EDUCATION AND PUBLIC HEALTH DEPT.

Sub:- SCHOLARSHIPS FOR ADVANCED STUDIES OVERSEAS 1947-48.

Sir,

In continuation of this Department Express letter No.F5-15/46-OD.II dated the 15th September, 1946, I am directed to say that the Government of India have decided to continue in 1947-48 the scheme of sending abroad students for advanced courses in subjects connected with development plans so long as adequate facilities for instruction of the required standard are not available in this country. It is presumed that Provincial Governments will share this view of the Central Government and continue to send abroad students for the purposes of their own development plans. Arrangements for suitable instruction will be made in the United Kingdom, United States of America, Canada, Australia and other countries which may offer adequate facilities.

The Central Government have undertaken the responsibility for making all arrangements for the placing of all students, Provincial as well as Central, partly because these arrangements can more suitably be made by one single agency, particularly in view of the extremely difficult conditions now prevailing in foreign Universities, and partly also because the Universities concerned have themselves desired that as far as possible all applications from Indian students should reach them through one channel.

2. Scope of the Scheme. It has been decided to extend the scope of the scheme in 1947-48 so as to cover all important subjects connected with plans of development. The scheme remains essentially an educational one though practical training in varying proportion will form an integral part of the scheme; for certain courses of technology or applied science it may even form the bulk of the course of instruction of a candidate.

This scheme should not, however, be confused with the scheme of the Labour Department of the Government of India, which provides for persons requiring a course of practical training only in factories etc. for the purpose of enlarging their professional or industrial experience.

3. Financial implications. In view of the importance and all-India character of the scheme, the Government of India are prepared, as this year, to pay half the cost of training in respect of Provincial sponsored students selected in 1947-48 who are either non-Government servants or are temporary Government servants not eligible for study leave, on the condition that their selections are approved by the Selection Board Overseas Scholarships, to be set up by the Central Government for 1947-48. The cost of training in respect of all permanent Provincial Government servants selected or deputed by a Provincial Government will be borne entirely by the Provincial Government concerned. The amount which may be spent by the Government of India on behalf of a Provincial Government in connection with this scheme will be taken into account as part of the general grants for post-war development to the Province concerned.

4. Qualifications of candidates to be selected. In view of the urgent need to train highly qualified personnel as soon as possible for the various plans of development and the high cost of training it is essential that none should be selected for overseas training except those who possess first class qualifications and show promise of deriving the fullest benefit from advanced courses of instruction abroad. Experience of the last two years has shown that there is no dearth of material of high promise in the country, though in the present circumstances, it may be more abundant and richer in some Provinces than in others. Provincial Governments will no doubt consider whether the high object of the scheme and the important positions which these students are intended to occupy ultimately justify a relaxation of the condition of domicile for purposes of these scholarships. In any case, it is hoped that, as far as possible, no students will be selected for these scholarships who do not possess a First Class Masters' degree or equivalent qualifications in the subject or basic science concerned, preference being given to those who have also acquired some practical and research experience of value.

It is very important for another reason that only persons with excellent qualifications should be selected. The position with regard to admissions abroad is difficult and is likely to remain so during the next year or two and candidates with lower qualifications are therefore not likely to gin admission.

5. Nature of Employment after Training. It would be most unfortunate from all points of view if the selected students, after satisfactorily completing their courses of training, were unable to obtain suitable employment. It is, therefore, essential that the estimates of requirements asked for in this Department letter referred to above should be as closely related as possible to the number for whom it may be reasonably expected to find suitable employment on their return; and while forwarding their demands the Provincial Governments should indicate, as specifically as possible, as to what the candidate will be called upon to do on satisfactory completion of studies. It has also been represented by the students selected so far and by the University authorities concerned abroad that really efficient arrangements for instruction and training can only be made if it can be indicated beforehand what work exactly a student is likely to be called upon to do on his return.

6. Bond. The Provincial Governments will no doubt as this year, require the students selected for these scholarships to execute a Bond undertaking to serve Government, if required to do so, or take up other comparable employment indicated by Government, for a specied period on their return. The terms and conditions of service to be offered should be clearly indicated. The Government of India expect that if such of the Provincial sponsored students for whom the Government of India pay half the cost of training are not required by the Provincial Governments concerned, the Provincial Government will have no objection to their being made available on return for service under the Central Government. The Bond which Provincial sponsored students are asked to execute should, therefore, include a clause to the effect that if on their return their services are not required by the Provincial Government concerned, they will be bound to serve the Central Government, if required to do so, in a gazetted post, or take up other comparable employment indicated by the Central Government, for a period of five years. In regard to the students selected by the Central Government directly it is intended that if on their return their services are not required by the Central Government they will be made available to a Provincial Government which may require their service in accordance with the terms of the Bond.

7. Applications of Government employees. One important reason why the Government of India have offered to share the cost of training of the Provincial sponsored students is the importance and all-India character of the scheme. It follows, therefore, that the scheme should be recognized as a co-operative effort. While the Government of India do not desire to press the suggestion that Provincial Governments should throw these scholarships open to persons of other Provinces also, they expect that Provincial Governments will have no objection to persons in their employ applying for a Central Scholarship. As the scheme has been initiated to meet important national needs in connection with the post-war schemes of development, the Provincial Governments will perhaps agree that any temporary inconvenience caused by the release of a Government employee will be more than offset by the advantages which will accrue from his training abroad. It is, therefore, hoped that the applications of Provincial Government employees who may desire to apply for Central Scholarships will not be withheld by the Provincial Governments. The Government of India will, on their part, have no objection to their employees applying for a Provincial Scholarship, if they choose to do so. In this connection the Government of India wish to record their appreciation of the fact that most of the Provincial Governments have so far unhesitatingly placed at the disposal of the Central Government not only those whom they had selected for Provincial scholarships but also those in their employ who had applied and were selected for Central scholarships.

8. Permission to apply for a Central and also a Provincial Scholarship. If Provincial Governments have no objection, it is suggested that candidates should be permitted to apply both for a Provincial and a Central scholarship but they should be required to state at the time of interview whether they have done so and this fact should be clearly indicated in the list of recommended candidates forwarded by Provincial Governments. The decision as to whether a candidate selected by a Provincial Government as well as by the Central Government should be awarded a Provincial or a Central scholarship will depend on several considerations, including the choice of the candidate himself and the relative needs of the Central and Provincial Governments, but as far as possible the Central Government will not take away from Provincial Governments candidates selected by them.

9. Dates for submission of Returns. This year's experience has again emphasized the fact that the work in connection with the award of scholarships is long and complicated. It has been found that in order to ensure places in the institutions abroad, applications of the selected students must be submitted to the institutions concerned well in time. It has, therefore, been decided to advance the whole programme of selections for 1947-48 by at least a month. It is for this reason that Provincial Governments have been requested in this Department Express Letter referred to above to intimate their requirements to this Department by the 24th October 1946 at the latest. The total number of scholarships allotted to the Provincial Governments will be communicated by the 10th November, 1946 and the Provincial Governments will be free to distribute their quota of scholarships among various subjects according to the importance which they may attach to different subjects in relation to their plans of development. These allotments will be exclusive of the permanent Government servants whom the Provincial Governments may select or depute for studies overseas and whose entire cost will be borne by them. It is hoped that as soon as the Provincial Governments receive the allotment of scholarships, they will take immediate steps to invite applications and set up the machinery for selection in order that the selections are completed and the names recommended by them for Provincial Scholarships are communicated to this Department before the 28th February 1947. It is proposed to issue an advertisement before the 30th November 1946 inviting applications for Central Scholarships and the Provincial Governments may issue their advertisements at about the same time.

10. Procedure in regard to Permanent Provincial Government servants. Since the Central Government will not be called upon to incur any portion of the expenditure on the training abroad either of permanent Provincial Government servants selected for Provincial Scholarships or of officers deputed by Provincial Governments for training abroad, Provincial Governments should not communicate the particulars of these candidates for the approval of the Selection Board, Overseas Scholarships. Their applications, with all the necessary documents, will, however, be required by the Government of India, if the Provincial Governments desire arrangements to be made for their admission to Universities, passages etc. In order to avoid confusion and unnecessary correspondence it is requested that this category of students or officers should be dealt with quite separately from those students in respect of whom the Central Government will bear half the cost of training and for whose selection the approval of the Selection Board is required. The necessary particulars of the two categories of students or trainees may please be furnished in separate statements. It has already been made clear that the total number of scholarships allotted to Provincial Governments will not include the number of permanent Government servants whom the Provincial Governments may send abroad at their own cost.

11. Applications and other documents. This year in several cases the applications of the Provincial sponsored students did not reach the authorities abroad in time for admissions, because the applications were either not received in this Department or were incomplete. In some cases the Provincial Governments did not retain with them any copies of the applications etc. of the candidates and had to recall those from this Department thus causing further delay in the communication of the necessary particulars to the authorities abroad. This adversely affected the already meagre chances of securing admissions for these students. It is suggested, therefore, that this year Provincial Governments may, like the Central Government, invite applications for their scholarships in triplicate with three sets of all the documents. Two sets of applications, each complete with testimonials, certificates, photographs, copies of syllabuses etc. and duly checked, may be forwarded to this Department while sending the names of the candidates, recommended by the Provincial Governments. One of these sets will be sent to the authorities abroad for securing admissions. The third set may be retained by the Provincial Government for their reference and record. The two sets forwarded to this Department should not contain any original certificates, degrees or diplomas but only their attested copies, excepting in the case of those students for whom admission is required in Oxford or Cambridge. In the case of those desiring admission in the above two universities originals of certificates, degrees and diplomas should be forwarded to this Department since these are required by the University authorities. The Provincial Governments may please see that the applications contain the fullest particulars about the candidate such as his full address, age, examinations passed with classes obtained and subjects taken at High School and subsequent examinations and practical or research experience. In order to help admissions full information about the candidates qualifications etc. should be given in their applications. Additional columns may also be added to the application forms to show (i) whether the candidate has applied or intends to apply for a Central Overseas Scholarship/or not (ii) whether he is married or not; and (iii) the name and full address of the living parent or guardian, if any, of the candidate.

/or any other Provincial Scholarships. So far the practice has been that when inviting applications a candidate is required to indicate two or more subjects of study in order of preference and there are instances where a scholar is selected for a subject which is not his first or even second choice. When the papers of such a candidate are submitted to an institution for admission his application is turned down on the score that

his papers do not show that he is sufficiently interested in the subject. In order, therefore, to overcome this difficulty it is suggested that candidates should be asked to indicate not more than one subject in their application forms. It would also be desirable if the copies of applications sent to this Department contained only that subject for which the candidate was finally selected.

12. It is suggested that the Provincial Governments may, as this year and for the same reasons, recommend for each subject two or three candidates, indicating their order of preference.

13. Training. The duration of training will vary according to particular requirements, but the average duration of courses will be about two years as normally students will be selected for post-graduate courses. The training will, as far as possible, be arranged in the institutions, if any, indicated by the Provincial Governments concerned, but it is likely that in some cases arrangements desired by the Provincial Governments may not be possible. In that event other suitable institutions will be tried and owing to the time factor it may not be possible to make a further reference to the Provincial Governments concerned at that stage. It is, therefore, suggested that the Provincial Governments may, when forwarding the names of candidates recommended by them, indicate their views as fully as possible, so that at least such arrangements may be avoided as a Provincial Government may consider definitely unsuitable for a particular subject.

As indicated in para. 5 above, the most efficient way will perhaps be for Provincial Governments to indicate as precisely as possible what work a selected student is likely to be called upon to do on his return and to leave it to the Government of India's Educational Officers to make the best possible arrangements for the necessary training, in consultation with the appropriate authorities in those countries. It has been represented by the students, and also by the university authorities, that it is difficult to arrange a course of studies so long as it is not clearly known what work a student is likely to do on his return. It has also been found in several cases that a course of studies is either non-existent at the desired institution, or even in that particular country or is considered by the competent authorities in that country not to be the most suitable available.

14. Communal representation. The Government of India propose, in making their own selections, to ensure, as they have done so far, that the minority communities receive a fair share of these scholarships, provided that suitable candidates from those communities are forthcoming. It is suggested that the communal ratio to be aimed at should be the ratio where any fixed for recruitment to Government services. It is hoped that Provincial Governments will also accept the principle and indicate, when forwarding the names of candidates recommended by them, how many candidates of each community they would like to be selected.

15. Channel of correspondence. In order to avoid confusion which results when more than one Department of a Provincial Government independently correspond with this Department in connection with the scheme, it is requested that the Provincial Governments, if they have no objection, may so arrange, if they have not already done so, that one of their Departments may co-ordinate the whole scheme and all correspondence relating to the scheme is sent to the Government of India through that Department only.

16. Subject to what has been said above, the general features of the scheme will be the same as for this year. The brochure E.C.19 "Information for Students desiring to proceed Overseas for

(6)

Advanced Studies' is under revision and copies will be sent to each Provincial Government as soon as it is ready. Provincial Governments will no doubt refer to this Department any point which they may consider to require further clarification.

I have the honour to be,
Sir,
Your most obedient servant,

A.M. D'Rozario

for Secretary.

EDUCATION AND PUBLIC HEALTH DEPT.

Subject: Scholarships for Higher Education Overseas - 1947-48.

Reference Correspondence ending with this Department telegram No.F-1-1/47-ODIV. dated 1st November, 1946.

2. As already intimated total number of thirtyfive Scholarships have been allotted to the Provincial Government for the year 1947-48. It is regretted that it has not been possible to allot the full quota asked for as the requirements of the Provincial Governments and Departments of the Central Government far exceed the number of Scholarships available.

3. The distribution of Scholarships among the various subjects has been left to the Provincial Governments to decide according to the importance which they may attach to different subjects in relation to their plans of development. It is hoped that the Provincial Governments will proceed with the work of selection of students as early as possible so that the names of candidates recommended by them may reach this Department as early as possible but in no case later than February 28th 1947.

4. It has already been suggested to the Provincial Governments that they may recommend for each subject two or three candidates, indicating their order of preference. It is further suggested that it may also be indicated whether the Provincial Government would agree to a Scholarship being transferred from one subject, for which the Central Government do not consider any candidate sufficiently qualified, to another subject for which there may be more than the required number of suitable candidates. If the Provincial Governments agree with this suggestion, they should also kindly state the maximum number of Scholarships which may be awarded for each subject.

5. It is requested that when sending the names of candidates recommended by them, Provincial Governments may kindly forward, as already emphasised in this Department letter No.F-5-15/46-ODIV. dated 25th October, 1946, two sets of applications, each complete

with ....

...onials, certificates, photographs, copies of syllabuses etc. and duly checked. The two sets forwarded to this Department should not contain any original certificates, degrees or diplomas but only their attested copies, excepting in the case of those students for whom admission is required at Oxford or Cambridge. In the case of those desiring admission to the above two Universities originals of certificates, degrees and diplomas should be forwarded to this Department, since these are required by the University authorities. The Provincial Governments may please see that the applications contain the fullest particulars about the candidate such as his full address, age, examinations passed with classes obtained and subjects taken at High School and subsequent examinations and practical or research experience. In order to help admissions full information about the candidates' qualifications etc. should be given in their applications. Additional columns may also be added to the application forms to show (i) whether the candidate has applied or intends to apply for a Central Overseas Scholarship or any other Provincial Scholarships or not, (ii) whether he is married or not, (iii) the name and full address of the living parent or guardian, if any, of the candidate.

6. Particulars of Provincial Government Servants who are selected for training abroad and in respect of whom the Central Government will not share the cost of training should NOT be included in the returns asked for in the Memorandum but should kindly be sent separately in order to avoid confusion.

7. Provincial Governments are already aware that while practical training will no doubt form an important and integral part of most courses of training, it may be made clear that this Scheme provides for what are essentially educational courses at educational institutions and not purely technical training which is being dealt with by the Labour Department. The duration of the training will vary according to particular requirements, but the average duration of courses contemplated will be two years, as normally students will be selected only for post-graduate courses. The Central Government will endeavour to arrange training as far as possible in the countries and institutions indicated by the Provincial Governments concerned

it is possible, particularly as it will probably be even more difficult to secure admissions in foreign Universities next year, that arrangements desired by the Provincial Governments may not be possible. In that event, other suitable arrangements will be made and, owing to the time factor, it may not be possible to make a further reference to the Provincial Government concerned at that stage. It is, therefore, suggested that the Provincial Governments may when forwarding the names of the candidates recommended by them indicate their views as fully as possible, so that at least such arrangements may be avoided as a Provincial Government may consider definitely unsuitable for a particular subject.

8. In order to avoid confusion which results when more than one Department of a Provincial Government independently corresponds with this Department in connection with the Scheme, it is requested that the Provincial Governments, if they have no objection, may so arrange, if they have not already done so, that one of their Departments may co-ordinate the whole scheme and all correspondence relating to the scheme is sent to the Government of India through that Department only.

9. The brochure E.C.19. 'Information for Students desiring to proceed Overseas for Advanced Studies' is under revision and copies will be sent to each Provincial Government as soon as it is ready. Provincial Governments will no doubt refer to this Department any point on which they require further clarification.

New Delhi 3, the 2nd December 1946.

MEMORANDUM.

ASST. SECRETARY TO GOVERNMENT
9 - DEC 1946
EDUCATION AND PUBLIC HEALTH DEPT.

Subject:- Scholarships for advanced studies overseas 1947-48 - Madras Government Scheme - Expenditure.

With reference to paragraph 3 of their letter No. 55453-C/2/46-9-Edn, dated the 29th October 1946 the attention of the Madras Government is drawn to this Department Memorandum No. F.7-8/46-O.D.IV, dated the 21st November 1946.

2 It may further be pointed out that while it is a firm offer on the part of the Government of India to share on a 50:50 basis the expenditure which may be incurred in connection with the scheme for Advanced Studies Overseas, there is no such firm offer in regard to the general grants for post-war development, nor can it be said with certainty what the amounts of those grants will be eventually. Moreover in view of the all-India character of this scheme, no portion of the general development grant to the Province will be available for financing a separate Provincial scheme with the same purpose.

GOVERNMENT OF MADRAS.

OVERSEAS SCHOLARSHIPS, 1947-48.

The Government of India have decided to continue in 1947-48 the scheme for sending to other countries a certain number of students at Government expense for advanced courses in subjects directly related to post-war needs. Arrangements for instruction will be made primarily in the United Kingdom and the United States of America, and if possible, in other countries which may offer adequate facilities.

2. Under the scheme, thirty-five scholarships have been allotted to the Provincial Government. The Government propose to award the scholarships to candidates for the courses specified in Appendices I to III. Applications are invited from qualified candidates who are British Indian subjects, belonging to Madras Province.

3. Persons employed either under the Government of Madras or under the Government of India, whether they belong to Madras Province or not, may also apply; but preference will be given to those belonging to Madras Province.

4. Temporary Government servants who are not eligible for study leave, if finally selected for the scholarships, should resign their posts under Government, with effect from the dates on which they are relieved for taking up the scholarships.

5. Applications from persons in Government service should be submitted through the authorities concerned.

6 Women candidates are eligible to apply only for the subjects of study noted against item D of Appendix I and D and G of Appendix II. Men are not eligible to apply for item D of Appendix I.

7. *Qualifications.*—(*a*) *Academic.*—Applicants should possess the minimum qualifications specified in the Appendices against each subject.

(*b*) *Age.*—Applicants should not be more than 30 or less than 19 years of age on 1st July 1947. The maximum age-limit for those already in the service of Government or of a recognized University, College or other public body is 40 years.

8. Applications should be in the prescribed form, copies of which can be had from the Secretary to Government, Education and Public Health Department, Fort St. George, Madras, on requisition accompanied by an *addressed* envelope with postal stamps for As. 3-6 *affixed*. The applications should be sent in *triplicate* addressed to the same officer, so as to reach him not later than ~~1st January 1947.~~ 8th February 1947. The following documents should not be sent along with the application :—

(i) *A Treasury Receipt for Rs.* 5.—The amount should be deposited in a Government Treasury or the Reserve Bank of India or any of its branches, to the credit of the Government of Madras, under the head of receipt "XLVI. Miscellaneous"; on no account will this fee be refunded.

Note.—Where the fee is remitted into Treasury outside Madras Province, the words "Madras Provincial" must be written prominently in red ink on the right hand top corner of the chalan.

(ii) *Certificate of age.*—A certified extract from the Matriculation or the Secondary School-Leaving Certificate or an attested copy of other satisfactory evidence of age.

(iii) *Certificate of physical fitness.*—A certificate of physical fitness with particular reference to the applicant's ability to bear the climate of the country to which he proposes to go; the certificate may be from a Registered Medical Practitioner.

(iv) *Certificate of character.*—The certificate should be obtained from the head of the institution at which the applicant is studying or from a magistrate.

(v) *Testimonials.*—Duly attested copies of two (but not more than two) testimonials from the authorities of the University or other institution where the applicant last studied.

(vi) *Certificates of educational qualifications.*—Duly attested copies of (*a*) a certificate or diploma showing that the candidate has the minimum qualifications prescribed and (*b*) all the documents, degrees, diplomas or certificates in support of the entries made in the application regarding the examinations passed, class, division or rank obtained and research or professional experience, etc.

(vii) *Syllabus for examination passed.*—Copy of the syllabus in the B.A., B.Sc., B.E. or other equivalent or higher examination passed or course pursued by applicant.

(viii) *Record of practical experience.*—Detailed record of practical experience of applicant with particular reference to the subject of study specified by him in the application and also proof of research.

(ix) *Photograph.*—Recently-taken passport-size photograph of applicant.

(x) In the case of an applicant who claims to belong to a Scheduled Caste a certificate from a Revenue Officer, not lower in rank than a Deputy Collector, that the applicant belongs to a community (to be specified) which is included in the List of Scheduled Castes approved by Government and that such community is regarded as untouchable in the district to which the applicant belongs.

NOTE.—(*a*) Copies of the documents mentioned in items (ii) and (iv) to (ix) should be submitted in *triplicate*. Item (v) should be submitted in original and need not be in triplicate. Items (iii) and (x) should be submitted in original with two duly attested copies.

(*b*) Copies of the documents should be attested by a Gazetted Officer and his official seal affixed.

(*c*) The documents should be arranged in the order noted above. One set should be attached to each of the three forms of the application and securely fastened at the left hand top corner

9. The selection will be made by the Selection Committee which will be constituted for the purpose. Selected candidates may be required to appear before the Committee for interview at their own expence, on a date which will be notified.

10. No member of the Selection Committee or any officers connected with the Committee must be approached by or on behalf of an applicant. *Any attempt to canvass directly or indirectly will forthwith and without any exception disqualify an applicant.*

11. A copy of the terms and conditions subject to which scholarships will be awarded to selected candidates will be sent to each applicant along with the form of application.

12. Applications which are received after ~~January~~ 8th February 1947 or which do not comply with the conditions herein prescribed will not be considered.

13. The result of the selection will be notified in the Press. Unsuccessful candidates will not be informed individually.

FORT ST. GEORGE GAZETTE,
Dated 9th January 1947.

M. V. SUBRAMANIAN,
Joint Secretary to Government, Education and Public Health Department.

Appendix I

[P.T.O.

APPENDIX I.

For supplying the teaching personnel in the Engineering, Arts and other Professional Colleges.

Subject.	Number of scholarships.	Minimum qualification.
A. Civil Engineering—		
(i) Dam Design	1	A degree in Civil Engineering.
(ii) Surveying	1	Do.
B. Electrical Engineering—Generation, transmission and utilization of electric power.	2	A degree in Electrical Engineering or a certificate of proficiency in Electrical Engineering of the Indian Institute of Science, Bangalore.
C. Mechanical Engineering—Heat and Hydraulics Engineering	1	A degree in Mechanical Engineering.
D. Nursery Education	1	An Honours Degree, preferably with L.T., B.T. or B.Ed. qualifications and experience in teaching young children of nursery schools.
E. Physical Education	1	An Honours Degree with good record of sportsmanship.
F. Teacher's Training—Educational Psychology ..	1	An Honours Degree with L.T., B.T. or B.Ed.
G. Vocational Education—Manual Training subjects with special emphasis on ~~w~~ earing.	1	An Honours degree in Physics with workshop experience.
	9	

APPENDIX II.

For absorption in industries (Government and private enterprise).

A. Cinematography—Sound Recordist	1	A degree in Physics.
B. Applied Physics (Electronics)	1	Do.
C. Chemical Engineering	1	A degree in Chemistry or Chemical Technology.
D. Educational administration, with specialisation in various aspects, e.g., recreation and social activities and juvenile employment.	1	A degree in Arts (Economics or History).
E. Fertilisers—Chemical Plant Maintenance	1	A degree in Chemical Technology or a degree or diploma in Mechanical Engineering.
F. Fisheries	1	A degree in Zoology.
G. Food ~~Technology~~ with special reference to bakery and biscuit making.	1	A degree in Chemistry.
H. Forestry	2	(1) A degree in B.Sc. (Hons.) of a University in Madras Province. Preference will be given to Botany as Main or Subsidiary subject. (2) Must have studied Physics, Chemistry, Botany and Zoology.
J. Geophysics	1	A degree in Physics or Geology.
K. Industrial and Applied Chemistry—		
(i) Industries and Applied Chemistry	1	A degree in Chemistry.
(ii) Printing and Reproduction	1	A degree in Arts or Science.
(iii) Tanning, Currying and Leather Technology ..	1	A diploma in Leather Technology or a degree in Chemistry.
L. Mercantile Marine Engineering—Engineering side ..	1	A degree in Civil, Mechanical or Electrical Engineering.
M. Meteorology	1	A degree in Physics.

GOVERNMENT OF MADRAS.

OVERSEAS SCHOLARSHIPS, 1947-48.

The Government of India have decided to continue in 1947-48 the scheme for sending to other countries a certain number of students at Government expense for advanced courses in subjects directly related to post-war needs. Arrangements for instruction will be made primarily in the United Kingdom and the United States of America, and if possible, in other countries which may offer adequate facilities.

2. Under the scheme, thirty-five scholarships have been allotted to the Provincial Government. The Government propose to award the scholarships to candidates for the courses specified in Appendices I to III. Applications are invited from qualified candidates who are British Indian subjects, belonging to Madras Province.

3. Persons employed either under the Government of Madras or under the Government of India, whether they belong to Madras Province or not, may also apply; but preference will be given to those belonging to Madras Province.

4. Temporary Government servants who are not eligible for study leave, if finally selected for the scholarships, should resign their posts under Government, with effect from the dates on which they are relieved for taking up the scholarships.

5. Applications from persons in Government service should be submitted through the authorities concerned.

6. Women candidates are eligible to apply only for the subjects of study noted against items D of Appendix I and D and G of Appendix II. Men are not eligible to apply for item D of Appendix I.

7. *Qualifications*—(*a*) *Academic.*—Applicants should possess the minimum qualifications specified in the Appendices against each subject.

(*b*) *Age.*—Applicants should not be more than 30 or less than 19 years of age on 1st July 1947. The maximum age-limit for those already in the service of Government or of a recognized University, College or other public body is 40 years.

8. Applications should be in the prescribed form, copies of which can be had from the Secretary to Government, Education and Public Health Department, Fort St. George, Madras, on requisition accompanied by an *addressed* envelope with postal stamps for As. 3-6 *affixed*. The applications should be sent in *triplicate* addressed to the same officer, so as to reach him not later than 8th February 1947. The following documents should also be sent along with the application :—

(i) *A treasury receipt for Rs.* 5.—The amount should be deposited in a Government Treasury or the Reserve Bank of India or any of its branches, to the credit of the Government of Madras, under the head of receipt "XLVI. Miscellaneous"; on no account will this fee be refunded.

Note.—Where the fee is remitted into a treasury outside Madras Province, the words "Madras—Provincial" must be written prominently in red ink on the right hand top corner of the chalan.

(ii) *Certificate of age.*—A certified extract from the Matriculation or the Secondary School-Leaving Certificate or an attested copy of other satisfactory evidence of age.

(iii) *Certificate of physical fitness.*—A certificate of physical fitness with particular reference to the applicant's ability to bear the climate of the country to which he proposes to go; the certificate may be from a Registered Medical Practitioner.

(iv) *Certificate of character.*—The certificate should be obtained from the head of the institution at which the applicant is studying or from a magistrate.

(v) *Testimonials.*—Duly attested copies of two (but not more than two) testimonials from the authorities of the University or other institution where the applicant last studied.

(vi) *Certificates of educational qualifications.*—Duly attested copies of (*a*) a certificate or diploma showing that the candidate has the minimum qualifications prescribed and (*b*) all the documents, degrees, diplomas or certificates in support of the entries made in the application regarding the examinations passed, class, division or rank obtained and research or professional experience, etc.

(vii) *Syllabus for examination passed.*—Copy of the syllabus in the B.A., B.Sc., B.E. or other equivalent or higher examination passed or course pursued by applicant.

(viii) *Record of practical experience.*—Detailed record of practical experience of applicant with particular reference to the subject of study specified by him in the application and also proof of research.

(ix) *Photograph.*—Recently-taken passport-size photograph of applicant.

(x) In the case of an applicant who claims to belong to a Scheduled Caste, a certificate from a Revenue Officer, not lower in rank than a Deputy Collector, that the applicant belongs to a community (to be specified) which is included in the List of Scheduled Castes approved by Government and that such community is regarded as untouchable in the district to which the applicant belongs.

NOTE.—(*a*) Copies of the documents mentioned in items (ii) and (iv) to (ix) should be submitted in *triplicate*. Item (i) should be submitted in original and need not be in triplicate. Items (iii) and (x) should be submitted in original with two duly attested copies.

(*b*) Copies of the documents should be attested by a Gazetted Officer and his official seal affixed.

(*c*) The documents should be arranged in the order noted above. One set should be attached to each of the three forms of the application and securely fastened at the left hand top corner.

9. The selection will be made by the Selection Committee which will be constituted for the purpose. Selected candidates may be required to appear before the Committee for interview at their own expense, on a date which will be notified.

10. No member of the Selection Committee or any officers connected with the Committee must be approached by or on behalf of an applicant. *Any attempt to canvass directly or indirectly will forthwith and without any exception disqualify an applicant.*

11. A copy of the terms and conditions subject to which scholarships will be awarded to selected candidates will be sent to each applicant along with the form of application.

12. Applications which are received after 8th February 1947 or which do not comply with the conditions herein prescribed will not be considered.

13. The result of the selection will be notified in the Press. Unsuccessful candidates will not be informed individually.

13. Have you any knowledge of French or German ?

14. Full name and complete address of parent or guardian (with relationship).

15. Have you applied for a scholarship to be awarded by the Government of India in 1947–8 ? If so, state the course of study which you have proposed to take. (If you apply for a Central Scholarship subsequently, you should notify immediately.)

16. State whether you applied for a scholarship awarded by Madras Government in 1945–46 and/or 1946–47 ? If so, whether you were called for interview ?

17. Name (and status) of persons from whom you attach testimonials.—

(i)

(ii)

18. Give below the names of two persons who are in a position to testify from their personal knowledge of your fitness for the proposed course of study. (They must not be related to you.)—

GOVERNMENT OF MADRAS.

OVERSEAS SCHOLARSHIPS –1947–8—TERMS AND CONDITIONS OF AWARD.

1. *Duration of course of study.*—The duration of a course of study will be determined in each case by the Government, but it will, in most cases, be about two years. The Government also reserve the right to make at any time such changes as they may consider desirable in the nature or duration of a course approved by them.

2. *Countries where arrangements will be made.*—Arrangements for instruction will be made primarily in the United Kingdom and the United States of America and also in other suitable countries provided that satisfactory arrangements can be made. Applicants may mention their preference for any country or for any particular institution or institutions but the final decision in the matter will rest with the Government.

In view of the extreme overcrowding at present in foreign Universities, it is not possible to say if and when places can be found for the selected students in those Universities. Applicants are therefore warned that even if they are selected they will not be entitled to scholarships until places have been secured for them at institutions abroad and other arrangements made for their journey. Selected students will not be paid any kind of allowance or compensation for the period of waiting while arrangements are being made for their admission to institutions abroad and for their passage.

3. *Stipends.*—The value of the stipend for each student will be fixed in the light of ascertained requirements in different countries, but it will be sufficient to cover all the normal maintenance expenses which a student is likely to incur including expenses during vacations. The stipend will be payable from the date of a student's arrival in the country where he is to receive instruction up to the date of his departure from that country on the return journey, and it will be paid in advance in quarterly or monthly instalments. Any tuition fees or other charges in connexion with the course of study will be paid by the Government. Apart from the stipend and allowances referred to specifically in this paragraph and in paragraphs 4, 5 and 6 below, no other claims or requests for any other allowance will be entertained.

4. *Travelling expenses.*—Students will be allowed a second-class fare (or, where there is no second class, the fare next below first class) from their normal place of residence to their place of instruction and back, together with a sum of £5, or its equivalent in Indian or other currency, to cover incidental journey expenses each way. The sum of £5 will not be paid to those who are in Government employ and are in receipt of their leave salary during the voyage.

5. *Terms for Government servants.*—Madras Government servants who are entitled to study leave and are selected for a scholarship will be sent on study leave terms, supplemented by a special allowance, if necessary, so as to ensure that in no case will a Government servant be placed in a less favourable financial position than other stipendiary students. As regards Central Government servants who are entitled to study leave and are selected for a scholarship, terms will be decided by the Government of India in individual cases.

6. *Equipment allowance.*—Each selected student will be given before his departure from India an equipment allowance of Rs. 500 to enable him to provide himself with such clothing and other necessary articles as he is likely to need on the journey or immediately on his arrival in the country to which he is sent. It shall, however, be understood that this allowance is intended merely to supplement the student's own resources and no claims will be entertained beyond this amount for any expenditure which a student may incur on his equipment or clothing, etc.

7. *Conditions of the grant of stipend, etc.*—(*a*) The grant of the stipend and allowances will be subject to periodical reports of satisfactory progress. In case of continued adverse reports in respect of studies or conduct, the Government reserve the right to cancel the stipend immediately, and the student will be required to refund to the Government the total amount spent on him up to date, together with interest calculated at fixed Government rates, in accordance with the terms of the bond referred to in paragraph 8 below.

24

(b) In the case of a student who, on account of illness or other reasonable cause, is unable to complete the approved course of study and is obliged to return to India, the Government will pay the cost of the return journey and may at their discretion forego the refund of the amount referred to in (a) above.

8. *Bond.*—All candidates selected for scholarships (including Government servant) will be required to enter into a bond, in the form given below, undertaking to serve the Government of Madras or the Central Government, on their return after the completion of their course of instruction, for a period of five years, if required to do so, in a gazetted post, or take up, for a similar period, other comparable employment outside Government service, if so directed by the Government of Madras or the Central Government. They should not, therefore, count on their returning to their present appointments, if they hold any, but they are advised to secure a lien on their posts, if possible, in case their services are not required by Government on their return.

9. *Prospects of employment on return.*—Although every endeavour will be made to secure employment of the kind referred to above, it should be clearly understood that selection for an approved course of study does not carry with it a guarantee of employment and the selection for appointment in Government service will depend on the rules and regulations in force at the time.

10. *Arrangements in regard to passage, etc.*—The Government will make arrangements in regard to the sea-passage and, where necessary, facilities for dollar exchange. The selected students will, however, apply for passports and visas in the usual manner.

FORM OF THE BOND.

(*Paragraph* 8 *above.*)

Know all men by these presents, that we (1) (nominated to undergo a course of instruction in connexion with a Government stipend) and (2) do hereby bind ourselves, and each of us, our and each of our heirs, executors, administrators and legal representatives, to pay to His Excellency the Governor of Madras on demand the sum of Rs. 15,000 (Rupees fifteen thousand only).

Signed by us this day of one thousand nine hundred and forty-seven.

Whereas the above bounden (3) has been nominated to a Government stipend.

And whereas the above bounden (4) nominee of such stipend is entitled under certain conditions to such sum as may be fixed by Government towards the cost of maintaining himself for two years besides tuition fees, certain travelling expenses and also a second-class return passage of the appropriate grade from India to the country to which he is sent and back.

Now, the condition of the above written obligation is that in the event of the above bounden (5) not conforming to the instructions regarding training conveyed to him by an authorized agent of His Excellency the Governor of Madras, or of continued adverse reports regarding the progress of his studies or regarding his conduct or on the completion of his studies refusing to serve His Excellency the Governor of Madras, if required to do so, as a gazetted officer of the Madras Government, or to take up other employment indicated by His Excellency the Governor of Madras for a minimum period of five years, and, if his services are not required in that manner, refusing to serve His Excellency the Governor-General in Council, if required to do so, as a gazetted officer of the Central Government or to take up other employment, indicated by His Excellency the Governor-General in Council for a minimum period of five years, he shall forthwith refund to His Excellency the Governor of Madras on demand all monies paid to him or on his behalf in respect of the said stipend, tuition fees, travelling expenses or return passages or otherwise on account of having been selected as a scholar aforesaid and the interest on the amount calculated at fixed Government rates then in force for Government loans.

Then the above written obligation shall be void and of no effect, otherwise it shall be and remain in full force and virtue.

Signed by the above bounden (6)
in the presence of (7)

Signed by the above bounden (8)
in the presence of (9)

(1) Full name of candidate.
(2) Full names and addresses of sureties.
(3), (4) and (5) Name of candidate.
(6) Signature of candidate.
(7) Signature, name, designation, and full address of attesting officer with his office seal.

Advanced studies abroad - Scheme for 1947-48.

The main features of the Government of India, Education Department, scheme of sending students abroad for undergoing advanced courses of studies in subjects connected with development plans are mentioned on pages 1-2 n.f. of linked file I. The Madras Government have agreed to sponsor students in 1947-48 also. The Govt. of India have now forwarded their detailed proposals in regard to the procedure ~~of~~ re: selections of candidates, financial implications, etc., of the~~ir~~ scheme for 1947-48. The proposals are noted on in the Sectional Notes below.

The file may be sent to Devt., P.W.D., Public (Dev. Br.) and Finance before circulation.

(28)

candidates belonging to other Provinces were not considered. For the 1947-48 scholarships the Govt. have decided to permit Govt. servants also to apply. And it is likely that some Govt. servants ~~may~~ under the Govt. of India and this Govt. belong to States or other Provinces. It seems therefore that the condition that applicants should belong to this Province should not apply to Govt. servants. For orders.

(b) Age: The following were the maximum age limits fixed for applicants for 1945-46 and 1946-47 scholarships: No minimum age limits were fixed.

Edn.Dept. subjects:	30 years. 40 years for persons with good record as teachers.
Devt. Dept. subjects:	30 years. 32 years for persons with previous experience.
P.W.Dept. subjects:	30 years.

The Govt. of India have prescribed the following age limits for applicants to Central Scholarships, 1947-48:

AA

Minimum limit:	19 years.
Maximum limit:	30 years 40 years for those already in service of Govt. or of a recognised University, College or other public body.

As unlike previous years, it is proposed to permit Govt. servants to apply for scholarships in 1947-48, it is for orders whether the Govt. of India age limits at 'A' above may be adopted for Provl Scholarships.

(c) Terms and conditions of award of stipends: The terms and conditions of the award of stipends for 1946-47 were confined to ~~stipendi~~ non-Govt. servants. Now that Govt. servants have been proposed to be permitted to apply for scholarships, the ~~terms~~ scope of the "terms" will have to be widened, following the terms (x) offered by the Govt. of India for their students. One particular point however requires special consideration. The Govt. of India have given the following as one of their terms to Govt. servants selected for overseas scholarships:-

"A Government servant will, on his return after satisfactorily completing an approved course of study, be considered for appointment to a higher post if and when there is a suitable vacancy." A

~~No such promise has been held out to Govt. Servants who were~~ have been ~~"deputed" hitherto under the Govt. of India, Edn.Dept. Scheme. For orders whether this promise~~ will ~~may be included in the "terms" for Govt. servants.~~

Agree; M in respect of others it should continue to apply.

Diarised No 97837 dt. 46
19/12/46

I am afraid the point raised at X above cannot be disposed of so summarily as the Secy to M.A. would have us do. The fact has to be recognised that promotions at present are to a very large extent by seniority rules that foreign qualifications do not per se entitle a man already in service to preferential treatment. If the position is left as it is, a junior officer in one of the subordinate services will have to work his way up like any other officer notwithstanding the further training he has received abroad. This in my view would defeat the whole object of the scheme, for while the Govt will not get the benefit of the advanced training which a man he has received to fit him for a particular type of work by continuing him in a subordinate capacity the man himself ~~will~~ becomes discontented & will be marking time to go elsewhere & improve his prospects. If the intention is to give him the kind of job which (?) of the advanced training he has received ~~abroad~~ abroad he is qualified (?) why not say that he will be considered for such jobs if & when there is a vacancy (?) higher posts. This in effect is what the Govt of India have done & what in my opinion we would also do. It is no use evading the question.

A

[initials] 18/12/46

Secy P.W.D.

ASSISTANT SECRETARY TO GOVERNMENT M. DEC 1946 3431 PUBLIC WORKS DEPARTMENT

(30) 6

PWD

I agree with the Dep. Secy that some indication should be given in the "terms" to Govt Servants that they stand a good chance of receiving preferential treatment as a result of the training they receive abroad but at the same time I would recast the ~~stipulation~~ terms (quoted) of the Govt. of India somewhat on these lines,

"A Govt Servant will, on his return after satisfactorily completing an approved course of study, be considered for appointment to a higher post, if otherwise suitable, when there is a vacancy".

Para 11(b) on p 3 of (W)

As regards ¶ on p 4 ante, while I would not go to the extent of entirely shutting out applicants belonging to other provinces & states, I would indicate that preference would be given to Govt Servants ~~of~~ belonging to this province, ~~and~~ as I find that in States they are rarely friendly to non-State subjects and I am not certain that in other provinces they do not show some amount of partiality to their own people

I have no objn to N on p 4.

(17) (31) 7

Fin Ey

The case has now come up to this department with regard to the point raised at X on p. 5 above by EPH Secretary and on the further ~~sectional~~ note on p 12 of sectional notes.

The existing position in regard to the Govt servants in the matter of overseas scholarships is set out clearly in the Sectional notes on pp 13-16.

pp 12/13 of Sel notes in file at (Q)

In the past, this Govt took up the attitude that the scheme of Deputation of Govt servants for foreign studies should be kept distinct from the scheme of Scholarships, that Deputation should be framed according to departmental requirements. Govt servants were thus shut out from the scheme of scholarships, where selection would be made by a special committee.

Para 4 on pp 26-27 of file at (Q)

The Govt of India, were, however, keen on the point that, as the object in view was that the best available talent should be made available for these scholarships, the scheme should be open ~~to~~ also to Govt servants also. This Govt finally agreed to make arrangements for including Govt servants in the scheme of scholarships for the selection in 1947-8.

P 25 M-4 (Q)

The financing of these Govt servants will be as follows:

(1) Private candidates and temporary Govt servants not eligible for study leave: ~~these will be treated alike~~. The cost of their training will be shared equally by the central and this Govt.

Para 3, p 14 of place 14 of sel notes

(2) Permanent Govt servants deputed by this Govt. The cost will be borne by this Govt.

Ibid

2 ~~1~~ One of the terms offered to ~~the candidates~~ Govt Servants under the Govt of India ~~for the~~ overseas training, is as follows:- ~~the following terms applies to Govt servants~~:

"A Govt servant will on his return after satisfactorily completing an approved course of study, be considered for appointment to a higher post if and when there is a suitable vacancy".

para 11(b) on p 3 of (W)

Presumably the 'term' proposed refers to only permanent Govt servants.

In ~~considering the terms to be offered for~~ the case of Govt servants of this Province, who will be permitted ~~(for~~ to apply for the scholarship scheme in 1947-8) EPH Secretary does not ~~to apply for~~ think it expedient to include ~~make mention~~ as one of the terms! ~~as at~~ 'A' on p 4 above. Devt and PWD Secretaries ~~differ in~~ hold a different view. PWD Secretary has framed an alternative "term", as at Y on p 6 above.

It is submitted that while the offer of a term as at Y on p.6 above will mean that the best talented persons in Govt service will apply, the absence of such an offer may deter such persons from applying, thereby defeating the very object of the scheme. The offer by itself does not appear to involve the Govt in any commitment, ~~on the part of the Govt~~ as it does not necessarily bind Govt to select a Govt servant for a higher post on his satisfactorily completing his foreign training unless he is otherwise suitable. The Govt servant ~~is to be~~ will be appointed only in a vacancy, i.e. no new post is to be created and if the Govt servant is ~~to be promoted~~ it will be to a sanctioned post. — A — 'P'

In this view and in view of what is stated by Devt Secretary on p5 above, this dept may perhaps also agree to the offer of such a term as at Y on p 6 above being made to permanent Govt servants.* [EPH have not put up the papers referred to at D on p5 above, ~~and even~~ but in view of what is stated above, there does not appear to be any harm in agreeing to making an offer as at Y on p 6 above.] — A

This dept may also suggest that the question may be decided after ~~to~~ circulating the case to H.P.M also. — K

* temporary Govt servants will only retain their temporary posts & they have no hold on any posts held by them prior to their being selected for the scholarship scheme

[initials] 21.12.46

A above - My own view is that it is quite unlikely that a Govt servant eligible under the rules to apply will refrain from applying, merely because a term such as the one suggested above is absent from the scheme. I cannot therefore see how the absence of such a term will amount to defeating the purpose of the scheme. On the other hand, it is desirable that Govt

D.S.
S
EPH

do not hold out hopes of any kind, however vague and nebulous they may be, so that no Govt servant need have even a fancied grievance and remain dissatisfied over the matter. Such words as "suitable vacancy", "otherwise suitable" have to be interpreted when the time comes and Govt may decide that a particular vacancy is not a suitable one for a Govt servant sent abroad or that he is not otherwise suitable - he may have certain ideas about this question of suitability and the result will be grievances and dissatisfaction. I therefore agree with EPH Secy that it would be inexpedient to include this as one of the terms and that it may well be omitted. However, in view of 'P' on the anti: Finance is not deeply interested in this issue. — A

E.P.H. Department (C2).

1. Please see the notes on pages 3-9 above. Two points remain to be settled:-

(a) P.W.D. Secy. has suggested that in permitting Govt. employees to apply for scholarships, it should be indicated that ~~as~~ preference would be given to Govt. servants belonging to this Province. Finance Secy. has endorsed this suggestion. ~~It may be pointed out that~~ In the case of Madras Govt. servants it would not be ~~proper~~ fair to make a distinction between those belonging to this Province and those belonging to other Provinces and States. But in the case of Central Govt. servants there ~~may be no~~ may not be so much objection to stating that preference will be given to those who belong to this Province.

I agree with Secy, PWD & Fin; there will arise an invidious distinction between our Govt servants & those of the ...
[initials]

34 10

(b) The second point is whether the following should be included as one of the terms for the award of scholarships to Government servants:

"A Government servant will on his return after satisfactorily completing an approved course of ~~stu~~ study be considered for appointment to a higher post if otherwise suitable, when there is a vacancy."

E.P.H. Secy. does not think it would be expedient to include this term. But Devt. and P.W.D. Secretaries are of a different opinion. Finance agree with E.P.H. Secy. but have stated that they are not deeply interested in the issue.

'P' pp 5-6 ante, pp 8-9 ante.

2. The scholarships have to be advertised without further ~~dela~~ delay. The Govt. of India wanted the advertisement to be published even by the end of November 1946 so that the list of candidates recommended for scholarships might be sent to them not later than 28th February 1947. Subject to the orders on the two points mentioned above, drafts of (1) the advertisement (ii) form of application (iii) terms and conditions of award of scholarships and (iv) G.O. for publication of the advertisement, are put up for approval.

UNDER SECRETARY 6 - JAN 1947 DEVELOPMENT DEPARTMENT

3. The further notes on page 32 (a) of the Sectional Notes may be perused.

4. It is presumed Finance have seen the Sectional notes on page 16(a). Perhaps the file may be sent again to that Dept. after issue of the advertisement.

Fin. Secy may see again.

5. ~~x~~ P.W.D. and Devt. Secretaries may see again with reference to paragraphs 1 above and for acceptance of the drafts ~~advertisement~~ below. They may be requested to treat the case as specially urgent.

E.P.H. u.o. no. 66119 C2/46-4 6.1.1947

'p' above - My point was that as no decision has been taken that a person who has undergone this training will be given any kind of preference in the matter of promotion, which will remain governed by the ordinary rules regulating promotion, it would be misleading, & unjustifiable, to give a 'guarantee' on the lines of the G.O.'s formula, and it would also be unfair to the Govt. servants who do not go in for this training; these objections would apply even to the modified formula proposed by Secy. P.W.D. So I adhere to my previous view & think that no such 'term' need be opened. If Secy. Devt. & P.W.D. think so, orders will be taken in circulation.

6/1/47.

Secy. Devt. Secy. P.W.D. Secy. Fin.

I adhere to the views expressed by me in my note at p.5 above & would agree to the modified "assurance" - which certainly does not amount to a "guarantee" - suggested by the Secy. P.W.D.

6/1/47

Secy. P.W.D.

Devt. u.o. no 1759 Dt/46-1 9/1/47

ASSISTANT SECRETARY TO GOVERNMENT 7 JAN 1947 PUBLIC WORKS DEPARTMENT 56

With ref. to "Y" at p 6 ante I contemplated neither guarantee nor assurance but merely an inducement to Govt Servants to take to foreign studies. It was in this view that I suggested the inclusion of the "term" as at Y. But if it is thought that as it is, "Y" may by implication amount to an assurance, I have no objn to the substitution of the word "will" by "may". Subject to this I adhere to my view.

With refce. to orders on p3 c.f. of t.f. the papers at flag (g) the draft advt. has been corrected. A proof copy is placed below.

13th and 14th being holidays and as on Saturdays the Press works only for half a day it is not possible to arrange for the publication of the advt. in the next week's Gazette. It will be possible to publish it in the Gazette dt 21.1.47. The last date of receipt of applns may therefore fixed as 8.2.47. Of course the matter will ~~may~~ be sent to the Newspapers today but we cannot depend on their publishing it as soon as we want. Last time the Mail and the Hindu had to be reminded more than once for publishing the advt. A programme of the dates will be subd. in due course.

ORM 11/1/47 S

11/1/47

[Issued as G.O. No. 55 Edn., dt 11.1.47]

The file will be submitted to Secy after issue of advt, with the point raised at A's 11 ante. SBS

B's cf. Ph Bu.O. 56 Edn dt 8-1-47

The file relates to the award of overseas scholarships in 1947-48. Orders for the publication of the advertisement in the Fort St. George Gazette and in the newspapers have been issued. The advertisement is on pages 17-18 c.f.

As was done in the previous two years, it is proposed to specify the terms and conditions of the award of overseas scholarships. A copy of the terms and conditions issued in connection with the scholarships awarded in 1946-47 may be seen at flag (Q)/pp 22-23 c.f. Those terms were confined to non-Government servants. This year it has been decided to permit Govt. servants also to apply for scholarships. The terms and conditions for 1947-48 have therefore been suitably modified. There is however a difference of opinion in the matter of inclusion of the following as one of the terms and conditions.

> "A Government servant will, on his return after satisfactorily completing an approved course of study, be considered for appointment to a higher post if and when there is a suitable vacancy."

cf 11 (6) of (W)

x a p 5 ante & bottom of p 10 ante

E.P.H. Secy. ~~thinks~~ does not think it expedient to include the above as a term. Finance Secy. agrees with him. But Devt. and P.W.D. Secretaries are of a different opinion. P.W.D. Secy. would have the term modified as below:

A | "A Government servant ~~will~~ may on his return after satisfactorily completing an approved course of study be considered for appointment to a higher post if otherwise suitable when there is a vacancy."

Orders may be taken in circulation as to whether the term should be offered to Govt. servants. The draft of the ~~complete~~ "terms and conditions for the award of overseas scholarships for 1947-48 (without A above)" has been sent to the Press. If it is decided that "A" above should be offered it will be issued as an 'addendum'.

From the Government of India, Department of Education, F.5-15 46 dd.25.10.46.

Scholarships for advanced studies overseas 1947.48.

I(a) In continuation of this Department Express letter No.F5-15/46.OD. II dated the 15th September, 1946, I am directed to say that the Government of India have decided to continue in 1947-48 the scheme of sending abroad students for advanced courses in subjects connected with development plans so long as adequate facilities for instruction of the required standard are not available in this country. It is presumed that Provl. Govt. will share this view of the Central Government and continue to send abroad students for the purposes of their own development plans, Arrangements for suitable instruction will be made in the United Kingdom, United States of America, Canada, Australia and other countries, which may offer adequate facilities.

I(b) The Central Government have undertaken the responsibility for making all arrangements for the placing of all students, Provincial as well as Central, partly because these arrangements can more suitably be made by one single agency, particularly in view of the extremely difficult condition now prevailing in foreign Universities, and partly also because the Universities concerned have themselves desired that as far as possible all applications from Indian students should reach them through one channel.

Remarks of E.& P.H.

I (a) above. The Government have already agreed to the proposal of the Government of India to send abroad in 1947-48 a certain number of students for undergoing advanced courses of studies in subjects connected with development plans. The Government of India were informed that the estimated requirements of scholarships for 1947-48 were 74. The Govt. of India have allotted only 35 scholarships. Please see linked file I.

I (b) above. No remarks.

TNB 7.XI.46

8/11/46

2 42

Extract from G.of India's letter. 43/3

(23)

2.(a) Scope of the scheme. It has been decided to extend the scope of the scheme in 1947-48 so as to cover all important subjects connected with plans of development. The scheme remains essentially an educational one though practical training in varying proportion will form an integral part of the scheme; for certain courses of technology or applied science it may even form the bulk of the course of instruction of a candidate. M

(b) This scheme should not, however, be confused with the scheme of the Labour Department of the Government of India, which provides for persons requiring a course of practical training only in factories, etc. for the purpose of enlarging their professional or industrial experience.

Remarks of E.& P.H.

(a) above. The subjects for the scholarships in 1947-48 have been chosen, according to needs, from among the list of subjects mentioned in the list on pages 5 - 7 of the Central Govt.'s brochure for 1946-47. ~~In view of "P" on page 1 c.f./Q the list would cover "all important subjects connected with development plans".~~

The position stated at "M" above has been kept in mind in preparing the estimates of scholarships.

(b) above. May be noted.

TNB 7.XI.46

8/11/46

44

24 45

--

3. Financial implications. In view of the importance and all-India character of the scheme, the Govt. of India are prepared, as this year, to pay half the cost of training in respect of Provincial sponsored students selected in 1947-48 who are either non- Govt. servants ~~axe~~ or are temporary Government servants not eligible for study leave, on the condition that their selections are approved by the Selection Board Overseas Scholarships, to be set up by the Central Government for 1947-48. The cost of training in respect of all permanent Provincial Government servants selected or deputed by a Provincial Government will be borne entirely by the Provincial Government concerned. Y | The amount which may be spent by the Govt. of India on behalf of a Provincial Govt in connection with this scheme will be taken into account as part of the general grants for post-war development to the Province concerned.

Remarks of E & P.H.

G. of India's letter no F-21-11/45-E IV Oct 46 (V)

Private candidates and temporary Govt. servants not eligible for study leave who are selected for scholarships will be entitled for the payments detailed at "A" on pages 5 to 6 of (V). The total cost for each student is estimated at Rs.15,000. This amount is to be shared equally between this Govt. and the Central Govt.

Provincial Government servants eligible for study leave who are selected for the scholarships will have to be considered to be on study leave and payments made as indicated at "B" on p.6. of (V). The entire cost will have to be met by the provincial government - vide also pp.28-29 c.f. of G.O.150 Edn.d. 21.1.46. Please see also pages 13-16 infra.

As regards "Y" above, it may be stated that the Govt. of India did not make any such stipulation in respect of the scholarships awarded in 1945-46. But in respect of the scholarships for 1946-47 they made this stipulation. The Govt. however, requested the Central Govt. to agree to share the cost of scholarships without such a stipulation. (margin: 2) Final reply from the Govt of India has not been received. On the advice of Finance the Govt. have reiterated the request in respect of the scholarship to be awarded next year. Finance may see

[illegible] 18/11/46

105 46

Further notes of E.P.H.Dept.

Please see the notes on page 5 ante. The Government of India have since stated that they have carefully considered the Provincial Governments request to meet half the ~~x~~ share of the cost of scholarships without the stipulation at "Y" on page ~~15ank~~ 5 ante.but that they regret ~~that~~ they are not in a position to waive this stipulation. They have further ~~stated~~ pointed out that while it is a firm offer on their part to share on a 50:50 basis the expenditure on Overseas Scholarships there is no such firm offer in regard to the general grants for post-war development, nor can it be said with certainty what the amounts of those grants will be eventually. They have added that ~~x~~ in view of the all-India character of this scheme, no portion of the general development grant to the Province will be available for financing a separate Provincial Scheme with the same purpose.

Finance may see.

TMB 16.12.46

BM 17/12/46

There seems to be no purpose in ... further.

17/12/46

In respect of the scheme of scholarships for 1946-7 the Govt of India ~~finds~~ do not propose to waive the stipulation at 'Y' on p 5 above. There seems to be no point in making a further request.

In regard to the scheme of scholarships for 1947-8 also the Govt of India have explained in para 2 on p13 CF how they are justified in ~~not~~ taking up the above position.

This dept may agree with Edn Secretary in his view at Y above.

para 2, P13 CF

---

(25) 47/7

Extract from G. of I. letter.

4. Qualifications of candidates to be selected. In view of the urgent need to train highly qualified perseonnel as soon as possible for the various plans of development and the high cost of training it is essential that none should be selected for overeseas training except those who possess first class qualifications and show promise of deriving the fullest benefit from advanced courses of instruction abroad. Experience of the last two years has shown that there is no dearth of material of high promise in the country, though in the present circumstances, it may be more abundant and richers in some Provinces than in others. Provincial Governments will no doubt consider whether the high object of the scheme and the important positions which these students are intended to occupy ultimately justify a relaxation of the condition of domicile for purposes of these scholarships. In ~~my~~ any case, it is hoped that, as far as possible, no students will be selected for these ~~Scholar-~~ scholarships who do not possess a First Class Master's degree or equivalent qualifications in the subject or basic science concerned, preference being given to those who have also acquired some practical and research ~~xxxx~~ experience of value. X

It is very important for another reason that only persons with excellent qualifications should be selected. The position with regard to admissions abroad is difficult and is likely to remain so during the next year or two and candidates with lower qualifications are therefore not likely to gain admission.

Remarks of E.& P.H.

The following was the procedure adopted for the selections made in 1945-46 and in 1946-47:-

In the advertisement inviting applications only a degree in the particular subject of study was prescribed as the minimum qualification. But in the actual process of selection preference was given to first class degrees. As allowance had to be made for -

(a) specialities in respect of which there were no applicants with first class degrees,

(b) cases where field experience and research ~~aft~~ after taking a second class degree were assessed higher than a mere first class degree, and

(c) the need for securing adequate representation ~~in~~ for backward classes and for various linguistic areas (in the Industries branch),

selections were made from persons not holding a first class degree, also. For orders whether a similar procedure may be followed for 1947-48 also.

Re."X" above. States Subjects and candidates belonging to other provinces were not permitted to apply for scholarships in the past, as there was nothing to indicate that

cf. Secy's notes on pp 6-7 of Sachivalaya notes in G.O. 150 Edn 21-1-46

May be done - M. The position duly explained to Govt as was done previously.

48

British subjects belonging to this Province would not be available in sufficient numbers. The Govt. of India would not press their suggestion to throw open the scholarships for candidates of other Provinces - please see "C" on page 13 infra. It seems therefore the position taken up on the last two occasions need not be altered.

5. Nature of Employment afterTraining. It would be most unfortunate from all points of view if the selected students after satisfactorily completing their courses of training, were unable to obtain suitable employment. It is, therefore, essential that the estimates of requirements asked for in this Department letter referred to above should be as closely related as possible to the number for whom it may be reasonably expected to find suitable employment on their return, and while forwarding their demands the Provincial Governments should indicate, as specifically as possible, as to what the candidate will be called upon to do on satisfactory completion of studies. K It has also been represented by the students selected so far and by the University authorities concerned abroad that really efficient arrangements for instruction and training can only be made if it can be indicated beforehand what work exactly a student is likely to be called upon to do on his return.

Remarks of E.& P.H.

Cf. notes at para 15 on p 3 w.f./LFI and Memo No 19570C3/46-2 30.5.46 p3/(M)

The estimates of requirements of scholarships have been prepared with reference to the anticipated needs of the Departments, subjects of studies and number of men to be trained under each subject being fixed by Government in consultation with the Heads of Depts. The estimates include requirements under general industrial development as well as requirements for absorption in Government Departments. Even in the latter case although the expectation is that the students sponsored for studies abroad can be absorbed in the Govt. Depts. concerned on their return, the Govt. do not guarantee any employment. No special arrangements are made to absorb the candidates. They will be appointed according to the rules and regulations in force at the time and they will merely have the advantage that by virtue of their special training they might have better chances of selection.

'S' on p.22 CF/(Q)

"K" above has already been done as required.

Please see L.F.I., PP 27-31 CF. Clear indication as to whether a candidate is meant to be absorbed "in the teaching personnel of Govt. Colleges" "in the industries (Govt. and Private enterprise)" or "in the 'Govt Electricity, Public works, Highway Dept'", may be given again to the G. of India when the recommendations of Selection Committee are forwarded.

6. Bond. The Provincial Governments will no doubt, as this year, require the students selected for these scholarships to execute a Bond undertaking to serve Government, if required to do so, or take up other comparable employment indicated by Government for a specified period on their return. The terms and conditions of service to be offered should be clearly indicated. The Govt. of India expect that if such of the Provincial sponsored students for whom the Govt. of India pay half the cost of training are not required by the Provincial Governments concerned, the Provincial Government will have no objection to their being made available on return for service under the Central Government. The Bond which Provincial sponsored students are asked to execute should, therefore, include a clause to the effect that if on their return their services are not required by the Provincial Government concerned, they will be bound to serve the Central Government, if required to do so, in a gazetted post, or take up other comparable employment indicated by the Central Government, for a period of five years. In regard to the students selected by the Central Government directly it is intended that if on their return their services are not required by the Central Government they will be made available to a Provincial Government which may require their service in accordance with the terms of the Bond.

Remarks of E.& P.H.

A copy of the bond prescribed for candidates sponsored by Govt. in 1946-47 is ~~put up at flag ( ).~~ at pages 168-169 CF 4 (a) A copy of the bond presribed by the G. of India for their students sponsored last year is at pages 7-8 of flag (t) in L.F. I. There is a slight difference in the two forms. It seems for the sake of uniformity the form prescribed for Madras students ~~last~~ this year may be adopted for 1947-48 also.

As certain students of 1946-47 felt some difficulty in the actual manner of filling up the form it seems suitable instructions (as given by the G. of India in their form) may be given as footnote to our form. The draft modified form subd. below is for approval.

7. Applications of Government employees. The important reason why the Government of India have offered to share the cost of training of the Provincial sponsored students is the importance and all-India character of the scheme. It follows, therefore, that the scheme should be recognised as a cooperative effort. While the Govt. of India do not desire to press the suggestion that Provincial Governments should throw these scholarships open to persons of other Provinces also, they expect that Provincial Governments will have no objection to persons in their employ applying for a Central Scholarship; As the scheme has been initiated to meet important national needs in connection with the postwar schemes of development, the Provl. Govts will perhaps agree that any temporary inconvenience caused by the release of a Government employee will be more than offset by the advantages which will accrue from his training abroad. It is, therefore, hoped that the applications of Provincial Government employees who may desire to apply for Central Scholarships will not be withheld by the Provincial Governments. The Government of India will, on their part, have no objection to their employees applying for a Provincial Scholarship, if they choose to do so. In this connection the Govt. of India wish to record their appreciation of the fact that most of the Provincial Governments have so far unhesitatingly placed at the disposal of the Central Government Central Government not only those whom they had selected for Provincial scholarships but also those in their employ who had applied and were selected for Central scholarships.

Remarks of E.& P.H.

Under the Govt. of India scheme as initiated in 1945-46 two types of students were to be sponsored for advanced studies abroad:-

(1) Persons selected for scholarships. (Selection thro' Advt)
(2) Government servants sponsored on either study leave or deputation terms. (Selection by Govt. Depts)

The idea of the G. of India was also to permit Govt. servants to apply for the scholarships refd. to in (1) above.

2. This Government took the position that the scheme of deputation of Govt. servants should be kept distinct from the scheme of scholarships; deputation should be framed according to departmental requirements, the officers being selected by Govt on departmental considerations. As a corollary the Govt. servants were shut out from the scheme of scholarships, where selection would be made by a special committee. Attention is invited to pages 11-13 of sectional notes in G.O. 150 Edn. dated 21.1.46

Thus officers of this Govt. and of the Central Govt. were not considered for the scholarships awarded in 1945-46 and in 1946-47 by this Govt. And no officer of this Govt. was also permitted to

apply for Central Scholarships.

3 But, as the Government of India pressed their suggestion that the Govt. should not shut out Govt. servants from the scholarships scheme, it ~~has been~~ was decided to allow, with effect from 1947-48 persons in Madras Govt. Service to apply for Central Scholarships, ~~as well as~~ and Provincial Scholarships and to permit Central Govt. officers to apply for Provl. Scholarships.

4 With a view to have a definite idea of the additional expenditure involved in the proposal, it was considered that the maximum number of Govt. servants selected for the Provl. scholarships each year should be limited to 10 or 20% of the total scholarships allotted, whichever ~~is~~ was less. The Govt. of India were ~~[illegible]~~ asked if they would agree to this. But no reply has been received.

5 The Government of India have now allotted 35 scholarships for 1947-48. They have stated that this number is <u>exclusive</u> of the permanent Govt. servants who this Govt. may depute or select for studies overseas.

~~The following points are for orders.~~ 6 As regards cost the following is the position:-

A. <u>Provincial Scholarships</u>:

(1) In respect of private candidates and temporary Govt. servants not eligible for study leave who may be selected for scholarships, the cost of training will be shared equally between Madras and Central Govts.

(2) In respect of Provincial Govt. Servants eligible for study leave who may be selected for scholarships the entire cost of training will be borne by Madras.

(3) In respect of Central Govt. Servants eligible for study leave who may be selected for Provl. scholarships the Govt. of India have stated that ~~such~~ each case will be examined individually. ~~Probably~~ Perhaps the Central Govt. will share the cost. Please see ~~below~~ para 10 of India's letter.

B. <u>Central Scholarships</u>:

(1) Temporary Govt. servants not eligible for study leave, if selected for scholarships, will be treated as private candidates and will be paid as such.

(2) In respect of Madras Government servants eligible for study leave selected for central scholarships the cost will be first met by Madras but Central Government will reimburse the Provincial Government at the end of each year when accounts are normally due for adjustment.

7. The following points are submitted for orders:-

(1) In the advertisement it may be specifically stated that all temporary Govt. servants who are not eligible for study leave if they are selected finally for the scholarships should resign their posts under Govt. with effect from the date on which they are relieved for taking up the scholarships. Please see 'G' on p. 7. of Govt. of India's memo at Fl. (V).

(2) As per the estimates furnished by departments of the Secretariat, the total requirements of scholarships ~~required~~ for 1947-48. are 74 while the Govt. of India have allowed only 35. The allotment of 35 is exclusive of Govt. servants eligible for study leave who may be selected under the scholarships scheme, but will be sent on study leave terms. It is not ~~possible~~ possible to state how many Govt. servants eligible for study leave will get selected under the scholarships scheme, where they will have to compete with private and other temporary Govt. servants. It is also not definite for which particular subject Govt. servants will be selected. There will be practical difficulties and delay if after the provincial selection committee submits its recommendations it is seen that for certain subjects only Govt. servants are recommended thereby leaving those places unfilled by men whose cost will be shared by the Govt. of India. It will also not be possible to select a private candidate in addition to a Govt. servant for a particular subject as for most of the subjects only one scholarship is required. It therefore seems that for 35 places allotted to this Province private candidates and temporary Govt. servants not eligible for study leave may be permitted to apply. An additional 10 or more places may be set apart in the scholarships scheme and for those places alone Govt. servants eligible for study leave may be permitted to apply. The Central Govt. will

probably have no objection to this as they are insistent mainly upon Madras Govt. servants being permitted to apply for their scholarships - vide page 20 n.f.of (Q).

(3) Heads of Departments who were asked on the last two occasions to withhold applications for central and provincial scholarships from Govt. servants may now be requested to forward applications for 1947-48 scholarships.

(4) The existing scheme of deputation of Govt. servants will be kept distinct from the scholarships scheme and ~~that~~ as in the previous two years officers may be deputed overseas next year also.

8. Permission to apply for a Central and also a Provincial Scholarship. If Provincial Governments have no objection, it is suggested that candidates should be permitted to apply both for a Provincial and a Central scholarship but they should be required to state at the time of interview whether they have done so and this fact should be clearly indicated in the list of recommended candidates forwarded by Provincial Governments. The decision as to whether a candidate selected by a Provincial Government as well as by the Central Government should be awarded a Provincial or a Central scholarship will depend on several considerations, including the choice of the candidate himself and the relative needs of the Central and Provincial Governments but as far as possible the Central Government will not take away from Provincial Governments candidates selected by them.

Remarks of E.P.H.

Last year private candidates were allowed to apply both for Central and Provincial Scholarships. A special column was added in the form of application requiring applicants to state they had applied for Central scholarships also. A similar procedure may be adopted for next year also.

9. Dates for submission of returns. This year's experience has again emphasised the fact that the work in connection with the award of scholarships is long and complicated. It has been found that in order to ensure places in the institutions abroad, applications of the selected students must be submitted to the institutions concerned well in time. It has therefore been decided to advance the whole programme of selections for 1947-48 by at least a month. It is for this reason that Provincial Governments have been requested in this Department Express Letter referred to above to intimate their requirements to this Department by the 24th October 1946 at the latest. The total number of scholarships allotted to the Provincial Governments will be communicated by the 10th November 1946 and the Provincial Governments will be free to distribute their quota of scholarships among various subjects according to the importance which they can attach to different subjects in relation to their plans of development. These allotments will be exclusive of the permanent Govt. servants whom the Provincial Governments may select or depute for studies overseas and whose entire cost will be borne by them. It is hoped that as soon as the Provincial Governments receive the allotment of scholarships, they will take immediate steps to invite applications and set up the machinery for selection in order that the selections are completed and the names recommended by them for Provincial Scholarships are communicated to this Department before the 28th February 1947. It is proposed to issue an advertisement before the 30th Nov. 1946 inviting applications for Central Scholarships and the Provincial Governments may issue their advertisements at about the same time

Appl-2 of LFI

Remarks of E.P.H.Dept.

--

~~The total number of scholarships required by the Depts. for 1947-48 as per estimates~~

LFI

An advertisement may be published after the distribution among the Departments of the scholarships allotted to the Province is made, and also after orders are passed in this file. In connection with the Scholarships awarded in 1945-46 & 1946-47 ~~During the last two years~~ advertisement was made in "The Mail", "The Hindu", "Indian Express" and "The Liberator" all papers published in Madras. Only one insertion was made in each paper.

Although Central Govt. servants are ~~proposed~~ to be permitted to apply for scholarships in 1947-48, it seems that advertisement in the four papers mentioned alone would be enough. ~~During~~ On the last two ~~years~~ occasions candidates living in Karachi, Benares, Jamshedpur etc. were able to apply in time for the scholarships.

As was done on previous ~~years~~ occasions, an application fee of ~~Rs.5/-~~ may be prescribed for each applcn.

As regards the appointment of a selection committee, action is taken in L.F.II

Efforts may be taken to adhere to the dates mentioned by the Govt. of India.

20. Procedure in regard to permanent Provincial Government servants. Since the Central Government will not be called upon to incur any portion of the expenditure on the training abroad either of permanent Provincial Government servants selected for Provincial Scholarships or of officers deputed by Provincial Governments for training abroad, Provincial Governments should not communicate the particulars of these candidates for the approval of the Selection Board, Overseas Scholarships. Their applications, with all the necessary documents, will, however, be required by the Government of India, if the Provincial Governments desire arrangements to be made for their admission to Universities, passages etc. In order to avoid confusion and unnecessary correspondence it is requested that this category of students or officers should be dealt with quite separately from those students in respect of whom the Central Government will bear half the cost of training and for whose selection the approval of the Selection Board is required. The necessary particulars of the two categories of students or training may please be furnished in separate statements. It has already been made clear that the total number of scholarships allotted to Provincial Government servants whose the Provincial Governments may send abroad at their own cost.

11. Applications and other documents. This year in several cases the applications of the Provincial sponsored students did not reach the authorities abroad in time for admissions, because the applications were either not received in this Department or were incomplete In some cases the Provincial Governments did not retain with them any copies of the applications etc.of the candidates and had to recall those from this Department thus causing further delay in the communi cation of the necessary particulars to the authorities abroad. This adversely affected the already meagre chances of securing admissions for these students. It is suggested therefore that

(1) this year Provincial Governments may, like the Central Government, invite applications for their scholarships in triplicate with three sets of all the documents Two sets of applications, each complete with testimonials, certfificates photographs, copies of syllabuses etc. and duly checked may be forward ed to this Department while sending the names of the candidates, recommended by the Provincial Governments. One of these sets will be sent to the authorities abroad for securing admissions . The third set may be retained by the Provincial Government for their reference

(2) and record. The two sets forwarded to this Department should not contain any original certificates, degress or diplomas but only their

(3) attested copies excepting in the case of those students for whom ad mission is required in Oxford or Cambridge. In the case of those desiring admission in the above two Universities originals of certificates degrees and diplomas should be forwarded to this Department since these are required by the University authorities. The Provincial

(4) Government may please see that the applications contain the fullest particulars about the candidate such as his full address, age, exami nations passed with classes obtained and subjects taken at High school and subsequent examinations and practical or research expe- rience. In order to help admissions full information about the candidates qualifications etc. should be given in their applications

(5) Additional columns may also be added to the application forms to show (i) whether the candidate has applied or intends to apply for a Central Government scholarship or any other Provincial Scholarships or not (ii) whether he is married or not, and (iii) the name and full address of the living parent or guardian, if any, of thecandidate.

So far the practice has been that when inviting applications a candidate is required to indicate two or more subjects of study in order of preference and there are instances where a scholars is selected for a subject which is not his first or even second choice. When the papers of such a candidate are submitted to an institution for admission his application is turned down on the score that his papers do not show that he is sufficiently interested in the subject. In order, therefore, to overcome this difficulty it is suggested that

(6) candidates should be asked to indicate not more than one subject in their application forms. It would also be desirable if the copies of applications sent to this Department contained only that subject for which the candidate was finally selected.

Remarks of E.& P.H.

All the suggestions made by G. of India may be accepted.

7.XI.46

8/11/46

13. Training. The duration of training will vary according to particular requirements, but the average duration of courses will be about two years as normally students will be selected for post-graduate courses The training will, as far as possible, be arranged in the institutions if any, indicated by the Provincial Governments as concerned, but it is likely that in some cases arrangements desired by the Provl. Govts may not be possible. In that event other suitable institutions will be tried and owing to the time factor it may not be possible to make a further reference to Provincial Governments concerned at that stage. It is therefore, suggested that the Provincial Governments may, when forwarding the names of candidates recommended by them, indicate their views as fully as possible, so that at least such arrangements may be avoided as a Provincial Government may consider definitely unsuitable for a particular subject.

p9 ante

As indicated in para. 5 above, the most efficient way will perhaps be for Provincial Governments to indicate as precisely as possible what work a selected student is likely to be called upon to do on his return and to leave it to the Government of India's Educational Officers to make the best possible arrangements for the necessary training, in consultation with the appropriate authorities in these countries. It has been represented by the students, and also by the university authorities, that it is difficult to arrange a course of studies so long as it is not clearly known what work a student is likely to do on his return. It has also been found in several cases that a course of studies is either non-existent at the desired institution, or even in that particular country or is considered by the competent authorities in that country not to be the most suitable available.

Remarks of E.P.H.

In connection with the scholarships offered in the previous years, the G. of India wanted particulars regarding the nature, duration of courses for each subject, names of three institutions of study in order of preference etc. in the the form of a return. In consultation with the Heads of Departments concerned the particulars were furnished to the Government of India. The particulars however could not be accurate and complete in certain respects. for want of ready and up-to-date information regarding the courses available in the foreign countries - during the War institutions abroad have had to close down certain departments which had existed before. And as stated by the Govt. of India in several cases changes had to be made later on in the courses of studies, institutions and countries of study.

Para 17 on pp 4-5 of G.I.F.I

In respect of the scholarships for 1947-48 the Depts. concerned have already been requested to furnish particulars in the same form they used previously. The Heads of Depts.

38 70

who prepare the return form/have been instructed to to furnish accurate information as far as possible after consulting the the Madras University Students Information Bureau, and the G. of India, Overseas Information Bureau, if necessary. On receipt of the returns from the Depts. they may be consolidated and sent to the Govt. of India. They may be told in what manner the students are likely to be employed on return, e.g. in the teaching line in Colleges; in Industries; and in the Public Works Departments. etc.

TNB

The Government of India may be requested to ask the Edl.Liaison Officers abroad to secure admissions in the institutions mentioned in the "A" return, wherever possible. Wherever admissions as suggested in the A return are not possible, the Edudational Liaison Officers may be authorised to make the best arrangement possible in consultation with the appropriate authorities in those countries.

According to the practice followed in respect of scholars sponsored in 1946-47, the Government of India telegraph this Govt. as soon as admission of a particular candidate is secured and ask the Travel Agents direct to complete the candidate's passage arrangements in consultation with this Govt. The name of institutions and the nature of course for which admission is secured is intimated to this Govt. for verification, before permitting the concerned candidate to proceed abroad, whether the admission would be suitable. Presumably a similar procedure will be followed in respect of scholarships to be awarded in 1947-48. This will facilitate Govt. of India in consultation with Heads of Depts. concerned the suitability of. Wherever admissions are secured for 1947-48 scholars in institutions other than those mentioned in the A return, the Depts. concerned may be consulted re. the suitability of such admissions before permitting the students to go abroad.

EXTRACT OF G.OF. INDIA'S LETTER.

14. Communal representation. The Government of India propose in making their own selections, to ensure as they have done so far, that the minority communities receive a fair share of these scholarships, provided that suitable candidates from those communities are forthcoming. It is suggested that the communal ratio to be aimed at should be the ratio where any fixed for recruitment to Government services. It is hoped that Provincial Government will also accept the principle and indicate, when forwarding the names of candidates recommended by them, how many candidates of each community they would like to be selected.

Remarks of E.P.H.

In connection with the scholarships for 1946-47, the Secretary made the following remarks:-

"What the Government of India aim at is obviously their own communal ratio which is not the same as ours. I do not think therefore that the rule referred to at 'B' above should be applied.

It would be difficult to reconcile a selection according to communal ratios with the requirement of a I class qualification as a minimum; if the latter is strictly followed, though there might be allocation according to communal ratios in theory, in practice backward communities may have to be passed over for lack of qualified candidates. A better arrangement would be, as indicated at page 7 ante, not to insist on a I class degree as a minimum - so that there may be room to accommodate candidates of backward communities. And on the other hand, since the idea is still to put a premium on quality it would be unwise to prescribe any hard and fast communal ratios. .... The instructions issued last year were sufficient to ensure adequate representation for all classes. So I suggest that it is sufficient to issue instructions to the Committee as we did last year."

For orders whether the same considerations may be taken to hold good for 1947-48 also. Attention is invited in this connection to the Minutes of H.P.M. and D.M. (Edn.) on page 14 n.f. of G.O. 1451 Edn. dt. 25.7.46.

P.T.O.

24

Extract from G.of India's letter.

15. **Channel of correspondence.** In order to avoid confusion which results when more than one Department of a Provincial Government independently correspond with this Department in connection with the scheme, it is requested that the Provincial Governments, if they have no objection, may so arrange, if they have not already done so, that one of their Departments may coordinate the whole/scheme and all correspondence relating to the scheme is sent to the Government of India through that Department only.

Remarks of E.& P.H.

According to the arrangement for 1945-46 and 1946-47, schemes, the Education Department co-ordinated the schemes so far as the scholarships were concerned. and all correspondence in that regard is being sent to the Govt. of India through this Department. But in regard to Govt. Servants deputed for overseas studies, co-ordination was done by this Dept. up to the stage of sending ~~up of~~ the A return. After that all correspondence was left to be done by the Devt. ~~and~~ Dept. and the G. of India were told accordingly. This Department restricted its work to correspondence relating to officers deputed by this Department.

In view of the Govt. of India's proposal above, it is for orders whether correspondence in regard to the that may be Government servants/deputed for studies abroad in 1947-48 may be sent through this Dept. Devt. may see for remarks.

8/11/46

TOAS

Please see the Govt of India's proposal and E & P.H. note above. Hitherto all correspondence regarding the deputation of Govt Servants except those mentioned at * above were done by this dept. In respect of the Govt Servants for 1947-48, E & P.H. have asked this dept to forward the *

also to the Govt of India direct.

E & P.H. have now stated that they have no objection to take over all correspondence relating to the deputation of Govt Servants for 1947-48 if this Deptt agree. It is submitted that this course, apart from throwing additional work on the E & P.H. deptt, is also likely to cause delay. For orders whether the proposal of the Govt of India overleaf will be agreed to. & E & P.H deal with the scholars so far as the stipendiary candidates are concerned. As regards Govt Servants, the existing practice might perhaps continue.

12.11.46

12.11.46

The correspondence relating to ~~the deputation~~ stipendiary candidates may be dealt with in E. & P.H. Dept. But as far as the deputation of Govt. servants is concerned it is obviously desirable to continue the existing practice.

APM 12.11.46. Add S.

I think the balance of convenience lies in one deptt of Govt dealing with the entire subject of ~~B~~ the requests of India is very reasonable & it will conduce to promptness & efficiency if one deptt takes over all the work. I agree to E & P.H. dealing with both stipendiary students & Govt servants deputed for foreign studies

12.11.46

This Deptt may agree to B in principle & C above

GOVERNMENT OF MADRAS.
Overseas Scholarships - 1947-48.

.....

1) The Government of India have decided to continue in 1947-48 the scheme for sending to other countries a certain number of students at Government expense for advanced courses in subjects directly related to post-war needs. Arrangements for instruction will be made primarily in the United Kingdom and the United States of America, and if possible, in other countries which may offer adequate facilities.

2) Under the scheme, thirty-five scholarships have been allotted to the Provincial Government. The Government propose to award the scholarships to candidates for the courses specified in Appendices I to III. Applications are invited from qualified candidates who are British Indian subjects, belonging to Madras Province.

3) Persons employed either under the Govt. of Madras or under the Govt. of India ~~xx~~, whether they belong to Madras Province or not, may also apply; ~~but in the case of Central Govt. servants~~, preference will be given to those belonging to Madras Province.

4) Temporary Government servants who are not eligible for study leave, if finally selected for the scholarships, should resign their posts under Government, with effect from dates on which they are relieved for taking up the scholarships.

5) Applications from persons in Government service should be submitted through the authorities concerned.

6) Women candidates are eligible to apply only for the subjects of study noted against items D of Appendix I and D and G of Appendix II. Men are not eligible to apply for item D of Appendix I.

7) Qualifications:

(a) Academic: Applicants should possess the minimum qualifications specified in the Appendices against each subject.

(b) Age: Applicants should not be more than 30 or less than 19 years of age on 1st July 1947. The maximum age limit for those already in the service of Government or of a recognised University, College or other public body, is 40 years.

8) Applications should be in the prescribed form, copies of which can be had from the Secretary to ~~the~~ Govt., Education & Public Health Department, Fort St. George, Madras, on requisition accompanied by an addressed envelope with postal stamps for As. 3½ affixed. The applications should be sent in TRIPLICATE

addressed to the same officer, so as to reach him not later than Jan. 1947. The following documents should also be sent along with the application:-

(i) A Treasury Receipt for Rs.5/-. The amount should be deposited in a Govt. Treasury or the Reserve Bank of India, Madras or any of its branches, to the credit of the Govt. of Madras, under the head of receipt "XLVI. Miscellaneous"; on no account will this fee be refunded.

Note: Where the fee is remitted into a Treasury outside Madras Province, the words "Madras-Provincial" must be written prominently in red ink on the right hand top corner of the challan.

(ii) Certificate of Age:- An extract from the Matriculation or the Secondary School-Leaving Certificate or other satisfactory evidence of age.

(iii) Certificate of Physical fitness: A certificate of physical fitness with particular reference to the applicant's ability to bear the climate of the country to which he proposes to go; the certificate may be from a Registered Medical Practitioner.

(iv) Certificate of character: The Certificate should be obtained from the head of the institution at which the applicant is studying or from a magistrate.

(v) Testimonials. Duly attested copies of two (but not more than two) testimonials from the authorities of the University or other institution where the applicant last studied.

(vi) Certificate of Educational Qualifications: Duly attested copies of (a) a certificate or diploma showing that the candidate has the minimum qualifications prescribed and (b) all the documents, degrees, diplomas or certificates in support of the entries made in the application regarding the examinations passed, class, division or rank obtained and research or professional experience, etc.

(vii) Syllabus for examinations passed: Copy of the syllabus in the B.A., B.Sc., B.E. or other equivalent or higher examination passed or course pursued by applicant.

(viii) Record of practical experience: Detailed record of practical experience of applicant with particular reference to the subject of study specified by him in the application and also proof of research.

(ix) Photograph: Recently-taken passport-size photograph of applicant.

(x) In the case of an applicant who claims to belong to a scheduled caste, a certificate from a Revenue Officer not lower in rank than a Deputy Collector, that the applicant belongs to a Community (to be specified) which is included in the List of Scheduled Castes approved by Govt. and that such community is regarded as untouchable in the district to which the applicant belongs.

Note: (a) Copies of the documents mentioned in items (ii) and (iv) to (ix) should be submitted in TRIPLICATE. Item (1) should be submitted in original and need not be in triplicate. Items (iii) and (x) should be submitted in original with two duly attested copies.

(b) The documents should be arranged in the order noted above. One set should be attached to each of the three forms of the application and securely fastened at the left hand top corner.

9. The selection will be made by the Selection Committee which will be constituted for the purpose. Selected candidates may be required to appear before the Committee for interview at their own expense, on a date which will be notified.

10. No member of the Selection Committee or any officers connected with the Committee must be approached by or on behalf of an applicant. ANY ATTEMPT TO CANVASS DIRECTLY OR INDIRECTLY WILL FORTHWITH AND WITHOUT ANY EXCEPTION DISQUALIFY AN APPLICANT.

11. A copy of the terms and conditions subject to which scholarships will be awarded to selected candidates will be sent to each applicant along with the form of application.

12. Applications which are received after ___ Jan. 1947 or which do not comply with the conditions herein prescribed will not be considered.

13. The result of the selection will be notified in the Press. Unsuccessful candidates will not be informed individually.

Government of Madras.

OVERSEAS SCHOLARSHIPS - 1947-48. - Terms and Conditions of award.

1. Duration of course: The duration of a course of study will be determined in each case by the Government, but it will, in most cases, be about two years. The Government also reserve the right to make at any time such changes as they may consider desirable in the nature or duration of a course approved by them.

2. Countries where arrangements will be made: Arrangements for instruction will be made primarily in the United Kingdom and the United States of America and also in other suitable countries provided that satisfactory arrangments can be made. Applicants may mention their preference for any country or for any particular institution or institutions but the final decision in the matter will rest with the Government.

In view of the extreme overcrowding at present in foreign Universities, it is not possible to say if and when places can be found for the selected students in those Universities. Applicants are therefore warned that even if they are selected they will not be entitled to scholarships until places have been secured for them at institutions abroad and other arrangements made for their journey. Selected students will not be paid any kind of allowance or compensation for the period of waiting while arrangements are being made for their admission to institutions abroad and for their passage.

3. Stipends.- The value of the stipend for each student will be fixed in the light of ascertained requirements in different countries, but it will be sufficient to cover all the normal maintenance expenses which a student is likely to incur including expenses during vacations. The stipend will be payable from ~~xx~~ the date of a student's arrival in the country where he is to receive instruction upto the date of his departure from that country on the return journey, and it will be paid in advance in quarterly or monthly instalments. Any tuition fees or other charges in connection with the course of study will be paid by the Government. Apart from the stipend and allowances referred to specifically in this paragraph and in paragraphs 4,5 and 6

13. Have you any knowledge of French or German?

OVERSEAS SCHOLARSHIPS - 1947-48. - Terms and Conditions of award.

1. Duration of Course: The duration of a course of study will be determined in each case by the Government, but it will, in most cases, be about two years. The Government also reserve the right to make at any time such changes as they may consider desirable in the nature or duration of a course approved by them.

2. Countries where arrangements will be made: Arrangements for instruction will be made primarily in the United Kingdom and the United States of America and also in other suitable countries provided that satisfactory arrangments can be made. Applicants may mention their preference for any country or for any particular institution or institutions but the final decision in the matter will rest with the Government.

In view of the extreme overcrowding at present in foreign Universities, it is not possible to say if and when places can be found for the selected students in those Universities. Applicants are therefore warned that even if they are selected they will not be entitled to scholarships until places have been secured for them at institutions abroad and other arrangements made for their journey. Selected students will not be paid any kind of allowance or compensation for the period of waiting while arrangements are being made for their admission to institutions abroad and for their passage.

3. Stipends.- The value of the stipend for each student will be fixed in the light of ascertained requirements in different countries, but it will be sufficient to cover all the normal maintenance expenses which a student is likely to incur including expenses during vacations. The stipend will be payable from xx the date of a student's arrival in the country where he is to receive instruction upto the date of his departure from that country on the return journey, and it will be paid in advance in quarterly or monthly instalments. Any tuition fees or other charges in connection with the course of study will be paid by the Government. Apart from the stipend and allowances referred to specifically in this paragraph and in paragraphs 4,5 and 6

below, no other claims or requests for any other allowance will be entertained.

4. Travelling Expenses: Students will be allowed a II Class fare (or, where there is no II Class, the fare next below I Class) from their normal place of residence to their place of instruction and back, together with a sum of £5, or its equivalent in Indian or other currency, to cover incidental journey expenses each way. The sum of £5 will not be paid to those who are in Government employ and are in receipt of their leave salaries during the voyage.

5. Terms for Government Servants. Madras Government servants who are entitled to Study Leave and are selected for a scholarship will be sent on Study Leave terms, supplemented by a special allowance, if necessary, so as to ensure that in no case will a Government servant be placed in a less favourable financial position than other stipendiary students. As regards Central Govt. servants who are entitled to Study Leave and are selected for a scholarship, terms will be decided by the Govt. of India in individual cases.

6. Conditions of the grant of Stipend, etc.: (a) The grant of the stipend and allowances will be subject to periodical reports of satisfactory progress. In case of continued adverse reports in respect of studies or conduct, the Govt. reserve the right to cancel the stipend immediately, and the student will be required to refund to the Government the total amount spent on him upto date, together with interest calculated at fixed Government rates, in accordance with the terms of the bond referred to below.

(b) In the case of a student who, on account of illness or other reasonable cause, is unable to complete the approved course of study and is obliged to return to India, the Govt. will pay the cost of the return journey and may at their discretion forego the refund of the amount referred to in (a) above.

6. Equipment Allowance.- Each selected student will be given before his departure from India an equipment allowance of Rs.500 to enable him to provide himself with such clothing and other necessary articles as he is likely to need on the journey or immediately on his arrival in the country to which he is sent. It shall however be understood that this allce. is intended merely to supplement the Student's own resources and no claims will be entertained beyond this amount for any expenditure which a Student may incur on his equipment or clothing etc.

7. Bond: All selected students will be required to enter into a bond, in the form given below, undertaking to serve the Government of Madras or the Central Government, on their return after the completion of their course of instruction, for a period of five years, if required to do so, in a gazetted post, or take up, for a similar period, other comparable employment outside Government service, if so directed by the Government of Madras or the Central Government. They should not, therefore, count on their returning to their present appointments, if they hold any, but they are advised to secure a lien on their posts, if possible, in case their services are not required by Government on their return.

9. Prospects of Employment on Return: (a) Although every endeavour will be made to secure employment of the kind referred to above, it should be clearly understood that selection for an approved course of study does not carry with it a guarantee of employment and the selection for appointment in Government service will depend on the rules and regulations in force at the time.

(b) A Government servant will, on his return after satisfactorily completing an approved course of study, be considered for appointment to a higher post if otherwise suitable, and when there is a suitable vacancy.

10. Arrangements in regard to passage etc.- The Government will make arrangements in regard to the sea-passage and, where necessary, facilities for dollar exchange. The selected students will, however, apply for passports and visas in the usual manner.

P.T.O.

Form of the Bond 3

FORM OF THE BOND.

(Paragraph 8 above.)

Know all men by these presents, that we, (1) (nominated to undergo ~~undergoing~~ a course of instruction in connexion with a Government stipend) and (2) do hereby bind ourselves, and each of us, our and each of our heirs, executors, administrators and legal representatives, to pay to His Excellency the Governor of Madras ~~the sum of~~ on demand the sum of Rs. 15,000/- (Rupees fifteen thousand only).

Signed by us this day of one thousand nine hundred and forty seven.

Whereas the above bounden (3) has been nominated to a Government stipend.

And whereas the above bounden (4) nominee of such stipend is entitled under certain conditions to such sum as may be fixed by Government towards the cost of maintaining himself for two years besides tuition fees, certain travelling expenses and also a second-class return passage of the appropriate grade from India to the country to which he is sent and back.

Now, the condition of the above written obligation is that in the event of the above bounden (5) not conforming to the instructions regarding training conveyed to him by an authorized agent of His Excellency the Governor of Madras, or of continued adverse reports regarding the progress of his studies or regarding his conduct or on the completion of his studies refusing to serve His Excellency the Governor of Madras, if required to do so, as a gazetted officer of the Madras Government, or to take up other employment indicated by His Excellency the Governor of Madras for a minimum period of five years, and, if his services are not required in that manner, refusing to serve His Excellency the Governor-General in Council, if required to do so, as a gazetted officer of the Central Government or to take up other employment, indicated by His Excellency the Governor-General in Council for a minimum period of five years, he shall forthwith refund to His Excellency the Governor of Madras on demand all monies paid to him or on his behalf in respect of the said stipend, tuition fees, travelling expenses or return passages or otherwise on account of having been selected as a scholar aforesaid and the interest on the a nount calculated at fixed Government rates then in force for Government loans.

Then the above written obligation shall be void and of no effect, otherwise it shall be and remain in full force and virtue.

GOVERNMENT OF MADRAS.

OVERSEAS SCHOLARSHIPS, 1947-48.

The Government of India have decided to continue in 1947-48 the scheme for sending to other countries a certain number of students at Government expense for advanced courses in subjects directly related to post-war needs. Arrangements for instruction will be made primarily in the United Kingdom and the United States of America, and if possible, in other countries which may offer adequate facilities.

2. Under the scheme, thirty-five scholarships have been allotted to the Provincial Government. The Government propose to award the scholarships to candidates for the courses specified in Appendices I to III. Applications are invited from qualified candidates who are British Indian subjects, belonging to Madras Province.

3. Persons employed either under the Government of Madras or under the Government of India, whether they belong to Madras Province or not, may also apply; but preference will be given to those belonging to Madras Province.

4. Temporary Government servants who are not eligible for study leave, if finally selected for the scholarships, should resign their posts under Government, with effect from the dates on which they are relieved for taking up the scholarships.

5. Applications from persons in Government service should be submitted through the authorities concerned.

6 Women candidates are eligible to apply only for the subjects of study noted against item D of Appendix I and D and G of Appendix II. Men are not eligible to apply for item D of Appendix I.

7. *Qualifications.*—(*a*) *Academic.*—Applicants should possess the minimum qualifications specified in the Appendices against each subject.

(*b*) *Age.*—Applicants should not be more than 30 or less than 19 years of age on 1st July 1947. The maximum age-limit for those already in the service of Government or of a recognized University, College or other public body is 40 years.

8. Applications should be in the prescribed form, copies of which can be had from the Secretary to Government, Education and Public Health Department, Fort St. George, Madras, on requisition accompanied by an *addressed* envelope with postal stamps for As. 3-6 *affixed*. The applications should be sent in *triplicate* addressed to the same officer, so as to reach him not later than ~~January 1947~~ 8th February The following documents should ~~not~~ be sent along with the application :—

(i) *A Treasury Receipt for Rs.* 5.—The amount should be deposited in a Government Treasury or the Reserve Bank of India or any of its branches, to the credit of the Government of Madras, under the head of receipt "XLVI. Miscellaneous"; on no account will this fee be refunded.

Note.—Where the fee is remitted into Treasury outside Madras Province, the words "Madras Provincial" must be written prominently in red ink on the right hand top corner of the chalan.

(ii) *Certificate of age.*—A certified extract from the Matriculation or the Secondary School-Leaving Certificate or an attested copy of other satisfactory evidence of age.

(iii) *Certificate of physical fitness.*—A certificate of physical fitness with particular reference to the applicant's ability to bear the climate of the country to which he proposes to go; the certificate may be from a Registered Medical Practitioner.

(iv) *Certificate of character.*—The certificate should be obtained from the head of the institution at which the applicant is studying or from a magistrate.

(v) *Testimonials.*—Duly attested copies of two (but not more than two) testimonials from the authorities of the University or other institution where the applicant last studied.

(vi) *Certificates of educational qualifications.*—Duly attested copies of (*a*) a certificate or diploma showing that the candidate has the minimum qualifications prescribed and (*b*) all the documents, degrees, diplomas or certificates in support of the entries made in the application regarding the examinations passed, class, division or rank obtained and research or professional experience, etc.

(vii) *Syllabus for examination passed.*—Copy of the syllabus in the B.A., B.Sc., B.E. or other equivalent or higher examination passed or course pursued by applicant.

(viii) *Record of practical experience.*—Detailed record of practical experience of applicant with particular reference to the subject of study specified by him in the application and also proof of research.

(ix) *Photograph.*—Recently-taken passport-size photograph of applicant.

(x) In the case of an applicant who claims to belong to a Scheduled Caste a certificate from a Revenue Officer not lower in rank than a Deputy Collector, that the applicant belongs to a community (to be specified) which is included in the List of Scheduled Castes approved by Government and that such community is regarded as untouchable in the district to which the applicant belongs.

NOTE.—(*a*) Copies of the documents mentioned in items (ii) and (iv) to (ix) should be submitted in *triplicate*. Item ~~(i)~~ should be submitted in original and need not be in triplicate. Items (iii) and (x) should be submitted in original with two duly attested copies.

(*b*) Copies of the documents should be attested by a Gazetted Officer and his official seal affixed.

(*c*) The documents should be arranged in the order noted above. One set should be attached to each of the three forms of the application and securely fastened at the left hand top corner

9. The selection will be made by the Selection Committee which will be constituted for the purpose. Selected candidates may be required to appear before the Committee for interview at their own expense, on a date which will be notified.

10. No member of the Selection Committee or any officers connected with the Committee must be approached by or on behalf of an applicant. *Any attempt to canvass directly or indirectly will forthwith and without any exception disqualify an applicant.*

11. A copy of the terms and conditions subject to which scholarships will be awarded to selected candidates will be sent to each applicant along with the form of application.

12. Applications which are received after ~~January~~ 8th February 1947 or which do not comply with the conditions herein prescribed will not be considered.

13. The result of the selection will be notified in the Press. Unsuccessful candidates will not be informed individually.

GOVERNMENT OF MADRAS.

OVERSEAS SCHOLARSHIPS—1947-8—TERMS AND CONDITIONS OF AWARD.

1. *Duration of course of study.*—The duration of a course of study will be determined in each case by the Government, but it will, in most cases, be about two years. The Government also reserve the right to make at any time such changes as they may consider desirable in the nature or duration of a course approved by them.

2. *Countries where arrangements will be made.*—Arrangements for instruction will be made primarily in the United Kingdom and the United States of America and also in other suitable countries provided that satisfactory arrangements can be made. Applicants may mention their preference for any country or for any particular institution or institutions but the final decision in the matter will rest with the Government.

In view of the extreme overcrowding at present in foreign Universities, it is not possible to say if and when places can be found for the selected students in those Universities. Applicants are therefore warned that even if they are selected they will not be entitled to scholarships until places have been secured for them at institutions abroad and other arrangements made for their journey. Selected students will not be paid any kind of allowance or compensation for the period of waiting while arrangements are being made for their admission to institutions abroad and for their passage.

3. *Stipends.*—The value of the stipend for each student will be fixed in the light of ascertained requirements in different countries, but it will be sufficient to cover all the normal maintenance expenses which a student is likely to incur including expenses during vacations. The stipend will be payable from the date of a student's arrival in the country where he is to receive instruction up to the date of his departure from that country on the return journey, and it will be paid in advance in quarterly or monthly instalments. Any tuition fees or other charges in connexion with the course of study will be paid by the Government. Apart from the stipend and allowances referred to specifically in this paragraph and in paragraphs 4, 5 and 6 below, no other claims or requests for any other allowance will be entertained.

4. *Travelling expenses.*—Students will be allowed a second class fare (or, where there is no second class, the fare next below first class) from their normal place of residence to their place of instruction and back, together with a sum of £5, or its equivalent in Indian or other currency, to cover incidental journey expenses each way. The sum of £5 will not be paid to those who are in Government employ and are in receipt of their leave salary during the voyage.

5. *Terms for Government servants.*—Madras Government servants who are entitled to study leave and are selected for a scholarship will be sent on study leave terms, supplemented by a special allowance, if necessary, so as to ensure that in no case will a Government servant be placed in a less favourable financial position than other stipendiary students. As regards Central Government servants who are entitled to study leave and are selected for a scholarship, terms will be decided by the Government of India in individual cases.

6. *Equipment allowance.*—Each selected student will be given before his departure from India an equipment allowance of Rs. 500 to enable him to provide himself with such clothing and other necessary articles as he is likely to need on the journey or immediately on his arrival in the country to which he is sent. It shall, however, be understood that this allowance is intended merely to supplement the student's own resources and no claims will be entertained beyond this amount for any expenditure which a student may incur on his equipment or clothing, etc.

7. *Conditions of the grant of stipend, etc.*—(*a*) The grant of the stipend and allowances will be subject to periodical reports of satisfactory progress. In case of continued adverse reports in respect of studies or conduct, the Government reserve the right to cancel the stipend immediately, and the student will be required to refund to the Government the total amount spent on him up to date, together with interest calculated at fixed Government rates, in accordance with the terms of the bond referred to in paragraph 8 below.

(*b*) In the case of a student who, on account of illness or other reasonable cause, is unable to complete the approved course of study and is obliged to return to India, the Government will pay the cost of the return journey and may at their discretion forego the refund of the amount referred to in (*a*) above.

8. *Bond.*—All candidates selected for scholarships (including Government servants) will be required to enter into a bond, in the form given below, undertaking to serve the Government of Madras or the Central Government, on their return after the completion of their course of instruction, for a period of five years, if required to do so, in a gazetted post, or take up, for a similar period, other comparable employment outside Government service if so directed by the Government of Madras or the Central Government. They should not, therefore, count on their returning to their present appointments, if they hold any, but they are advised to secure a lien on their posts, if possible, in case their services are not required by Government on their return.

9. *Prospects of employment on return.*—Although every endeavour will be made to secure employment of the kind referred to above, it should be clearly understood that selection for an approved course of study does not carry with it a guarantee of employment and the selection for appointment in Government service will depend on the rules and regulations in force at the time.

10. *Arrangements in regard to passage, etc.*—The Government will make arrangements in regard to the sea-passage and, where necessary, facilities for dollar exchange. The selected students will, however, apply for passports and visas in the usual manner.

FORM OF THE BOND.

(*Paragraph 8 above.*)

Know all men by these presents, that we (1) (nominated to undergo a course of instruction in connexion with a Government stipend) and (2) do hereby bind ourselves, and each of us, our and each of our heirs, executors, administrators and legal representatives, to pay to His Excellency the Governor of Madras on demand the sum of Rs. 15,000 (Rupees fifteen thousand only).

Signed by us this day of one thousand nine hundred and forty seven.

Whereas the above bounden (3) has been nominated to a Government stipend.

And whereas the above bounden (4) nominee of such stipend is entitled under certain conditions to such sum as may be fixed by Government towards the cost of maintaining himself for two years besides tuition fees, certain travelling expenses and also a second-class return passage of the appropriate grade from India to the country to which he is sent and back.

Now, the condition of the above written obligation is that in the event of the above bounden (5) not conforming to the instructions regarding training conveyed to him by an authorized agent of His Excellency the Governor of Madras, or of continued adverse reports regarding the progress of his studies or regarding his conduct or on the completion of his studies refusing to serve His Excellency the Governor of Madras, if required to do so, as a gazetted officer of the Madras Government, or to take up other employment indicated by His Excellency the Governor of Madras for a minimum period of five years, and, if his services are not required in that manner, refusing to serve His Excellency the Governor-General in Council, if required to do so, as a gazetted officer of the Central Government, or to take up other employment, indicated by His Excellency the Governor-General in Council for a minimum period of five years, he shall forthwith refund to His Excellency the Governor of Madras on demand all monies paid to him or on his behalf in respect of the said stipend, tuition fees, travelling expenses or return passages or otherwise on account of having been selected as a scholar aforesaid and the interest on the amount calculated at fixed Government rates then in force for Government loans.

Then the above written obligation shall be void and of no effect, otherwise it shall be and remain in full force and virtue.

Signed by the above bounden (6)
in the presence of (7)

Signed by the above bounden (8)
in the presence of (9)

(1) Full name of candidate.
(2) Full names and addresses of sureties.
(3), (4) and (5) Name of candidate.
(6) Signature of candidate.
(7) Signature, name, designation, full address of attesting officer with his office seal.
(8) Signatures of sureties.
(9) Signature, name, designation and full address of attesting officer with his office seal.

All Provincial Governments.

SENDING OF STUDENTS FOR ADVANCED STUDIES OVERSEAS, 1945 - PAYMENT OF STIPENDS.

Sir,

I am directed to forward herewith a copy of the papers details of which are given in Appendix I to this letter and to seek the concurrence of the Provincial Government to the measures proposed in respect of the payments to be made in India and abroad to permanent Provincial Government servants selected for the Overseas Scholarships awarded by the Central Government in 1945. As these arrangements have been suggested with a view to facilitate the maintaining of accounts and as it has already been stated in the letters offering the scholarships to the candidates in question that the full expenditure on the advanced studies of the scholars selected for the Central Scholarships, will be borne by the Government of India it is hoped that the Provincial Government will have no objection to the proposals made by the Government of India.

The statement appended to the Office Memorandum referred to in item (3) of the Appendix to this letter sets forth the names and some other particulars of the scholars, who, so far as this Department are aware, fall under categories E (1) and E (2) mentioned in this Department Office Memorandum No. F 21-1/45 EIV, dated the [illegible] 1946 to the Accountant General, Central Revenue. Should this list be found inaccurate or should need any modification, the necessary changes may kindly be communicated to this Department very urgently. The Government of India will be grateful if the Provincial Government could now issue the necessary orders regarding the grant of the study leave to scholars falling under category E (1). In order to facilitate the work of the High Commissioner for India in London and the Hon'ble Agent General in the United States of America, it is requested that these orders should specify the exact amounts admissible under the study leave terms and also the head to which the expenditure is to be debited. Where the study leave terms fall short of the scholarships awarded to non-Government servants, the Provincial Government may issue a general authorization to the High Commissioner in London and the HHon'ble the Agent General in the United States of America to sanction without reference to the Provincial Government a supplementary allowance to make up the short-fall and to debit this expenditure also to the head to be indicated by the Provincial Government. The expenditure already incurred in India, namely, on passage, railway fare to port, equipment allowance and pocket money, will however be met by the Government of India themselves.

P.T.O.

In respect of scholars falling under category E(2), the Departments of the Government of India concerned will address the Provincial Government in due course regarding the grant of the study leave terms.

I have the honour to be,
Sir,
Your most obedient servant,

for Secretary.

No. F.21-1/45E

GOVERNMENT OF INDIA

DEPARTMENT OF EDUCATION

New Delhi, the 1st April 1946

OFFICE MEMORANDUM

SUBJECT:—*Sending of students for advanced studies overseas—Payment of stipends*

The undersigned is directed to forward herewith a copy of this Department brochure entitled "Information for students desiring to proceed overseas for advanced studies, 1945" setting out the scheme in regard to the sending abroad by the Government of India of students for advanced studies and to say that in consultation with the Finance Department, through whom a copy of this office memorandum is being endorsed to you, it has been decided that the following payments should be made to the students finally selected, in the manner laid down against each:

A. **Students who were not in the employment of the Central or a Provincial Government on the date of accepting the scholarships.**—Students coming under this category will be entitled to the following payments:

(i) One second class fare by Railway from normal place of residence to port of embarkation in India (disbursed through Messrs Govan Brothers *vide* this department letter No. F38-2/45E dated the 15th September, 1945, copy endorsed to you under same No. and date through Finance Department.)

(ii) Equipment allowance of Rs. 500 per candidate (to be disbursed through Messrs Govan Brothers Ltd.).

(iii) Pocket money for voyage of £5 (equivalent to Rs. 66-10-8) for each student, to be disbursed through Messrs Govan Brothers *vide* this department endorsement quoted under (i) and (ii) above;

(iv) Actual steamer fare to the United Kingdom or United States of America or other country of instruction (disbursed through Messrs Govan Brothers).

(v) Travelling Allowance from port of disembarkation to place of instruction abroad on scales to be settled by the High Commissioner for India in London or the Hon'ble the Agent General for India in Washington;

(vi) stipend while abroad at a rate to be fixed and communicated to you in due course (In the meantime, as intimated in this Department endorsements No. F.21-2/45E IV dated the 13th October 1945, the High Commissioner for India in London and the Hon'ble the Agent General in the United States of America have been authorized to pay to each candidate an advance of £75 and $ 300 respectively, to be adjusted after the exact stipends have been determined).

(vii) Tuition fees and other approved charges levied by Universities and other institutions abroad, except in respect of students studying at Oxford and Cambridge where the stipends fixed will be inclusive of these charges. The tuition fees will be paid by the High Commissioner or the Honourable the Agent General direct to the institutions concerned.

(viii) Travelling Allowance at approved rates from place of instruction to port of embarkation at the end of the studies abroad;

(ix) Actual steamer fare from port in the United Kingdom or United States of America or other country of instruction to a port in India, and

(x) one II class fare by Railway from port of disembarkation to place of normal residence in India or to place where he may be asked to report himself for duty.

The expenditure incurred in the current year will be debitable to the lump sum allotment under the budget of the Central Government under "Demand No. 72-J-Lump sum provision for schemes under consideration". The expenditure incurred by the High Commissioner in the United Kingdom will however be debitable to the sub-head "Scheme for advanced studies abroad" under charges in England in the same demand, *vide* Finance Department letter No. D.307-B/46 datd the 11th January, 1946 addressed to the High Commissioner, London (copies enclosed for ready reference). The expenditure incurred in the United States of America will be passed to India for being debited to the sub-head "Demand No. 72-J-Lump sum provision for schemes under consideration".

A list of students coming under this category will be furnished to you in due course.

B. **Students who were in temporary service under Central Government on the date of taking up the scholarship.**—These candidates, a list of whom will be furnished in due course, will be treated on the same footing as candidates falling under category A above, in respect of the payments to be made to them and the method of accounting to be made.

C. **Students who were in the permanent employment of the Central Government on the date of taking up the scholarship.**—All students coming under this category will be considered to be on study leave from the date on which they are relieved from duty in India up to the date on which they rejoin duty on their return to India. As a special case it has been decided that Rule 2 of Appendix 9 to the F and S. Rules restricting the maximum duration of the Study Leave to two years should be relaxed in respect of these students. The following payments will be admissible in respect of each candidate coming under this category:

(i) to (v). As in the case of category A except that the allowance in (iii) will not be admissible in this case.

(vi) Emoluments as under study leave rules from date of relief in India, together with the study allowance at the rate of 12 shillings a day in the United Kingdom and 30 shillings a day in the United States of America.

(vii) to (x). As under category A.

It has also been decided that where the emoluments under study leave terms fall short of the stipends sanctioned for non-Government servants sent for studies, an additional allowance should be sanctioned to ensure that in no case a Government servant is placed in a less favourable position than the others. The exact amount of these allowances will be intimated to you in due course.

Pending the calculation of the exact study leave terms, the High Commissioner for India and the Hon'ble the Agent General in the United States of America have already been authorized to treat all Government servants as non-Government servants for purposes of payment of stipends, *vide* this Department endorsement No. F. 21-2/45EIV, dated the 13th October, 1945. Any payments made in pursuance of this authorisation may be adjusted against the study leave allowances.

In supersession of all orders so far on the subject, the entire expenditure incurred in India and abroad on the advanced education of students coming under this category will be debited to the budget allotment of the departments

concerned on whose permanent establishment the students were borne at the time of their selection for scholarships abroad. The departments concerned are being informed separately of this decision, *vide*, copy enclosed of this department office memorandum No. F.21-1/45.E.IV, dated the 1st April 1946. As the High Commissioner for India in London and the Hon'ble the Agent General in the United States of America desire, the Departments of the Government of India concerned will be asked to communicate to the authorities concerned the exact emoluments sanctioned for each student.

D. **Students who were in the temporary employment of Provincial Governments prior to taking up the scholarships.**—All these candidates will be treated on a par with students coming under category A above.

E. **Permanent Provincial Government servants selected for the Government of India scholarships.**—A further communication will be addressed to you on this point later.

F. **Students who were in the permanent or temporary service of Indian State Governments before taking up the stipends.**—These students will be treated as under category A above.

G. **Temporary Central Government servants selected for Provincial Scholarships.**—These students shall be treated as having relinquished their posts under Central Government with effect from the date on which they were relieved for taking up the Provincial Scholarships. No financial commitments will devolve on the Central Government after such date of relief, except to the extent that where the Provincial Government selected the student with the approval of the Government of India, the expenditure on his advanced studies will be shared equally by the Provincial and Central Governments.

H. **Permanent Central Government servants selected for Provincial Scholarships.**—A further communication will be addressed to you on this point.

for Secretary.

EDUCATION DEPARTMENT.

(O. D. I.)

F. 21-1/45-E (*iv*).

New Delhi, the 15th August 1946.

SUB.—*Sending of Students for advanced studies overseas, 1945—Payment of stipends.*

The undersigned is directed to invite a reference to this Dept. O. M. No. F. 21-1/45 (E-iv) dated the 1st April 1946 on the subject mentioned above and to say that the Government of India have since decided that permanent Provincial Government servants selected for the overseas scholarships awarded by the Government of India in 1945, referred to as Category E in the O. M. referred to above should be treated as follows :—

E. (1).—*Candidates who were in the permanent employ of Provincial Governments and working under the Provincial Governments on the date of acceptance of the Scholarship* :

In respect of candidates falling under this category, the Government of India have decided that wherever possible, the scholars should be sent on study leave terms, supplemented where necessary, by a special allowance so as to ensure that no Government servant is placed in a less favourable position than a non-Government servant and that the whole expenditure should in the first instance be met by the Provincial Government in whose permanent employ the scholar was at the time of proceeding abroad. The Provincial Governments concerned are being asked separately to agree to this course of action and their replies will be furnished to the A. G., C. R. in due course. In all cases where study leave is granted by the Provincial Governments, it has been decided that the payments should be identical with those already sanctioned in this Department Memo. dated the 1st April 1946 to category C, *i.e.*, students who were in the permanent employ of the Central Government on the date of taking up the scholarship. The total expenditure incurred in the first instance, by the Provincial Governments will be repayable to them at the end of each year, when accounts are normally due for adjustment.

In such of those cases, where the Provincial Governments are not willing to grant any study leave terms but have sanctioned extraordinary leave on loss of pay, the scholar will be treated as falling under category A, *viz.*, "Students who were not in the service of the Central or a Provincial Government on the date of accepting the scholarships."

E. (2).—*Permanent Provincial Government servants on deputation to the Central Government* :

The Government of India have decided that scholars coming under this category should, with the concurrence of the Provincial Governments concerned, be granted study leave by the Departments concerned of the Government of India where the scholars were on deputation at the time of the acceptence of the scholarships. All Departments of the Government of India are being informed accordingly and are being asked to endorse to you copies of the final orders. The payment to be sanctioned in these cases are the same as those sanctioned for scholars falling under category "C" and the expenditure is debitable wholly to the budget of the Departments concerned.

H.—Permanent Central Government servants selected for Provincial scholarships :

These cases will be examined individually and final decision communicated to the A. G., C. R.

2. A list showing the names of scholars selected for the Government of India overseas scholarships, 1945, and the categories under which they fall is attached. Further information, if any, needed in respect of Government servants may be obtained direct from the Departments concerned.

3. A copy of these orders is being endorsed to you through the F. D.

for Secretary.

OFFICE MEMORANDUM

SUB:- Sending of students abroad for advanced studies-- Payment of stipends and other allowances.

.....

The undersigned is directed to refer to para. 7 of this department brochure: entitled "Information for students desiring to proceed overseas for advanced studies, 1945" forwarded with this department endorsement No.F.85-14(69)/45E dated the 17th March 1945 setting out the conditions applicable in regard to payment of stipends to the students selected for Government of India scholarships for advanced studies abroad and to forward herewith for information and necessary action a copy of this department office memorandum No.F.21-1/45.E.IV dated the 1st April 1946 addressed to the Accountant General Central Revenues.

It is requested that in respect of the permanent Central Government servants employed under the Home Department etc. selected for the scholarships, necessary orders regarding the grant of study leave may be issued at an early date to the authorities concerned. A copy of the orders may be forwarded to this department for information. The exact amount of the stipends fixed in the United Kingdom and the United States of America will be communicated to all Departments in due course

P.T.O.

"500- 28.8.46-D"

137

and on receipt of this information, it is requested that the departments concerned may take up with this and the Finance Departments the question of the grant of any additional allowance that may be necessary in those cases where the emoluments under study leave terms fall short of the stipends fixed for private students.

Endeavours are being made to furnish to departments concerned names of permanent Government servants who have been selected for the Government of India scholarships; but as this is expected to take some time, it is hoped that departments concerned may initiate action in all cases about which they are aware as a result of the original offers for scholarships having been made through them to the candidates concerned.

OFFICE MEMORANDUM.

SENDING OF STUDENTS ABROAD FOR ADVANCED STUDIES - PAYMENT OF STIPENDS AND ALLOWANCES.

The undersigned is directed to invite a reference to this Department Office Memorandum No.F 21-1/45EIV, dated the 1st April 1946 on the subject mentioned above and to forward herewith copies of the correspondence details of which are given in the attached schedule. The statement appended to the Memorandum dated the 1946 addressed to the Accountant General, Central Revenues sets forth the names and roll nos. of the scholars selected for the Overseas Scholarships, 1945, awarded by the Government of India, together with the c classification under which they fall for purposes of grant of scholarships. Any change necessary in this statement so far as the Home Department etc. are concerned may be communicated to this Department under simultaneous advice to the Accountant-General, Central Revenues. In the case of temporary Central Government servants relieved on their taking up the scholarships, the date of relief may be intimated in those cases where the information is not already indicated in the statement. There are a few cases where it is not clear whether the scholar is a permanent or temporary Central Government servant. Such cases have been classified as "B or C" or "B(?)" or "C(?)". The Departments of the Government of India are now requested to cl clarify the position so far as they are concerned.

As in the case of permanent Central Government servants selected for the scholarships, the Departments concerned may now take up the question of granting study leave and issuing, in consultation with the Provincial Governments concerned, the necessary orders in respect of Permanent Provincial Government servants who were already on deputation with the Central Government when accepting the scholarships.

SCHOLARSHIPS FOR ADVANCED SUTDIES OVERSEAS 1946-47 - MADRAS GOVERNMENT SCHEME - EXPENDITURE.

.....

With reference to paragraph 2 of their letter No.57393-C/45-6-Edn dated the 29th January 1946 and in continuation of this Department letter No.F.7-8/46-OD.II dated the 13th March 1946 the Madras Government are informed, that the Government of India have carefully considered the Provincial Government's request to meet half the share of the cost of scholarships awarded in 1946-47 without the stipulation that the amount so spent will be taken into account as part of the assistance, which ~~xxxx~~ it is proposed to give to Provincial Governments for purposes of their development plans, but regret that they are not in a position to waive this stipulation. The original condition, namely that the amount which may be spent on behalf of a Provincial Government by the Government of India in connection with this scheme will be taken into account as part of the assistance which it is proposed to give to Provincial Governments for purposes of their development plans, therefore stands.

1 With reference to Madras Government letter No.57393-C.2/45-17 dated the 11th July 1946 the Government of India are pleased to note the Provincial Government's decision to allow persons in their service to apply for Central Scholarships and Central Government servants to apply for Madras Government Scholarship from next year.

p 30 cf/9

2 As regards paragraph 2 of the letter under reply, the proposal of the Provincial Gøvernment to allow persons in their service to apply for the Provincial quota of scholarships is one with which the Provincial Government alone is concerned. As such it is for the Provincial Government if they so desire, to fix the maximum number of Government servants who may be selected for Provincial Scholarships each year out of the quota allotted to them.

p 14 cf/9

3. A further communication will follow regarding the points raised in the latter part of paragraph 5 of Provincial Government's letter No.57393-C/45-6 dated the 29th January 1946 and the additional points raised in paragraph 3 of the latter under reply.

Scholarships for advanced ...
1946-47 - Central Government Scholarships

I am directed to refer to this Department ...tter No.F. 5-10/46-G.D.II dated the 4th July,1946.

The government of India have had under examination the question as to how the period of stay abroad, of the permanent Provincial Government servants under your administrative control who have been selected in 1946. for Central Government stipends (Overseas Scholarships Scheme) should be treated. As you are aware such scholars are being treated as Non-Government servants by the Government of India for purposes of scholarships and grant of stipend only. It is suggested, that so far as the period of their absence is concerned, the Provincial Government could treat it as Stu... Leave. Such a course would mean that, while on a Central Ov... Seas Scholarship, the permanent Provincial servants will not lose continuity of service under a Provincial Government nor will a Provincial Government be involved in any financial commitment usually inherent in the grant of Study leave terms (i.e) payment of study,leave allowance and leave salary etc'.

If, however, your Government do not agree to the above suggestion and alternative method will be to treat the period of stay abroad as ~~xxxx~~ Extraordinary leave till the time the scholar is employed by the Govt. of India. This procedure also does not involve any financial commitment on the part of a Provincial Government and will preserve ~~xxx~~ the continuity of service of the Provincial Government servants concerned.

2. It is hoped that you will agree with the view th... that it is not possible to treat such scholars on deputation to the Government of India as they will not be performing duty under the Government of India during the period of their sary abroad.

3. As it is considered necessary to place the matter on a uniform footing, I am to request that, the Government of India may be favoured with the views of your Government as early as possible.

I have the honour to be,
Sir,
Your most obedient servant.

Sd/- P.Ganguleo.
for Secretary.

Office of the Chief Engineer, [illegible]
(General, Buildings and Defence),
Chepauk, Madras.

No. 3745 E-1/46-11. 10th January 1947.

To

The Secretary to Government,
Public Works Department.

Sir,

Sub: Overseas Scholarships, 1947-48 -
Ref: Public Works Dept. Memo No. 3512 M/46-2 dated 6-1-1947

...

In my letter No. 3745 E-1/46-6 dated 11-11-1946, particulars regarding the degree of importance attached to the four subjects corresponding to the four scholarships originally recommended were furnished, as shown below:

i) Sanitary Engineering (Modern Sewage treatment and Sewage disposal)

ii) Civil Engineering (Foundation of structures)

iii) Architecture

iv) Reinforced concrete (Temperature studies).

But, the Government stated in Memo No. 3016 M/46-1 dated 16-11-1946 that only two scholarships could be allotted to this Department, viz. Chief Engineer (General), and requested the Chief Engineer to indicate the order of preference amongst the subjects. In my No. 3745 E-1/46-7 dated 26-11-1946, the order of preference among the subjects for which two scholarships were allotted, was indicated as in items (i) and (ii) above. The subject of Architecture was not given preference or precedence in the above order for the reasons given in para 2 below.

2. The question of sending the Consulting Architect and one Sri Pithavadian was under separate correspondence with the Government. I invite attention to my letter No. 2907 E/46 dated 2-7-1946 recommending the name of Sri M.C. Desai and Sri Pithavadian for overseas training. Orders of Government have since been received in G.O. No. 3266 Public Works dated 16-12-1946, deputing Sri M.C. Desai to the United Kingdom and Ireland for higher training in Architecture for a period of 3 months and action is being taken separately in this matter. As regards Sri Pithavadian, it was proposed to send him out to qualify [illegible] A.R.I.B.A. [illegible] the 1946-47 scheme itself - vide paras 8 and 9 of my letter No. [illegible] E/45-32 dated 2-7-1946. In Education and Public Health Dept. Memo No. 51943 C.2/46-2 dated 13-9-1946, the Government informed the Chief Engineer (General) that the Government proposed to recommend Sri Pithavadian, temporary Supervisor, Consulting Architect Section, to the Government of India for the award of an overseas scholarship (1946-47) in Public Health and Medical Buildings (and Architecture). Later, in Education and P.H. Dept. Memo No. 51943 C.2/46-[illegible] dated [illegible]-11-1946, the Chief Engineer has been informed that the Government of India have not accepted the recommendation on the ground that it is too late to select Sri Pithavadian for a scholarship in 1946-47 and that the Government regret that no special consideration can be shown to Sri Pithavadian in connection with the scholarships for 1947-48 and that he will have to take his chance, as any other private candidate. As the question of sending Sri Pithavadian to training in Architecture in 1946-47 scholarship was under correspondence as shown above, the subject of Architecture was not included in the two scholarships to be awarded in 1947-48.

3. The last date for receipt of applications [illegible] Madras Government employees has since been [illegible] to 31-[illegible]

in view of my representation to Government and in view of the permission given to Government servants to apply for overseas scholarships for 1947-48. Sri Pithavadian will be asked to apply for the overseas scholarship, 1947-48. As stated already, the subject of Architecture was not included in the two scholarships awarded to this Department. I need not emphasise again the great difficulty experienced in obtaining suitably qualified personnel for the Consulting Architect branch. In para 2 of my No. 3748 P-1/46-8 dated 24-12-1946, I requested the Government to allot two more scholarships to this department and one of the subjects was "Architecture" considering its importance in the post-war era. But the Government have stated in Memo No. 3512 M/46-2 (P.W.D.) dated 6-1-1947 that the scholarships allotted by the Government of India have been re-allotted to the departments in proportion to their requirements and that it will not, therefore, be possible to allot any additional scholarships. As there are only two scholarships available now and as we already have deputed Mr. C.M. Govess on Civil Engineering (Foundations of structures) and none on Architecture, I would suggest that for item (ii), viz. Civil Engineering, Foundations of Structures, the subject of 'Architecture' may be substituted and Sri Pithavadian may be deputed on Architecture* instead of sending another man for Foundation of Structures. Sri Pithavadian being a B.E., could get his A.R.I.B.A. probably in three years. I request immediate orders in the matter.

*item 12(i)g, on p.12 of the Govt. of India Brochure entitled "Information for students desiring to proceed overseas for advanced studies in 1947-48.

Chief Engineer, P.W.D.

Copy to the Secretary to Government, Education and Public Health Department, for information.

The need to strengthen the Consulting Architect's branch needs no stressing and the desirability of having a qualified Architect to relieve and possibly to ultimately replace Mr. Desai when he retires, is obvious.

[signature] 10/1/47

Chief Engineer, P.W.D.

[P. 2 & original list of subjects is at pp 57-58 CF/LF and revised list is at pp. 72-73 CF/LF.]

be executed by Govt. servant

If not, is it not desirable to make para at p.17 clear?

M.V.S./6-1-47.

On the previous two occasions there was n question of taking bonds from Government serva as they were not granted any scholarships. T were only deputed on study leave terms and bon were taken only from probationers and approved probationers who did not hold substantive appo ments. The present proposals in regard to Go servants are that those who are not eligible fo study leave terms should resign their appointme in Government service if they are granted scholarships. Such persons will therefore for all practical purposes be on the same footing as private candidates and they will have to ex the bonds. Probationers are not eligible for study leave. Approved probationers with less 5 years of service are not also ordinarily eli for study leave. It seems desirable to insist bonds being executed by all Govt. servants, inc permanent Govt. servants and appd. probationers are eligible for study leave, so that they m be tempted to take up more lucrative appoin which the Govt. may offer to them on their re from abroad. The Govt. of India also a ng all candidates selected for scholarships as ute bonds, vide para 10 of brochure.

It has been made clear in the draft terms all candidates including Government serva d execute bonds,
