Public Services - Recruitment - Qualifications.

One of the qualifications given in the pamphlet for appointment by direct recruitment to the posts of District Educational Officers and Lecturers in the Madras Educational Service is the possession of a First or Second Class Degree of M.A. or B.A. (Hons.) or B.Sc. (Hons.) of the University of Madras. This is the standard qualification prescribed in the special rules for the service and the selecting authority (Madras Public Service Commission) has not to decide that qualifications are equivalent to them. See general rule 17 (b). The degrees of other universities in the Province only an inferential standing and is therefore misleading. In order to avoid such complaints in future Departments of Secretariat are requested to examine the special rules with which they are concerned with a view to their being amended suitably wherever degrees of the Madras University have been specified to the exclusion of those of other universities in the Province.

Assistant Secretary.

One of the qualfn. given in the G. of I. pamphlet C.P.S.-2 (for intended for use by army personnel), for appt. by direct recruitment to the post of D.E.O.'s and Lecturers in the M.E.S. is the possession of a I or II Class Degree of M.A. or B.A.(Hons.) or B.Sc.(Hons.) of the Unty. of Madras. This is the standard qualfn. prescribed in the special rules for the Service. ~~and~~ In the case of candidates with similar qualifications, the selecting authority has to decide, w.r.t. rule 17(b) of the genl.rules for the Provl. & Sub.Services, whether those are equivalent to the prescribed qualfn.

Sub: Madras Educational Service and Madras Educational Subordinate Service - Recruitment - Qualifications - Special Rules - Amendment - Suggested.

Ref: Govt. Education & Public Health Department Memo. No. 33004 A1, dated 29-6-46.

With reference to the Govt. Memo. cited above, I have the honour to suggest that in the Table which forms the Annexure to the Special Rules for the Madras Educational Service, the expression, "the degree of the University of Madras" wherever it occurs may be amended as "the degree of a University in the Province" wherever such an amendment is not repugnant to the sense of the rules concerned. Accordingly, the professional degree of the University of Madras, such as M.L. and B.E. Degree occurring in the Table of Qualifications may be left as they are, as no corresponding degree are awarded by any other University in the Province except by the University of Madras. The teachers' training degree of the Andhra University is appropriately mentioned with the corresponding degree of the University of Madras even in the existing rules, wherever such a mention is necessary and hence no amendment is called for in this respect also. The amendment will be necessary only in regard to describing Arts and Science Degrees. Accordingly I herewith submit the draft amendments to the Special Rules for the Madras Educational Service for the consideration and approval of Government.

2. So far as the recruitment to the various posts in the Madras Educational Subordinate Service is concerned the qualification prescribed for those posts is the possession of a degree of a University in the Province. No amendment is therefore necessary in this regard.
