Sub:- Elementary Education Fund - Budget Estimate for 47-48 -
Municipal Council, Sivakasi.

Submitted.

2) The budget has been explained by the Commissioner in his note to the council.

3) The amounts shown against "collection charges" on the receipts side, both in the Revised Estimate for 46-47 and Budget Estimate for 47-48, should be transferred to the expenditure side and shown against "Education tax - collection charges" under "1.staff".

4) Revised Estimate for 46-47. In G.O.No.719 Edn., dated 4-4-46 the Council was granted an extension of time till 10-3-47 to claim the subsidy in connection with the construction of a building for the ammankoil patty elementary school. The Commissioner says that during the current year in addition to the subsidy of Rs.684/- sanctioned in the above G.O. pending sanction of Government the credit may be allowed to stand.

5) A sum of Rs.6600/- has been provided under "Capital" while there is no such provision in the sanctioned budget sanction of Govt. is necessary for the expenditure.

6) Budget Estimate for 47-48. The credit taken for Government grant under Section 37 of the Madras Elementary Education Act is liable to revision with reference to the actual amount of education tax realised and adjusted to the fund during 1946-47.

7) Government Memo No.45967 A/44-11 Edn., dated 22-6-45 the Council was promised a subsidy of Rs.6700/- for the construction of a building for the Amman Koil Patty elementary school. Of this the commissioner Proposes to realise a sum of Rs.1480/- before the end of this year. So the council will be eligible for a sum of Rs.5220/- (6700 minus 1480) only if further extension of time is granted by Government to draw the amount during the year 1947-48. It is reported that the credit taken under "Capital Government grant" includes a sum of Rs.950/- for the purchase of equipment to elementary schools. It is not usual to grant subsidy for local bodies for the purchase of equipment to elementary schools. Hence this amount should be deleted. The credit taken under "capital - Government grants" may therefore be reduced to Rs.5200/-

8) In view of the remarks in para 7 supra the provision made under "capital - furniture and apparatus" may be debted. Deleted

9) Two schools are held in inadequate buildings. steps should be taken to rectify this defect as early as possible.

10) Two boys' schools are in need of some additional equipment.

11) Leave salary and dearness allowance are paid.

Revised Estimate and Budget Estimate on the Elementary Education Fund Account for 1946-47 and 1947-48 respectively.

NOTE FOR THE COUNCIL.

The revised estimate for the current year opened with a balance of Rs.6870/- as against the budgetted balance of Rs.451/-. The opening balance under Ordinary and Capital accounts is Rs.1538/- and Rs.5332/- respectively. The reasons for the increase in the opening balance under the ordinary and capital accounts are mainly due to the fact that there is a slight increase in the net receipts of Education tax; savings in the expenditure on staff and equipment and on account of the non-completion of the Ammancoilpatti Municipal school in the year 1945-46. The net receipts taken credit under education tax in the revised estimate is Rs.6270/- as against the budgetted amount of Rs.5900/- and the increase is due to the quinquennial revision of assessments under property tax. The Government grant under Section 37 of the Elementary Education Act sanctioned and credited to municipal funds is Rs.4670/- as against the provision of Rs.4590/- made in the budget estimate for 1946-47. Hence the actual grant is taken credit in the revised estimate for the current year.

2. A sum of Rs.2000/- is proposed to be transferred to Capital Account in the Revised Estimate as provision of dual desks to the value of Rs.500/- for Annavithottam School and construction of a portion of compound wall in Annavithottam school and earmarking of Rs.1000/- towards the completion of the Ammancoilpatti at enhanced estimate in the next year are considered necessary. A sum of Rs.1480/- is taken credit in the Revised Estimate as Government grant since a sum of Rs.680/- claimed as Government grant half grant in 45-46 towards the construction of Ammancoilpatti school has been adjusted in the current year and a further half grant of Rs.800/- is expected to be claimed within the end of the year.

3. The expenditure on the educational staff under Salaries and allowances is shown as Rs.11280/- in the revised estimate as against Rs.12810/- in the budget estimate. Actuals for 9 months and probabilities for the remaining 3 months are taken into account. Hence the reduction. A sum of Rs.810/- being the difference of dearness allowance sanctioned in G.O. No. 1552 L.A., dated 19-9-46 is provided in the revised estimate and the provision is shown separately as noted in Government Memorandum No. 77362-C-1.46-1-64-12-46. The difference of dearness allowance to teachers will be paid soon. As the construction of additional accommodation in the Ammancoilpatti school has not been completed as expected and as the rented building had to be continued to be occupied this year also, a provision of Rs.140/- is made under "House rent" as against Rs.80/- in the budget estimate. The provision of Rs.250/- made in the budget estimate is increased to Rs.310/- as it is proposed to make two almyahs for the schools, one for Annavithottam school and the other for Mohamadan school and to meet the cost of apparatus science apparatus purchased for Annavithottam school. Under "Other items" the provision is reduced to Rs.50/- from Rs.100/- as the cost of articles for prevocational subjects would not exceed the revised provision. Provision under "Repairs" is reduced to Rs.100/- from Rs.150/- as the work made.

4. Rs.2100/- is provided in the Revised Estimate towards the construction of a portion of wall compound of Annavithottam school and the part payment to be made towards the construction of Ammancoilpatti school (Rs.500/- and Rs.1600/-). As the construction of Ammancoilpatti school will not be completed in this year

4) Revised Estimate for 46-47. In G.O. No. 719 E.D., dated 4-4-46 the Council was granted an extension of time till 10-3-47 to claim the subsidy in connection with the construction of a building for the Ammancoilpatti elementary school. and as it is expected that it will be completed in the next year, it is proposed to invest a sum of Rs.4000/- out of the balance of the loan amount of Rs.6700/- taken from Government for the above construction as per G.O. No. Ms. 1444 Edn. dated 15-9-1945.

BUDGET ESTIMATE FOR 1947-48. The receipts under Government grant under Section 37 of the Elementary Education Act is taken as Rs.4900/- as per instruction in G.O. No. 530 Edn. dated 6-4-45. The increase is due to the increase in the rentals consequent on the general revision. A sum of Rs.450/- is proposed to be transferred to Capital Account to meet the cost of construction of a portion of compound wall in Annavithottam School in the next year. The construction of Ammancoilpatti school is expected to be completed and the half grant of Rs.5820/- is expected to be realized from Government. Provision of dual desks for Annavithottam school at a cost of Rs.450/- and science apparatus, physiology models etc. for Annavithottam school at a cost of Rs.500/- is made in the expenditure under Capital account on the understanding that full government grant can be claimed. Hence a sum of Rs.6770/- is provided under Government in capital account. The investment of Rs.4000/- provided in the revised estimate of 1946-47 is taken credit in the budget estimate for 1947-48 as the amount will be required to meet the payment of cost of construction of Ammancoilpatti school which is expected to be completed in 1947-48.

Expenditure under "Salaries & Allowances" to staff is as per the working sheet attached. Provident Fund contribution is slightly increased on account of certain teachers eligible to be included to the provident fund scheme. Provision of Rs.12080/- under "Lands and buildings" in capital account includes Rs.11630/- for the construction of Ammancoilpatti school and Rs.450/- for the construction of a portion of compound wall in the Annavithottam school. Provision of Rs.950/- under "Furniture and apparatus" includes Rs.450/- for providing dual desks to Annavithottam School and Rs.500/- for museum, clay models, science apparatus etc. to the same school. In framing the budget, the instructions of the educational authorities have been taken into account as far as possible with reference to financial conditions for the improvement of the schools. The budget estimate after meeting the above anticipated expenditure closes with a balance of Rs.410/- both under Ordinary and Capital.

The General Budget of the Ml.Cl. for 1947-48 has since been
received and is examined in the linked file. The contributions
shown in the Ele.Edn.Budget and those provided for in the General
Budget are the same viz. Rs.2,130 for each of the two years
1946-47 and 1947-48.

2. Para 3(iv) on page 1 above. The General Account of the
Ml.Cl. for 1947-48 is expected to close with a deficit. It is
not therefore possible to increase the contribution from the
Gl.Acct. to the Ele.Edn.Acct. in 1947-48. The deficit of Rs.1,137
under the Elementary Education Account can however be met by
adjusting an equal amount from the arrear toll compensation
likely to be sanctioned to the Council in 1947-48.

With these remarks the file may be returned to Edn.&.P.H.Dept.
