Station Madras, Dated the 8th February 19 47.

From (Name) Dr. S.R.U. Savor, M.A., D.Sc., I.E.S.,
(Designation) DIRECTOR OF PUBLIC INSTRUCTION,
MADRAS.

To The Secretary to the Government of Madras,
EDUCATION AND PUBLIC HEALTH Department.
FORT ST. GEORGE, MADRAS.

Sir,

According to Rule 86(b) M.E.R. relating to
levy of fees in secondary schools, the five instalments of
fees of the long term should be collected successively in
every month commencing from the reopening of the school
after the summer vacation and if holidays intervene the
fees should be collected on the next working day, In
practice in most schools these are collected in July,
August, September, October and November.

It has been represented to me that Muslim
parents are put to some difficulty when they are called
upon usually to pay two instalments of fees in Muslim
Secondary schools soon after the Ramzan holidays. There is

p 17 2MER

something to be said for it. The Muslim schools start work in June and so collect fees for June and July. As the schools closes for Ramzan for the whole of August, the fees for August have to be collected in September in addition to the fees due for September. Thus the students have to pay two months' fees in one month causing some hardship to their parents. In order to avoid this it is necessary that the rule should be amended so as to enable the Muslim schools to avert collecting in the Ramzan month.

I accordingly propose the following amendment to rule 86(b) M.E.R.:-

Add to Rule 86, the following at the end of the present sub-para (b) after the words "March 5th".

"In Muslim schools where the first instalment of the long term is collected not later than June each year, the remaining instalments shall be collected in the succeeding months, excluding the month in the whole or major part of which the school is closed for the Ramzan; the individual management in respect of aided schools and the District Educational Officers and Inspectresses in respect of Government or Local Body schools under their jurisdiction shall fix at the beginning of each year the month in which the fee shall not be collected".

I request that Government may be pleased to approve my proposal and issue early orders.

I have the honour to be,
Sir,
Your most obedient servant,

Don

For Director of Public Instruction.
