Sir,

Sub: College - Lady Willingdon Training College - Opening of a
Training Section for Nursery teachers - Expenditure on
construction of shed.

Ref: G.O.No Ms.771 Edn dated 9-4-1946

I have the honour to request the sanction of Government for an expenditure of Rs.3000/- (Rs. three thousand only) on the construction of a tiffin shed in the premises of the Lady Willingdon Training College, Triplicane. The plan and estimate received from the Principal are enclosed for reference and return. The work will be carried out departmentally according to the specifications of the Public Works Department who have certified to the reasonableness of the rates quoted in the estimate. The expenditure will be met from the provision made in the current year's budget estimate, with reference to the G.O. cited above for the construction of a shed for the Nursery Training Class. The necessity for the diversion of the funds is explained below. The Principal, Lady Willingdon Training College, Madras, reports that a temporary shed put up at a small cost of Rs.3000/- will not provide satisfactory accommodation for the new section and that, as this training section is now well accommodated in a part of the out buildings in the college compound hitherto used as tiffin rooms, the above sum may be utilised to better advantage for the construction of a tiffin shed for the students of the secondary section who have been deprived of this provision as a result of the out buildings being used for the Nursery teachers' training class. A copy of the Principal's letter in this connection, RC.No.124-A/46 dated 21-5-46, is submitted herewith for the information of Government and I recommend that ~~the~~ her proposal may be approved. I am permitting the Principal to proceed with the work in anticipation of Government approval.

Copy of letter RC.No.124-/46 A dated from the Principal,
~~Lady Willingdon~~ Lady Willingdon Training College, Madras to the
Director of Public Instruction, Madras.

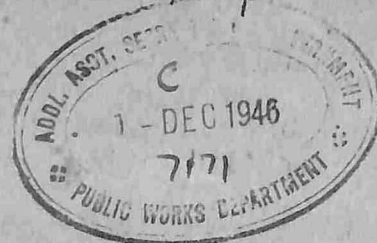

Ref: Proceedings RC.No.28-D/45, dated 18th April 1946.

As regards accommodation for the nursery school I have arranged for the allocation of part of the out buildings in the ice house compound as providing the most satisfactory accommodation pending the erection of the new building for Primary and nursery classes which has been sanctioned in Part II schemes for 1946-47.

This however will mean that the school will be without its two tiffin rooms and I propose that the Rs.3000/- may be utilised for putting up tiffin sheds for the secondary school. I may add that the present provision for tiffin sheds has been most inadequate and the need for additional tiffin accommodation has been becoming a pressing need. Therefore, these sheds will be of permanent use, whereas the amount of Rs.3000/- sanctioned for temporary quarters for the nursery school would not only provide unsatisfactory accommodation for this purpose, but it would have to be adapted for other uses when the new building for the nursery classes is complete.

I request therefore that permission be granted for the erection of tiffin sheds for the secondary school up to a maximum of Rs.3000/- thus making provision now for the tiffin rooms allocated for the use of the nursery school and for the necessary additional tiffin rooms when the nursery school gives up its present quarters.

GOVERNMENT OF MADRAS
ABSTRACT.

Schools - Nursery Schools - Training of teachers - opening of a Government Training School - Sanctioned.

Education and Public Health Department.
G.O.No.MS.771 Edn

Dated 9th April, 1946.

READ the following paper:-

From the Director of Public Instruction, ROC.28-D/45, dated the 29th September 1945.

ORDER:

The Government consider that nursery schools have an important place in the educational structure and that the Educational Department should actively encourage the development of such schools. Teachers with special training are, however, necessary for running the schools on proper lines. The Government accordingly approve the proposal of the Director of Public Instruction that a training school may be opened in the Lady Willingdon Training College for the purpose with effect from the school year 1946-47.

2. Sanction is accorded to the employment for a period of two years from 1st June 1946 of an L.T. Assistant on a pay of Rs.70-200; three secondary grade teachers on Rs.30-55 and a part-time doctor who will be granted a remuneration of Rs.30/- per mensem for the school.

3. Twenty candidates will be admitted for training every year. The period of training for candidates who have passed the S.S.L.C. Examination will be two years and for secondary grade trained teacher one year. The candidates will be allowed stipends at the rate admissible for candidates for secondary grade training.

4. The requisite provision on account of sheds, equipment and contingencies has been made in the Annual Estimate of expenditure for 1946-47.
