Military- P.W.R.- Demobilised personnel- Training as Secondary Grade and Higher Elementary Grade Teachers- Report- Submitted.

Ref. No.Y. 203/45-50.

Madras. 4th February 1946.

From G. Venkateswara Ayyar Esq., I.C.S., Secretary, Board of Revenue.

Read:-

Board's Refce. No.Y. 203/45-48 d/ 17-1-46.

Reference:- Reports from the Chairmen of the D.S.S. & A. boards.

There are at present two schemes for the training of demobilised personnel as teachers. One relates to their training as higher grade elementary teachers and the other as secondary grade teachers in the Corporation of Madras- vide G.O. Mis. 216 2179 (E. & P.H.) d/ 22nd Decr. 45 and Memo. No.44349 A.2 (E & P.H.) dated 14th Nov. 45.

2. The chairmen of all the D.S.S. & A. Boards were asked to register applications from intending candidates among the demobilised personnel in respect of the Higher Elementary Grade Teachers' course and the chairmen D.S.S. & A. Boards, Madras, Chingleput, N.Arcot and Nellore were asked to do so in respect of the Secondary Grade teachers' course. Most of the chairmen have reported that candidates are not forthcoming for the courses. Only seven candidates - 3 from N.Arcot, 2 from Ramnad and 2 from Coimbatore- have been reported for the Higher Elementary Grade Teachers' training while four candidates are reported to have been interviewed by the chairmen, D.S.S. & A Board, Nellore in connection with the Secondary Grade Teachers' training. In regard to the Higher Elementary Grade Teachers' course, the chairman, D.S.S. & A. Board, Malabar suggests that the ex-servicemen are apparently family-burdened and cannot undertake the course for want of sufficient means to maintain their families during the period of training.

The Board observes that it is rather too early to judge from the reports as to how far these courses are likely to be popular. Many men who might be suitable for the courses have not yet been demobilised. The Collectors were not also given much time to contact the men who might want to take these courses. The Board hopes that sufficient number of candidates will be forthcoming in course of time. However, in order to make the courses more attractive, the Board submits the following recommendations for the consideration of the Government:-

- (1) that stipends may be increased to an attractive limit
- (2) that some sort of "Family-Allowance" may be given according to the size of the family subject to the maximum limit of Rs.30/- p.m. per trainee;
- (3) that the duration of the courses may be shortened and
- (4) that the scale of pay for Teachers may be increased generally.

As regards recommendation (1) above, the Ma Board submits that the stipends given at present for the two courses viz. Rs.8/- and Rs.12/- p.m. per trainee are not attractive enough even to get many recruits from the Army. Much higher stipends are given for Industrial and Co-operative training. As regards recommendation (2) the Board submits that the released Army men will be older than the ordinary trainees and will have more expensive family obligations. to discharge. Recommendations (3) and (4) are matters of educational policy not peculiar to the ex-soldiers. The Director of Public Instruction may be consulted on them.

2. The Board invites the attention of the Government to its Reference No. Y. 203-45-50 dated 4-2-46 and submits that it is too soon to say whether sufficient No. of candidates will not be forthcoming before the end of the school year 1945-46. The Collectors have been given time till 1-3-46 to give as wide a publicity as possible to the schemes and register applications received by them from the demobilised persons. As this is one of the subjects to be attended to by the Regional Director of Resettlement and Employment the file is being transferred to him for necessary action.

2. The school year 1945-46 is fast coming to a close and the next school year will commence about the middle of June '46. It is therefore for consideration whether the opening of these special training classes may not be abandoned and the demobilised soldiers trained under the general scheme of training teachers.

Roc No. 1-S.O/45 dated 3rd March 1946.

Sir,

Demobilised Soldiers - training as Higher Elementary grade teachers - Opening of special classes - abandonment - Recommended.

Ref: Government memo No. 7445 A-1 dated 12-2-46.

I have the honour to state that the Government in their Order No. Ms.2179 Edn. dated 22-12-45 approved proposals for the opening of additional sections in four Government training schools for training demobilised soldiers as higher elementary grade teachers. The scheme has not yet been put into operation for want of candidates. With reference to the letter of the Secretary, Board of Revenue Y.203 dated 4-2-46 on which I am asked to offer remarks, it is seen that only 7 candidates offered themselves for higher elementary grade training as against a provision sanctioned by the Government for training 200 demobilised soldiers. The Board of Revenue in its subsequent reference No. Y.203/46-53 dated 19-2-46, represents that the Collectors have been given time till 1-3-46 to give publicity to the scheme and to register applications received by them from the demobilised soldiers, and that it is too soon to say whether sufficient

6

number of candidates will not be forthcoming for the special classes. Even assuming that sufficient number of candidates will be forthcoming the special courses can at best be started about May, if not later. The period of study to be undergone by them before they can appear for the T.S.L.C. Examination of 1947 is too short to cover all the portions prescribed for the course. Hence no useful purpose will be served in starting the special classes. I therefore recommend that the sanction accorded in G.O. No. Ms.2179 Edn. dated 22-12-45 may be rescinded and the demobilised soldiers allowed to be trained under the general scheme of training teachers.

2. On the specific points raised in the letter of the Secretary to the Board of Revenue, the following remarks are offered.

(i) Stipends may be increased to an attractive limit:- Recommendations have already been made to Government to increase the rate of stipends for secondary and higher elementary grades by 50%.

(ii) Family allowance:- This is a matter for the Board of Revenue and the Government to decide.

(iii) Duration of the teachers' training course may be shortened:- The Government have already passed orders on the starting of emergency secondary grade training. If this scheme is put into operation, the course will be completed in one year. There is therefore no intention of introducing a shortened course for higher elementary grade training.

(iv) Scale of pay of teachers may be increased generally:- Proposals have already been submitted to Government on the revision of pay of teachers in secondary and elementary schools.

I have the honour to be,

Sir,

Your most obedient servant,

G. S. S. S.

From the D.P.I.No. 1.S.O. /45, dated 25.7.1946.

The Board of Revenue recommended the grant of the following concessions to demobilised personnel who may for volunteer to undergo ^{ing} training as teachers : ---

- (1) Increase in the rates of stipends.
(2) Grant of family allowance.
(3) Introduction of shortened course of training, and
(4) Increase in the scale of pay of teachers.

In G.O.No. 1018 Education, dated 21.5.1946, the Govt. sanctioned the payment in 1946-1947 of enhanced rates of stipends to candidates undergoing training as teachers of the elementary and secondary grade. The question of continuing the enhanced rates in 1947-1948 is under consideration. In the same G.O., the Government sanctioned the introduction of a shortened course of training for the secondary grade. The question whether this should be continued or modified is also under consideration. It has been decided that the ^{period} ~~course~~ of training for elementary grade teachers need not be ^{reduced} ~~shortened~~.

C.11220. do. " 53 d/19-2-46.
C.12864. From the D.P.I., Roc.No.1-S.O.45 dated 3-3-46.

There are at present 2 schemes for the training of demobilised personnel as teachers -

(1) Training as Secondary Grade Teachers in a training school to be opened by the Corporation of Madras;

(2) Training as Higher Elementary Grade teachers

(1) above: This is still under consideration.

(2) above: In G.O.No.2179 Edn. dated 22-12-45, the

Govt. approved the proposal of the D.P.I. that addl. training sections should be opened in certain training ~~institutions~~ ^{schools}

~~institutions~~ with a view to train demobilised personnel as ~~2.Ele.~~ grade teachers. The Board of Revenue now reports that

candidates are not forthcoming for the course and that only 7 candidates have so far been reported for the ~~2.Ele.~~ grade

Teachers' Trg. It, however, observes that it is rather too early to judge from the reports as to how far these

courses are likely to be popular and hopes that sufficient number of candidates will be forthcoming in course of time for

the reasons that many men who might be suitable for the courses have not yet been demobilised and that the Collectors were

not also given much time to contact the men who might want to take these courses. The scheme has not yet been put into

operation for want of candidates. For the reasons stated in para 1 of his letter on pp.5-6 c.f. the D.P.I. recommends

that the sanction accorded in G.O.No.2179 Edn. dated 22-12-45, may be rescinded and that the demobilised soldiers may be

allowed to be trained under the general scheme for the training of teachers. It may be somewhat hasty to cancel the or-

ders in G.O. so recently passed on the basis of the preliminary report of the Board on the recruitment of demobilised per-

sonnel for these courses. It would seem better to wait for some time more. The Board's view in the matter may, therefore

be accepted.

2. In order to make the courses more attractive, the

Yes. As mentioned
in letter by the
Govt. for the training
of the candidates
in the 2nd class
the war - candidates
are not yet coming.

Board recommends the grant of the following concessions for the consideration of the Government.

- (1) increase in stipends;
- (2) grant of some sort of family allowance for the ex-soldiers during the period of their trg. subject to a maximum of Rs. 30/- p.m.
- (3) Introduction of shortened courses of trg. and
- (4) Increase in the scale of pay of teachers.

The remarks of the Board and the Director on these points are at p.2 c.f. and p.5 c.f. Items (1) and (4) are already under the consideration of the Government. Item (3) - It is proposed to start a shortened course for secy. grade trg. There is no proposal to start a similar course for ele. grade trg. The D.P.I. says that the question of the grant of a family allowance is one for the Board of Revenue and Govt. to decide.

3. In G.O.No.114 P.H., dated 11-1-46, the Govt. approved a scheme for providing special facilities to demobilised personnel in the matter of technical and vocational trg. in subjects relating to Medl. and P.H. Dept. The concessions granted for undergoing the training are exemption of tuition and examination fees and preference in the grant of stipends where stipends are ordinarily granted. ~~The question whether stipends should be granted to these candidates when they are not usually granted was specifically raised but the Finance Dept. objected to it vide p.10 n.d.~~

The G. of I. have addressed to bear one-half of the cost of the scheme - "P" on p.33 c.f. (X) ~~and they have since agreed to it.~~

4. The Govt. of India have ~~granted~~ ^{framed} a scheme for the further education of demobilised personnel. The scheme is confined to University courses and to ~~part~~ ^{part} secy. courses. It is proposed in the scheme to ~~grant~~ ^{to candidates eligible for the benefits of the scheme} not only exemption from tuition and examn. fees but also an allowance for books and a maintenance allce.

Half the cost of this scheme also will be met by the G. of I.

5. Ely. grade trg. cannot be brought within the scope of the scheme refd. to in para 4 above as the minimum qualfn. for admission to the course is only a pass in Form III or the VIII standard. It, however, seems that on the analogy of the concessions contemplated in the scheme a maintenance allce. not exceeding Rs. 30/- as suggested by the Bd. of Rev. may be granted for ele. grade trg. also and the G. of I. requested to bear one half of the cost as in the other schemes for trg. demobilised personnel

referred to.

6. The file may be sent to Public (R.S.)

and Finance for remarks.

Notes on pp 1-3 ante may be perused. This dept. may agree to A & B on pp 1-2 ante. The P.W.S. ~~accident~~ ~~in the scheme referred to at p. 2 above~~. It is understood that the file relating to that scheme is in circulation. E & P.H. may be ~~asked~~ ^{advised} to follow the orders on that file in the present case also. If 'family allowance' is not contemplated in the scheme referred to in para 4, p. 2 above, there is no reason why a new concession should now be given. It is no doubt stated that the ~~xxx~~ Govt. of India will be asked to bear 50% of the cost. The exact financial liability involved in the proposal in para 5, p. 2 above, is not known. E & P.H. may be asked to obtain an estimate of extra cost involved and also to put up the file referred to in para 4, p. 2 above. The case will then be further examined in this department.

With the above remarks, the case may be returned to E & P.H.

The file referred to at A above is still in circulation. In the meanwhile the Director may be asked to furnish an estimate of the added expenditure involved. A draft memo is subd.

 sanctioning increased rates of stipends to pupil teachers undergoing training - from Rs 8 to Rs 12 p.m. in the case of elementary grade teachers and from Rs 12 to Rs 18 in the case of secondary grade teachers.

Orders have also been issued sanctioning a scheme for the further education and training of demobilised personnel. The concessions granted under this scheme are exemption from the payment of tuition fees and special fees, an allowance for the purchase of books and equipment and a maintenance allowance subject to a maximum of Rs 30 p.m. No family allowance has been sanctioned under the scheme apparently because ~~the~~ demobilised personnel taking to university courses will not ordinarily have to maintain families ~~from the start~~.

In the case of demobilised personnel taking to teachers training it has been reported that these men are family ~~burdened~~ ^{over}burdened and cannot ~~undertake~~ ^{afford} the course for want of sufficient ~~means~~ ^{resources} to maintain their families during the period of training. The grant of a family allowance seems therefore reasonable.

The file may be sent to the Finance Dept for remarks. The grant of this allowance may be restricted to those who have actually a family to maintain.
