Sir,

Letting of a portion of the school building to
Forest Department.

I have the honour to submit for the information of Government that the Correspondent, Stanes European High School, Coimbatore, has let out a portion of the school buildings (four rooms, two rooms on each floor) to the Forest Department on a monthly rent of Rs.370/- with effect from 1-8-1946. The four rooms are reported to be surplus to the needs of the school. The school building was constructed with Grant-in-Aid from Provincial Funds. The rent of Rs.370/- is reported to be reasonable by the Executive Engineer, Coimbatore Division, Coimbatore.

2. I am instructing the Inspectress of European Schools to inform the Correspondent of the school that the rent received by the school must be shown in the Financial Statement of the school so that the rent may be taken into account in assessing the teaching grant of the school.

I have the honour to be,

Telephone Message By post from Edn. & P.H. Department.

I have the honour to state that the correspondent, Stanes High School, Coimbatore, did not obtain the permission of this Department before letting out the school building to the Forest Department. I submit herewith copies of letters dated 11.11.46 and 22.11.46 received from the Correspondent of the school in this connection.

2. The action of the Correspondent in having let out the portion without the permission of the Department may kindly be approved this time with a warning that in future prior approval of Government should be obtained for diverting any portion of the building for purposes other than educational.

For DIRECTOR OF PUBLIC INSTRUCTION.

COPY OF: From The Headmaster & Correspondent, Stanes High School, Coimbatore
Dated 11th November 1946 addressed to the Inspectress of European High
Schools, Madras.

I write to inform you that one half-two dormitories of the boarding home has been ~~transferred~~ to the Forest department since 1st August for use as Offices of the D.F.O's of Coimbatore N and S., who were turned out of their offices in the Forest College sheds and had nowhere else to go. As the dormitories were not in use, owing to the drop in the number of our Boardings, the committee decided to let the ~~accommodation~~ accommodation.

The delay in informing you officially, though I mentioned the fact to you at the time of the annual inspections has been caused by the delay of the P.W.D. department in assuring the rent to be revised. We have only just concluded the business by a formal lease for a monthly rental of Rs.370 from 1st August 1946, with one month's notice of termination of lease on either side.

COPY OF letter dated 22nd November 1946 from the Correspondent, Stanes High School, Coimbatore.

The Forest Offices are housed in a building constructed with Government aid and I am sorry that permission for this was not sought beforehand. It did not occur to me that it was necessary. The accommodation was spare, and it seemed a good source of income for the school.
