No. 329-1/47 dated 21st February 1947.

Subject:- Government Museum - Partition to existing show cases - Birds' gallery - Making and supplying one Teak Wood frame for a Geological map - Sanction request of.

14733

I have the honour to request the sanction of Government for getting partitioned five show cases in the birds' gallery at a cost of Rs. 265/- and for making and supplying a teak wood frame for a large geological map to be exhibited in the gallery at a cost of Rs. 130/- . Tenders were invited from competent contractors and the favourable tenders have been accepted.

The existing cases for exhibiting birds are large and have no partitions in the middle with the result that the exhibits are not shown with the best effect. One of the show cases in this gallery was partitioned and the result is extremely satisfactory. It is now considered necessary to have five more cases partitioned with 1" wooden screens made of teak wood frames and ply wood planks so as to form one group. A big geological map which is to be exhibited in the geological gallery is required to be mounted in a teak wood frame with panelled back plank as, otherwise, it will easily get spoiled.

Early sanction is therefore requested for partitioning the five show cases in the Birds' gallery at a cost of Rs. 265/- and for making a teak wood frame for the geological map at a cost of Rs. 130/- . The expenditure will be met under a.A.3 other charges - Authorised - Furniture and fittings.

I have the honour to be
Sir
Your most obedient servant.

A. Aiyappan
Superintendent.
