Sir,

Madras Educational Service -- Post of Instructor
in Civil Engineering, College of Engineering,
Guindy -- Appointment to the --

Consequent on the appointment of Sri N.S. Krishnaswami
Ayyenger as Professor of Civil Engineering, College of
Engineering, Guindy, under emergency provisions, the post of
Instructor of Civil Engineering, in the above College has
been vacant since 10.7.1946. As there is no suitable and
qualified officer belonging to the Education Department for
appointment to the post, I addressed the Chief Engineer,
P.W.D. (General, Buildings & Defence) Madras, for sparing
the services of one of the following two Assistant
Engineers for appointment as Instructor in Civil Engineering
in the Madras Educational Service. In his letter No. 2693-
E-1/46-2 dated 10.8.1946 the Chief Engineer enquires whether
I am willing to re-employ suitable retired officers for the
post in question.

2. Before sending a reply to the Chief Engineer, I have the honour to request you to let me know whether with reference to the policy enunciated in G.O.No.1340 Ms. Public (Services) dated 10.6.1946, I can recommend the appointment of a retired officer for re-employment in the post in question in view of the difficulty in securing the services of a suitable and qualified officer for the post.

I have the honour to be,
Sir,
Your most obedient servant,

Post of Instructor in Civil Engineering, College of Engineering, Guindy- Filling.

Reference : - From the D.P.I. Cl.No. 38/46, d. 26.8.46.

The D.P.I. is informed that, as there is no provision in the special rules for the M.E.S. for the appointment by transfer of an Assistant Engineer as Instructor and as, further, the appointment of a retired Assistant Engineer will not be in accord with the orders in G.O.Nos. 1340-P(S), d. 10.6.46, and 1679-P(S), dd. 30.7.46, the temporary vacancy in the post of Instructor in Civil Engineering should be reserved to be filled by direct recruitment and, in consonance with the general policy, by a candidate with war service. The Director may propose the immediate appointment under the Emergency.

Appointment.

Ref: Government Confidential Memo. No. 49599-A.3. Edn.,
dated 22-10-1946.

With reference to para 2 of the Government
Memo. cited above, I have requested the Chief Engineer (C.E. & D.
Madras), to spare the services of a suitable Assistant Engineer
for appointment to the post of Instructor in Civil Engineering
under emergency provisions. I fear however that he will not
be able to comply with my request. I may also state that in
the prevailing conditions, it is extremely unlikely for the
government to get a suitable candidate for appointment to the post
under emergency provisions by direct recruitment. Without
prejudice to the reply to be received from the Chief Engineer,

P.T.O.

I request that the Government may be pleased to sanction, as a special case, the re-employment of a retired officer for the post in question, provided the officer possesses the prescribed qualifications and is suitable for the post. I consider that this is the best course so long as the present paucity of technically qualified persons exists. If the Government agree, I shall suggest a suitable name in consultation with the Chief Engineer.

2. As the post has been vacant since 10-7-1946 I solicit the early orders of Government.

M.E.S. - Appt. of retired Asst. Engrs. as Instructor in the Engg. College, Guindy.

Pl. see the D.P.I.'s letter in the C.F.

The normal method of recruitment to the posts of Instructors in Engg. are appt. by transfer from the M.E.S.S. and promotion. If no qualified and suitable person is available for appt. by these methods, the post may be filled by direct recruitment. There is no provn. in the rules for the appt. of an Asst. Engr. (of the P.W.D.) as Instructor. Further, as regards the Dir.'s enquiry, it does not seem that the appt. of a ret'd. Asst. Engr. as Instructor will be in consonance with the general policy ~~xxx~~ enunciated in the G.O.'s at "D"/2 and 3, viz., that no retired person should ~~ordinarily~~ be re-employed, unless ~~there are~~ exceptional cases justifying such a step. When no qualified candidate is available for promotion or transfer, the best method is to advertise the post for direct recruitment. Though the particular vacancy in which Sri N.S.Krishnaswami Ayyangar (permanent Instructor) has been promoted as Prof. has been reserved for a war candidate and that ~~will~~ ^{vacancy} ~~xxx~~ cease when such a candidate is recruited, Sri Ayyangar is likely to continue ~~xxx~~ for a long time ~~xx~~ as Prof., because of the creation of several post for the newly-started Engg. Colleges. In the circumstances, ~~it~~ the Dir.

may ~~perhaps~~ be asked to consider the question of advertising the post for direct recruitment (on a tempy. basis) ^{and in the} ~~and also~~, if the C.E. can ^{spare} ~~find~~ the services of an ~~Asst. Engr.~~ ^{one} in service, to propose a tempy. appt. ~~in~~ ^{under General rule 9(a)(i).}

Pub. (Sec.) may see before circulation.
