Clauses (a) to (c)

Please see the note in the linked file explaining the present position in regard to the revision of salaries of teachers.

Clause (d)

2. It is not clear what the M.L.A. refers to in the clause as system of provident fund is in force for teachers employed in schools under local bodies as well as for those under private management. Teachers can undertake private tuition with the permission of the management. If a teacher is also a manager of a school, he can derive an addl. income from

School

school fees. This is purely in his capacity as a manager, not as a teacher. The rules relating to the grant of aid to ele. ~~sch.~~ permit the payment of bonus to efficient schools. This bonus is generally appropriated by the management. The answer to this clause may

be in the negative. ~~Under the order of H.M. the D.P.I. has been asked to consider proposals for the improvement of the status of~~

3. A draft answer is submitted for approval ~~teachers in elementary school under private management without any extra cost to Govt.~~

24/8/46. 25/8/46. 3. A draft answer is submitted. Perhaps the D.P.I. may see the for remarks, if any.

U.O. No. 5641-B4/46 13-9-46.

The following replies are suggested:-

(a) Grant for aided elementary school teachers has been increased by Rs. 2/- from 1946. The question of revising the pay of teachers in all schools is under consideration.

(b) and (c). Do not arise.

(d) At present the teachers get the benefit of the Teachers' Provident Fund."

~~Submitted for orders as to whether the answer to the question~~

~~may be given on the lines suggested by the D.P.I. in his no. reply above.~~

A. above.

It has been decided that the pay of teachers in aided elementary schools should be raised by Rs. 2 per mensem. The file was circulated to H.M. (Education) and H.P.M. on 2.8. 1946. for

clarification of certain points. The file has not been received back and no orders have gone out. It is understood that the file ~~is~~ is still with H.P.M.

The decision to increase the pay of teachers by Rs. 2 per mensem was, however, announced in the newspapers, and the draft answer ~~sent~~ by the D.P.I. is apparently based on the Newspaper reports. Before answering the question it will be necessary to issue a formal order sanctioning the increase of pay. The case may be circulated to H.M. (Edn) and H.P.M.

H.M. (Edn)

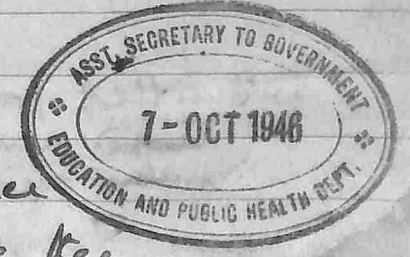

The answer suggested by H. P.M. D.P.I. is approved. It is not a proper ~~announcement~~ but part of the budget speech. The signature from H. P.M. may be expected. He told me on the 28th that all the papers up to date were disposed of. And as it is possible it might have been signed by this time
