## Kumbakonam Municipality.

### Elementary Education Fund.

Revised Estimate for 1946—47. Budget Estimate for 1947—48.

#### EXPLANATORY MEMORANDUM.

##### RECEIPTS—ORDINARY.

The credit taken in the Budget Estimate for 1947—48 and in the Revised Estimate for 1946—47 under "Education Tax" represents 98% of the current demand and 90% of the arrear demand.

The credit taken in the Revised Estimate under "Government Grants" under section 37 of the Elementary Education Act, is the amount equivalent to the Education Tax realised during 1945—46. Credit is taken in the Budget Estimate for 1947—48, based on the amount of tax that is expected to be realised during the current year. The credit taken under "Government Grants" under proviso to Section 37 of the "Elementary Education Act" is the grant sanctioned by Government in G.O's. Nos. 783—Education dated 10—4—46 and 792 Education, dated 11—4—46. A sum of Rs 4100 was sanctioned by Government in their order No. 1159—L. A., dated 2—7—46, as compensation for loss of income under Education Tax on profession for the year 1946—47 and credit has been taken for that amount in the Revised Estimate and also in the Budget Estimate. No credit has been taken under the Head "Compensation for dearness allowance" both in the Revised Estimate and Budget Estimate as Government have declared that no subsidy will be paid during 1946—47 and it is now not possible to determine the precise amount that may be sanctioned under this head during 1946—47.

##### RECEIPTS—CAPITAL.

No amount is transferred in the Budget Estimate from Ordinary to Capital as no provision could be made to meet capital expenditure owing to paucity of funds and owing to the deficit balance in the budget.

##### EXPENDITURE—ORDINARY.

The sum of Rs 61,000 provided in the Revised Estimate under the Head "Staff—Masters—Pay" includes payment of leave salary and increments due in the current year. An increased sum of Rs 1000 over this amount is provided in the Budget Estimate under this head in order to meet expenditure on the appointment of additional teachers. The provision of Rs 38,000 made in the Revised Estimate under the Head "Masters—Dearness Allowance"—represents the payment of enhanced rates of dearness allowance to teachers during the current year. This provision includes Rs 6205 being the payment of the arrears of dearness allowance to the Elementary Education Staff sanctioned in M. C. R. No. 326 dated 15—10—1946, as desired in Government Memorandum No. 77862—C 1—46/1—Education, dated 18—12—1946.

##### *Clerks and Servants :*

Provision for payment of dearness allowance at enhanced rates has been made both in the Revised Estimate and Budget Estimate.

##### *Collection charges and contribution to Provident Fund :*

The provision is only normal and depends upon the emoluments paid to the staff.

##### *Contingencies :*

1. House Rent:—The provision is only normal and the same as that provided during the last year.

## EXPENDITURE—CAPITAL.

As already stated in the remarks relating to "Receipts—Capital" no provision could be made at all for meeting capital expenditure in 1947-48 though the construction of school buildings is quite necessary, as the inspecting officers are insisting on the purchase of buildings to locate some schools and on the provision of additional accommodation to some schools, though sites have been acquired for the specific purpose of constructing school buildings. The following items of capital works are imperatively necessary; yet no provision could be made on account of the deficit balance in the Budget and on account of the fact that the investments made in Government securities, which were specially reserved for meeting capital expenditure had to be realised and adjusted to the Elementary Education Funds according to the orders of Government, to meet the deficit in the budget during the last year.

1. Construction of compound wall, latrines, and urinals to Gopu Sivagurunatha Chettiar's (Tanjore Road) school.

2. Construction of a building for Mettu Street school on the site received as a gift from Sir C. P. Ramaswamy Iyer, Dewan of Travancore.

3. Construction of a school building in Kottaiyur for locating the proposed Higher Elementary School.

4. Construction of a building to locate the Town Primary school on the site specially acquired at a cost of about Rs 5000 in Kamakshi Josier Street.

5. Extension of Banadurai Primary school building for providing additional accommodation.

6. Additional accommodation to Rani Subbier school.

6. Additional accommodation to Solayappa Street school.

7. Additional accommodation to Kadalangudy street school.

The closing balance in the Revised Estimate is minus Rs 22393 in spite of the sale of securities (Rs 20400) during the last year. The closing balance in the Budget Estimate is minus Rs 50577. It may be apparent from the Budget Estimate, that but for the payment of dearness allowance the expenditure can be normally met from the receipts and the budget balanced. But owing to the payment of dearness allowance of (Rs 30000 for masters and Rs 1680 for clerks and servants) the deficit in the budget estimate for 1947-48 is Rs 50577; it is quite apparent that this deficit is solely due to the payment of dearness allowance. It is therefore suggested to the council that Government may be requested to sanction the payment to this municipality in 1947-48 of a subsidy to cover the deficit amount of Rs 50577 for 1947-48.

C. No. 17222G/47 From the D. P. I. R.O.P. No. 67-B3/46-47, d/25.2.47.  
p/cf

The resolutions of the M. cl. Kumbakonam, approving the E.E. fund budget has not been ~~received~~ <sup>submitted</sup>. Pending receipt of the resolution of the cl. the R.E. for 1946-47 and the B.E. for 1947-48 submitted by the Commr. are examined below.

2. R.E. for 1946-47 (i) The cl. may be asked to take credit for a sum of Rs. 14,000 under the head "Govt. grant towards payt. of d. a" with reference to G.O. 8 Edn, d/4.1.47.

(ii) Provision has been made for the payment of the arrears of dearness allowance to the E.E. Staff. As the cl. depends on a subsidy from Gov. funds to avoid a deficit in the E.E. fund, the cl. should not pay the arrears of d. a. The provision made under the head "Staff - Masters - Dearness allowance" may be reduced by a sum of Rs. 6,205.

(iii) Revised with reference to the suggestions above, the R.E. for 1946-47 is expected to close with a deficit of Rs. 2,188. L.A. may be requested to state whether this deficit can be avoided by an additional contribution from the Gl. funds or by adjustment from the Arrear Toll Compensation Grant. If this is not possible, a subsidy will have to be paid to the cl. from the Provincial funds. L.A. and Finance may see

(iv) If the cl. is to be allowed to pay the arrears of d. a. to the E.E. Staff, the additional contribution necessary from the Gl. funds is Rs. 22,393 over and above the credit taken in the R.E. L.A. may see.

adjust a sum of Rs. 9,616 from the Arrear Toll Com-  
pensation Grant likely to be sanctioned to the cl.  
next year. L.A. may see.

(ii) Presuming that the balance in the  
E.E. fund on 1.4.47 is nil, the B.E. for 1947-48 is ex-  
pected to close with a deficit of Rs. 28,184. L.A. may  
be requested to state whether this deficit can be avoided  
by an additional contribution from the gl. funds  
or by adjustment from the Arrear Toll Compensation  
Grant. If this is not possible, a subsidy will have to be  
paid to the cl. from Provincial funds as there is no  
scope for raising the rate of the Education tax. This  
question may be examined after the actual balance  
in the E.E. fund on 1.4.47 is known.

4. The cl. was not paid any subsidy  
towards the grant of d.a. to the E.E. Staff in 1945-46.

remarks.

Local Admn. Deptt.  
(Bud. II)

The contributions shown in the Elementary  
Education Budget and those provided for in the General  
Budget are the same viz. Rs. 11,330 for each of the two  
years 1946-47 and 1947-48.

2. The Council proposes to adjust a sum of  
Rs. 9,616 from the arrear toll compensation to the Elementary  
Education Account in each of the two years 1946-47 and  
1947-48. This Deptt. may agree to this adjustment.

3. Para. 2 (ii) and (iv) on p.1 above:- The  
Council has already paid the arrears of dearness allowance  
to the Elementary Education staff. There is therefore  
no use in asking the Council to delete the provision made  
for this purpose in the R.E. for 1946-47. The Council  
may be asked, if E. & P.H. Deptt. agrees to divert temporarily  
a sum of Rs. 6,205 from the Water and Drainage Account

to the Elementary Education Account towards the cost  
of arrears of dearness allowance to the Elementary  
Education staff, subject to the condition that the  
diversion is made good as soon as the financial posi-  
tion of the Council improves.

4. Para. 2 (iii) on page 1 above:- The  
General Account of the Council for 1946-47 is expected  
to close with a deficit even after adjusting the  
balance of the arrear toll compensation. It is not  
therefore possible either to increase the contribution  
from the General Account to the Elementary Education  
Account or to allow the Council to adjust to the  
Elementary Education Account any further amount from  
the arrear toll compensation.

5. Para. 3 (ii) on p.2 above:- The General  
Account of the Council for 1947-48 is expected to close  
with a deficit. No additional contribution from the  
General Account to the Elementary Education Account is  
therefore possible. It is proposed to permit the  
Council to adjust the entire <sup>balance</sup> arrear toll compensation  
to its General Account to reduce the deficit in that  
Account. The arrear toll compensation will not there-  
fore be available for meeting the deficit in the Ele-  
mentary Education Account. The Council's resolution  
on the Budget will be found in the top file.

With these remarks the file may be
