Sub:- Stationery - Private typewriter of Dr.J.J.Rudra, R Principal, Arthur Hope College of Technology, Coimbatore Repairs and replacements - sanction to meet the cost from provincial funds - requested.

In submitting herewith a copy of the letter C.455/46 dated 24th October 1946 from Dr.J.J.Rudra, Principal, Arthur Hope College of Technology, Coimbatore, I request that in the circumstances explained therein, the Government may be ~~xxx~~ pleased to sanction, as a special case, an expenditure not exceeding Rs.50/- (Rs. Fifty only) towards the cost of replacements and ~~xxxx~~ repairs to the Principals PRIVATE typewriter. In G.O.No.900 Edn., dated 29-6-46, the Government sanctioned the employment of steno-typist in the college of Engineering, Guindy. As the superintendent of Stationery could not the obviously supply a typewriter owing to the ~~xxxxxx~~ scarcity of the machines in the war period, Dr.Rudra who was the there Principal of the College made his own machine available for the use of the steno-typist. With his transfer to the Arther Hope College of Technology, Coimbatore, the machine came to be used there also for Government work until a machine was supplied on 21-11-45 by the Stationery office. It may thus be seen that the Principals' private typewriter has been continuously used for Government work since July 1943 and that as a result the machine is now in need of certain replacements and repairs which are detailed below:-

1) To dismantle, overhand solder type 'c' refix the parts and adjust:	Rs.15	0	0
2) To Supply, solder and adjust one type 'D'	3	10	0
3) To Replace one set feed rolls.	9	14	0
4) " One cylinder assembled complete.	14	13	0
5) " One draw band.	1	5	0
6) Sundry repairs while replacing items 3,4,25	5	6	0
Total:	50	0	0

Items 1 and 2 have already been carried out due to urgency, and the other items have to be attended to as soon as possible. In the circumstances, I consider the Principals' request to meet the cost of necessary replacements and repairs from Provincial funds, fair and reasonable and request the early sanction of Government in the matter I have also consulted the superintendent of Stationery in this regard, who has stated that the Government have to be addressed in the matter.

Cur-No. 455/46 Dated 24-10-46.

Sir,

Sub:- Typewriter belonging to the Principal - Repairs
to - Requesting sanction for incurring the
charges for from provincial funds.

In 1943, while I was Principal of the College of Engineering, Guindy, a stenographer was sanctioned for the Principal. As Typewriters were not available at that time I observed to matter my personal typewriter available for the Stenographer, the typewriter in the College office being fully occupied for College office work, Thus my private typewriter was being used for doing office work in connection with the College from the time the post of Stenographer was sanctioned for the College of Engineering, Guindy, in 1942.

When I came to this, College I brought my typewriter with me and it has been used through only by the stenographer and was also used for college office work till 21-11-45 when a typewriter was supplied to the College office. A typewriter has been sanctioned for the Stenographer, but the Superintendent of Stationery has not yet supplied it.

As already reported in my letters C.No. 207/46 dated 14-5-46 and 30-5-46 my typewriter has been badly worn out due to its having been in heavy use by the Stenographers during the last five years. As the work in the office has been heavy all along, the office typewriter could not be made available to the stenographer. It was therefore absolutely necessary to have at least the urgent repairs done to my private typewriter so that work could get on without delay. Accordingly I had the Krishnaswamy and Co., Coimbatore who repaired the machine inform me that replacement of certain parts at a cost of Rs. 28-4-0 is also necessary. It is likely that a few more parts may have to be replaced before the typewriter sanctioned by the Government is received.

In the above circumstances it is requested that, in view of the fact that the repairs to my private typewriter became necessary only in the discharge of Government work and if a Govt. typewriter had been used these charges on repairs would have been admissible in the ordinary course, sanction may kindly be accorded for incurring on expenditure upto Rs. 50/- from Provincial funds for repairs to my private typewriter.

From: M. Karamatullah, Esq., I.C.S.,
SUPERINTENDENT OF STATIONERY,
(MADRAS) AT GUINDY,
SAIDAPET P.O.

To
The Secretary to Government,
Education and Public Health
Department, Madras.

No.B.2.3064-46.

Dated: 14/2/47.

Sir,

Private typewriter of Dr. J.J. Rudra, Principal,
Sir. Arthur Hope College of Technology - repairs and
replacements are at Government cost - remarks - called for -
submitted.
Government memorandum No.77322-A-1-46 dated 9-1-47.

A/ I have to state that there is no provision in the Stationery Manual
B/ for repairing a private typewriter at Government cost; but in the present
case, the following factors have to be considered. The private typewriter
of Dr. Rudra was fully occupied in the discharge of Government work
continuously from 1942 A uptil 1946 in the absence of Government typewriters
which were not available in the war period. Apart from this, if a loan
typewriter had been hired during that period, the hire charges would have
been a huge sum, compared to Rs.50/- now claimed towards the repair charges.
Taking these into consideration, I feel that the claim of Rs.50/- is reasonable
and also justifiable. I therefore, recommend that the Government may be
pleased to sanction an expenditure not exceeding Rs.50-0-0 towards the
repairs charges for the private typewriter of Dr. Rudra as a special case.

Finance (Accts-B)

D.P.I's letter to P.C.F. and

Please see the notes on page 1 above. The payment of such repairing charges on account of a private typewriter is very unusual and normally the prior sanction of the Govt. should have been obtained before the use of such typewriter for official work. In the circumstances now pointed out by the Supdt. of Stationery, it is for orders whether this dept. may agree to the repair charges and accept the proposal at A on page 1 above.

may be accepted
as a special case
