ENCLOSURES _____

SPARE COPIES _____

I have the honour to state that I am in desperate need of Linotype and Monotype metal and having called for quotations the best offer is from Messrs. Vernon & Co., provided transport by goods train is arranged.

I have seen the Regional Controller of Railway Priorities and he states that he can arrange for this transport if sponsored by Government. I would request therefore that Government will be pleased to support the movement in the application Form A (in duplicate) enclosed herewith which may be returned to me with your endorsement. I require 10 tons of Linotype metal and 5 tons of Monotype metal.

- 2

I would request Government to sanction the expenditure not exceeding Rs. 30,000/- under the head "56 Stationery and Printing - Government Presses - F. - other expenditure - 4. Stores purchased in India" by reappropriation if necessary in next year's budget.

The matter mentioned is very urgent

In the circumstances pointed out by the S.G.P. this Deptt. may agree to the purchase of the type metal at a cost not exceeding Rs 30,000 and accept the draft order subject to the following remarks.
2. Funds. It is now too late to incur any expenditure during the current year. The S.G.P. requests the Govt. to sanction the expenditure by reappropriation if necessary in next year's budget. This may be agreed to. The A.G. may be requested to admit the expenditure in audit pending provision of funds ~~xxxxxx~~ during 1947-8.

Please see below

Please see below

3 Financial procedure. As the amount involved exceeds the limit of Rs 20,000 (non-recurring) the proposal comes under sub-para (ii) of para 1 of Fin.U.O. Note 65500 B.G.-2 dated 27-12-46. Education & P.H. may be requested to follow the new service procedure and place the matter before the Standing Finance Committee. If they consider that this should be treated as very urgent case their attention may be invited to the instructions in para 2(v) of the U.O. Note cited.

With the above remarks the case may be returned to Edn. & P.H.

There is an appropriation of Rs 78,000 in the B.G. 47-8 for 'D. F. & Stores Purchase in India' under 56 d. 'Study & Printing - Govt. Press. F. Office. Expore.' (at a cost of Rs 3000). The report on the purchase of the material prepared to be done, now is debitable to this head. As it is not a case of purchase of machinery but only a case of purchase of equipment ordinarily required for the administration running of the Press and as there is already a lump provision made in the Budget for 1947-8 it is neither a new source nor a new item of expore.

The draft order below may be accepted subject to the deletion of words as indicated in pencil.
