Sir,

Emigration-War-Evacuees-Refugee student-Miss-Angelana-Kamalaboi
Chelliah-application for grant of allowance for Medical
course-report submitted.

2691

I enclose herewith the application of Miss. Angelana
Kamala Boi Chelliah, a refugee student studying in the Missionary
Medical College for women at Vellore for the grant of an allowance
for her education for the academic year 1946-47.

A sum of Rs.214-7-0 excluding the hostel charges
of Rs.127-8-0 is likely to be incurred by her for her education
during 1946-47 according to the details furnished in her applica-
tion and verified by the Principal, Medical College, Vellore.

The refugee student is under the care of her
mother who is in receipt of an advance payment of Rs.60/- per
mensem from her deceased husband's provident fund account with
M/S. Steel Brothers Coy, Rangoon now at Calcutta. The amount at
Credit in the P.F. is reported to have been Rs.6768 at the time
of this application. The mother who has to maintain herself and
her four daughters is not in a position to meet the expenditure on
the girls' education from the amount she received from her husband's
Provident Fund. The sum of Rs.60/- which the mother draws from
the P.Fund was found to be insufficient even for the maintenance
of the family and a sum of Rs.25/- per mensem is being granted as
maintenance advance to her mother from September 46. Notwith-
standing the fact that there was some amount at credit in the P.F.
the Government of India in their letter F 19(105) 45 E2 dated 29-11-45
communicated in G.O.Ms.2061-Edn d/5-12-45 were pleased to sanction
the grant of an allowance of Rs.195-4-0 for the academic year 1945-46
to the Applicant while she was studying in the Senior Intermediate
class in the American College, Madura.

p.t.o.

In their letter No.F.21-116-44-E ii dated 18-11-44, communicated in Government Memo 42559-5-B Edn. dated 4-11-44, the Government of India were also pleased to sanction educational allowance to the applicant's sister Miss Emalane Chelliah for the year 1944-45.

The pre-evacuation sources of the applicant's family were such that if the student remained in Burma, the course of education which she has now taken could have been taken. As directed in para 4(b) of G.O.Ms.1528 Edn. dated 26-9-45, the applicant's mother has been made to understand that the Government do not guarantee to be responsible for the completion of the course of studies the student has undertaken. The Government in their order Ms.2350 Edn dated 9-12-46 have laid down that no fresh entrants to the scheme of grant of financial assistance to evacuee university students during the year will be considered eligible for assistance and that only students who are already in University classes and embarked upon the courses of studies with the help of Government assistance will continue to receive it during the year. It is not free from doubt whether the applicant who has undertaken the Medical course this year can be rendered assistance under the scheme in view of the fact that she was assisted financially by the Government of India for her studies in the Senior Intermediate class during the year 1945-46. If she is eligible for the grant of financial assistance for her medical course I request that the orders of the Government of India may be obtained to pay the student a sum of Rs.214-7-0 for the year 1946-47.

Dated Madura the

Sir,

I am an evacuee student from Rangoon, Burma. My father was employed in Messrs. Steel Brothers and Company Ltd, Rangoon and was in receipt of a salary of Rs.180/- per month. He remained on duty until orders were given by the company to evacuate to India and he started trekking about the middle of April 1942, via.Kalewa - Tamu Manipur route. He took ill on the way and was admitted into the Emergency Hospital at Pandu where he died on the 18th May 1942 leaving behind wife and four daughters.

I am the second daughter and am 17 years of age now. All the members of our family excepting father evacuated from Rangoon on the 25th of December 1941 and have since been living in Madura. I was studying in the American Mission College, Madura. I have now passed my Intermediate Examination in I class with distinctions in Natural Science and Chemistry and have joined the Medical College, Vellore.

The amount to my father's credit in the Provident Fund Account with Messrs. Steel Brothers & Co; Rangoon (now at Calcutta) at the time of our evacuation was Rs. 10000 My mother could have been able to meet all the expenses that I have to incur for the medical course from this amount without any difficulty. But unluckily she has been withdrawing Rs.60/- per month as advance payment from my father's Provident Fund from July 1942 in order to maintain us and hence the amount in the Provident Fund is fastly growing less and at present it has come to Rs. 6768. - My mother has not so far received any maintenance allowance under the Government of India scheme. Last two years I was granted the evacuee scholarship (i.e. tution fees, special fees and cost of books) for my Inter-

mediate course. My mother has to support besides myself my three sisters who are all studying. We have no other sources of income. Owing to the increased cost of living it has not been possible for my mother to maintain us with the advance she is drawing from the Provident Fund and she has had to incur debts.

Recently we requested the manager of the Steel Brothers & Co; to kindly grant us a pension in addition to the Provident Fund. Unfortunately the manager sent us a reply that the company was faced with an extremely difficult future and hence unable to institute a pension.

If you kindly grant me financial assistance for my education I will be able to finish my studies before the Provident Fund is completely spent and then help my mother and sisters. If I do not receive any financial assistance from Government towards my education, my mother will be obliged to incur further debts or in the alternative I may be compelled to leave the college.

In view of the facts stated above, I beg to request that I may be given the necessary financial assistance for my education under the Government of India Scheme.

Thanking you in anticipation,

I beg to remain,

Sir,

Your most obedient servant,

Angelina Kamala Bai Chelliah

Sri S. Ramamurthy - Evacuee student - Financial assistance recommended for 1946-47

Sri S. Ramamurthy, an evacuee student studying Licentiate Week Automobile Engineering course in the Ramakrishna Mission Students Home, Mylapore, is a recipient of the financial assistance for the past two years. He passed the intermediate examination in 1946 and joined the course during June of the same year. In G.O. No. Ms. 668, Edn. dated 27-3-1946, the student was granted Rs. 745-4-0 for his senior Inter class. The student has now applied for the grant of financial assistance for his study. The financial condition of the family has not improved. The grant applied for is recommended as detailed in the recommendation form.

The application of the student in original and the recommendation form are enclosed.
