Ref.No. 74526-2.A/46. dated 17.2.1947.

Sir,

Sub: Typewriter- Government Hospital, Palghat - Supply of
Sanction requested.

.....

The District Medical Officer, Malabar requests sanction for the supply of a typewriter to the Government Hospital Palghat, the sanctioned bed strength of which is 100. He states that the steady growth and development of the hospital ever since its provincialisation has resulted in a considerable increase of correspondence, which is being done in manuscript by the clerks involving thereby a lot of avoidable labour and time. The particulars of the references, received and disposed of, in the Government hospital, Palghat during the years, 1944

P.T.O.

15 and 1946 furnished below, apparently indicate the steady increase of correspondence from year to year.

1944 .. 1653.; 1945 .. 1920.; 1946 (for the first ten months only) | 1783 1783

2. There are two clerks employed in the hospital and the senior of them is stated to have done typing work for more than seven years in the Head Quarters Hospital, Ootacamund and is therefore capable of handling the machine safely, if one is supplied.

3. In the circumstances stated above it is requested that the Government will be pleased to sanction the supply of a typewriter to the Government hospital, Palghat.

Your obedient servant,

P. R. Lingadass
For Surgeon-General with the Government of Madras.
