Municipality - 1947-48. pp7-8 mra

I submit herewith the budget estimate of the Pollachi Municipal Council with the required abstract and statements and a copy of council's resolution No.702 dated 22-1-47 approving the budget. psupa

2. The provision for repairs to buildings does not include any provision for repairs to rent free buildings. The Balagopalapuram Girls school and the Kottur road school are urgently in need of additional accommodation and an amount of Rs.5000/- has been provided for this purpose. Many of the schools and the proposed girls school require a lot of furniture, the supply of which was being put off on account of war conditions. This is proposed to be supplied during 1947-48 and an amount of Rs.5000/- is provided for this purpose. These provisions will be utilised in consultation with inspecting officers.

3. In the revised estimate for 1946-47, provision has been made for the payment of arrears of dearness allowance, referred to in G.O. No.1552 L.A. dated 19-9-46. The amount so provided in the revised estimate for 1946-47 is Rs.2860.

4. As regards the Council's Resolution to acquire 4 acres of land for school purposes, sanction will be applied for separately for additional allotment or diversion when the proposal matures.

E.E. Fund - P.C.L. of P.C.L. - Revised scales of pay.
Additional expenditure
From the Council. P.C.L. No. 3162/47 d 9-4-47
The E.E. Fund budget of P.C.L. P.C.L. for 1947-48 was expected to open with a balance of Rs. 6 and to close with the same amount. The actual balance on 1-4-47 was Rs. 2440. The Council was not paid any subsidy towards the payment of dearness allowance to its E.E. staff last year. Now it is eligible for a subsidy this year as it is able to balance its budget. Revised with reference to the actual opening balance the budget is expected to close with a surplus of Rs. 2440.

2. The Council incurs an expenditure of Rs. 45,650 on salaries and allowances of teachers. An additional expenditure of Rs. 3800 has to be incurred if the revised scales of pay sanctioned in G.O. No. 975 Edu. d 10-5-47 and G.O. No. 1154 Edu. d 5-6-47 are given effect to. Provision has also to be made for a further expenditure of Rs. 1392 towards the grant of advance increments. The increase in expenditure comes to about 11%. If provision is made for the additional expenditure, the budget will close with a deficit of Rs. 2752.

3. The Council levies education tax at 1% p.a. on the annual rental value of properties and thereby derives a net income of Rs. 5440. If the rate of education tax is enhanced by 1% p.a. it would fetch an additional income of Rs. 2720 during the current year and an additional income of Rs. 5440 p.a. The Council levies property tax at 16 1/2% p.a. The current limit for a municipality of this type is 20%. It is now necessary to increase the rate of education tax so as to provide funds for the additional expenditure.

referred to in para 2 of no. L.A. may advise
 within the rate of education tax may be enhanced
 by 10 p. a.

If the rate of education tax
 cannot be increased, L.A. may be requested to
 state whether the entire deficit of Rs. 2752 may
 be avoided by a further adjustment of a like amount
 from the A.T.C. grant sanctioned to the Council
 during the current year or by an additional
 contribution from its general funds. If the
 deficit cannot be avoided by either of these means
 the Council may be paid an advance of Rs. 2700
 from the Provincial funds.
