Copy of letter No.B1-12373/46 dated 17-1-47 from the Municipal Commissioner, Negapatam.

Budget - Elementary Education Fund account - revised estimate for 46-47 - and Budget Estimate for 47-48 - submitted.

Ref:- Your No.8656 - B3-/46 dated 11-10-1946.

I submit for the orders of Government the revised estimate for 46-47 and the budget estimate for 47-48 of the Elementary Education Fund Account of this council in duplicate as finally approved by the council together with the prescribed statistical enclosures. Details in regard to each item of expenditure are furnished in the budget. No provision is made in the budget for repairs to rent free buildings.

A sum of Rs.20000/- has been provided under capital for the construction of buildings for the Hindu Girls School Nagore and for the Mohamadan Boys School, Negapatam from a loan from Government as decided by the council.

The provision made in the budget in regard to the staff, equipment accomodation etc. is based on the actual requirements of each school and with reference to the recommendations of the Inspecting Officers.

Marked variations if any between the actuals for 45-46, revised estimate for 46-47 and the budget estimate for 47-48 are explained in full in the budget.

The budget estimate for 47-48 is expected to close with a deficit of Rs.31,140/- Provision has not been made in the budget for the payment of arrears of dearness allowance to the teachers which was sanctioned by the council but could not be paid for want of funds. The arrears payable to the staff will amount to Rs.3730/- If this amount is also taken into account, the Budget estimate for 47-48 will close with a deficit of Rs.34,870/-.

As the deficit is mainly due to the payment of dearness allowance to the staff the council requests Government to pay the amount of the deficit as a free grant to the council. Copies of my note to the council and of the council's resolution on the budget are enclosed.

Extract from the Commissioner's notes on the Revised Estimate for 46-47 and Budget Estimate for 47-48 on the Accounts.

Elementary Education Fund Account:- Revised Estimate 46-47.

According to the budget estimate for 46-47 the account was expected to open with a deficit of Rs.1369/- and to close with a deficit of Rs.18035/- But it actually opened with a deficit of Rs. 930/- and is expected to close with a deficit of Rs.16730/- As a middle School has been opened for girls, the higher standards in the Higher Elementary School for Girls has been abolished and so there is reduction in expenditure.

Increased provision has been made as follows with reference to actuals:-

House rent Rs.470 to 500 (increase of rent of Mohamadan School)
Other items 3048 to 3290
Repairs to buildings 2000 to 2500/-

Budget estimate for 47-48.

The account is expected to open with a deficit of Rs.16730 and to close with a deficit of Rs.31280/- The deficit is mainly due to the payment of dearness allowace to the staff as follows:-

Revised estimate 1946-47	...Rs.20,200
Budget estimate for 47-48	20,170

	40,370

It is not possible to find any source or improving the revenue or for reducting the expenditure. Government may be requested to pay the entire defici as a grant to the council.

--

x x x x

The budget estimate for 47-48 under all accounts after providing for an increase in the lighting tax by 1% per annum of the water and drainage tax by 2% per annum is likely to close with deficits as detailed below in spite of the fact that the arrears of dearness allowance sanction to the staff has not yet been paid to the members other than the public health menials or even provided for in the revised estimate for 46-47 or in Budget Estimate.

General account	42,870
Lighting account	6,500
Elementary Education	31,280
Watersupply and Drainage	153,660
Endomwne account	120

The deficit is mainly due to the payment of dearness allowance to the staff and in the case of water supply and drinage account due also to the increase in the cost of coal and stores. Further increase of taxation or reduction of expenditure is not possible. Government may be requested to pay the amount of deficit as a free compassionate grant to the council.

1. Proceedings of the budget committee appointed to consider revised estimate for 46-47 and budget estimate for 47-48 of the General, Elementary Education, Water Supply and other funds of the council, and Res. No.138 dated 6-3-46, 235 dated 30-3-46, 723 dated 30-9-46 and 958 dated 16-12-1946

Resolution:-

C. Education Account:-

The revised estimate for 46-47 as prepared by the Commissioner is approved
The budget estimate for 47-48 as prepared by the Commissioner is approved subject to the following modification:-

Receipt under Education tax will be raised by Rs.140/- on account of the reduction of the maximum limit of exemption from property tax on huts from an Annual Rental Value of Rs.18/- to Rs.12/-

The council is not in favour of enhancing the education tax by 1% as suggested by the Commissioner in his supplementary note as the existing rates of taxation is already too high.

Capital:- The council requests Government to sanction a loan of Rs.20,000/- for the construction of a school buildings for the Municipal Hindu Girls School Nagore and the Municipal Mohamadan School, Negapatam as buildings as quite necessary for them and necessary provision will be made in the budget.

The budget estimate on the Elementary Education fund account as revised is expected to close with a deficit of Rs.31,140/- Provision has not been made in the budget for the payment of the arrears of dearness allowance sanctioned to the staff which has not yet been paid. The arrears to be paid amounts to about Rs.3360/- Including that amount the deficit is expected to be Rs.34,500/- As increase of taxation is not possible as the existing rates are already too high and as the deficit is mainly due to the payment of dearness allowance to the staff the council requests Government to sanction a free grant equal to the deficit to balance the budget.

x x x

General:- Revised with reference to the foregoing paragraphs the accounts-ordinary close with deficits as detailed below :

General account ..	43910
Lighting account	12460
Water-supply & Drainage account	159350
Education	~~3~~ 31140
Endowment	120

Provision has not been made in the budget for the payment of arrears of dearness allowance which has been sanctioned to the staff but could not be paid owing to the deficit in the accounts. If the amount, viz. Rs8520/- is included the deficit under each account will be as follows:-

General account ...	47,390
Lighting account	12,500
Education	34,870
Water-supply & Drainage	160,620
Endowment account	120
	255,500

The deficit is mainly due to the payment of dearness allowance to the staff which amounts to about Rs.94,140 per annum as follows:-

General account ...	Rs.60,160
Lighting	290
Ely. Education	20,170
Water-supply & Drainage	12,890
Town planning	630

The ~~[illegible]~~ deficit in the water supply and drainage account is also due to the increase in the cost of coal.

The ordinary receipts of the council under all accounts according to the budget estimate for 47-48 is Rs.305,110/-. It is not possible to find any new

The ordinary receipts of the council under all accounts according to the budget estimate for 47-48 is Rs.305,110/-. It is not possible to find any new sources of revenue or to enhance the taxes any further. The ordinary expenditure of the council according to the budget which is the barest minimum provided is Rs.410,670/-. The expenditure on establishment and repayment of annuities on loans alone amounts to Rs. 287,030 as detailed below:

Establishment-pay etc.	142,990
Dearness allowance	94,140
Repayment of debt to Government	44,350
,, of diversions	5,550
	287,030

Taking into account the ordinary receipts the balance left over for expenditure to the council is Rs.18,180. With this amount it is not possible to run the administration. The council has necessarily to incur the following expenditures:

Road maintenance ..	Rs.22,440
Lighting charges	15,800
Maintenance of water-supply (contingencies)	51,000
Conservancy contingencies	11,000

Besides, the council has to maintain its buildings in good repair. It is therefore not possible to run the administration unless Government sanction a free grant equal to the deficit. The council therefore requests Government to pay a free grant to the council and also to consolidate the loans so as to have them spread over longer term so that the council can get some relief.

Sd/- A.M.P.Thiruvambalam chettiar,
Chairman.

2. R.E. for 1946-47 (i) The C. may be asked to take credit for a sum of Rs. 11,700 under the head "Govt. grant to wipe off deficit" with reference to G.O. 8 Edn., d/4.1.47.

(ii) Provision has not been made for the payment of the arrears of dearness allowance to the E.E. Staff.

(iii) The R.E. is expected to close with a deficit of Rs. 5,030. L.A. may be requested to state whether this deficit can be avoided by an additional contribution from the Gl. funds or by adjustment from the A.T.C. Grant. If this is not possible, a further subsidy of Rs. 5,030 will have to be paid to the C.

p. 13 c f.

(iv) If the C. is to be allowed to pay the arrears of dearness allowance to the E.E. Staff, the additional contribution necessary from the Gl. funds is Rs. 20,460 over and above the credit taken in the R.E. L.A. may see. If the Gl. funds cannot make this additional contribution to the E.E. fund, the Commr. may be told that the arrears of dearness allowance should not be disbursed to the E.E. Staff.

of the endorsement of the Director on p 1 c.f., the credit taken for Govt. Loan under "Capital receipts" and the provision made for capital expenditure may be deleted.

(iii) Revised with reference to the suggestions above and presuming that the R.E. for 1946-47 closes with a nil balance, the B.E. for 1947-48 is expected to close with a deficit of Rs. 14,410. L.A. may be requested to state whether this deficit can be avoided by an additional contribution from the Gl. funds or by adjustment from the A.T.C. grant. If this is not possible, an advance subsidy will have to be paid to the cl. next year, as there is no scope for increasing the rate of the Education tax. The General budget of the Negapatam M.C. for 1947-48 is examined in the linked file. The contribution shown in the Ele. Edn budget and those provided for in the General budget are the same viz. Rs 11970 for each of the two years 1946-47 and 1947-48. Even after adjusting the entire arrear toll compensation, the General Acct is expected to close with a deficit in 46-47 as well as in 47-48. It is not therefore possible for the Council to make additional contributions from the General Acct to Ele. Edn Acct either in 46-47 or in 47-48.
