to be met from the general revenues of the Council.

To make the school self-supporting, the Deputy Inspector of Municipal Councils and Local Boards, Central Range, Vellore in item E(III) of his inspection notes for 1946 suggested the levy of the 9th instalment of school fees in the Municipal High School and the Council, accepting his suggestion, has resolved to levy the additional instalment from the school year 1947-48. I submit an extract from the above mentioned notes and a copy of Council's resolution No. 326 dated 6-11-46. The budget for 1947-48 has also been worked out on this basis and the additional income would be about Rs.2000/-

I submit solicit sanction of Government for the levy of the 9th instalment of school fees.

N. Kannusami Naidu

Commissioner.

Extract from the Inspection Notes.

E. (111) Educational Institutions :- The Municipal Council maintains a High School. The receipts and charges for the High school for 45-46 were Rs. 22,118/- and Rs. 25,039/- respectively. The excess expenditure is due to payment of dearness allowance at enhanced rates. The balance of Rs. 2921/- was met from general funds. In order to make up the deficit, it is suggested that 9th instalment fees may be levied and collected.

Notes of inspection of the Deputy Inspector of Municipal Councils and Local Boards on the inspection of the Municipality in 1946.

Resolution :-

In this school High school, fees will be collected for 9 months from the next school year.
