Enclosures:

No. 421-2/47 dated 11th March 1947.

Sir,

Subject:- Government Museum- Purchase of a
 Hand Camera - Sanction - Requested.

I have the honour to request the sanction of
 Government for the purchase of an Argoflex - twin -
 lens camera at a cost of Rs.480/- (Rs Four hundred and
 eighty only) excluding packing and freight charges.

The need for a hand camera has been keenly
 felt for use in all sections of this Museum for some
 years past. The hand camera is very essential for
 better pictures especially in places where we could not
 make use of the heavy plate cameras in use in this
 Museum. Enquiries were being made about the

availability of Roly flex hand camera or any suitable hand camera of similar type. To an enquiry made recently, Messrs. Patel India Ltd., Bombay, sent a reply stating that they have imported a small quantity of Argoflex -twin -lens hand cameras and that the price is Rs.480/- nett. excluding packing and forwarding charges which will be extra.

As the camera is available for immediate supply I have to request that Government will be pleased to accord early sanction for the purchase of the above camera from this year's funds under "Apparatus & Materials".

I Have the honour to be
Sir,

Your most obedient servant.
